## JUNIORS GIVE SUCCESSFUL PROM

### MR. CARL C. MAGEE ADDRESSES ASSEMBLY

At the regular student body assembly last Friday at Rodey Hall Mr. Carl Magee gave an excellent talk on "Personality." Dr. Hill, being away on a speaking tour through the state, Vice-President Hodgins introduced Mr. Magee. About 95 per cent of the student body was present. Mr. Magee is editor and owner of the Morning Journal and especially interested in the State University. A part of his address was as follows:

Let us try to distinguish between the "I" and the "me."

The "I" is the Seer, the Feeler, the Doer.

The "me" sees and feels and does for the "I."

The hand is the property of the "I." It works for the "I." It is my hand. It belongs to me. But it is not the "I." Without it the "I" still exists.

The mind is the property of the "I." It does the thinking for the "I." But it is not the "I." The "I" can watch the mind work. It can see the mental wheels go round. It is the "ego" back of the mind.

The emotions are the property of the "I." They are mine. But they are not the "I." The rest of the emotions may die but the "I" survives.

The will is an instrument of the "I." The "I" can give orders, can use it and direct it. But it is not the "I."

The "I" is the self-conscious entity back of the body, back of the intellect, back of the emotions, back of the will.

It is the king on the throne who gives orders to body, mind, emotions and will. It is none of the. They are its property. They are a part of the "me," which is the chattel of the "I."

The "I" is a thing apart from the "me" yet operates through "me" on the physical and mental plane.

The "I" is spiritual; it is the soul. The "I" is the segment of God which is the real self-conscious self presiding over the "me."

Fear, hatred, malice, vindictiveness, all dethrone the "I." They shear the king of his power. They leave us victims to our emotions and circumstances.

The "I" senses honor and integrity and love and patriotism. It can compel the mind and body to work these things out through thoughts and deeds into character and nobility.

Too strenuous attention to the requirements of body, mind and emotions can eclipse the "I;" can kill the soul.

Keep the "I" as the king on the throne; the Dictator of your life; the Master of mind and body.

Thus you will evolve personality and character; will grow to be more like God; will fulfill your destiny.

### VARSITY TRACK TEAM BEATEN BY WILD-CATS

U. N. M. Fights Hard But Loses to Better Team.

Arizona won from New Mexico in the annual track meet held at Tucson last Saturday by a score of 71 to 37. Three records were broken in the meet.

Our men say they were treated royally and they enjoyed the trip except the ride on the Southern Pacific train between Deming and Tucson, which was extremely slow and dirty. At 6:10 on Friday afternoon they arrived in Tucson where they were met by the Arizona men with cars and conducted out to the university to look over the grounds and the athletic field.

Friday night was spent at the Arizona hotel and Saturday morning was spent in loafing. The meet started at 1:30 Saturday afternoon. The day was extremely hot and stifling, although some of the Arizona men were heard

### DEBATERS TO COLORADO SPRINGS

The Varsity debating team, composed of Harold Booker, George Gentry, and Clyde Morris, left for Colorado Springs Wednesday morning at 8 o'clock for the purpose of debating Colorado College Thursday night on the subject of armed intervention in Mexico.

The University team this year is undoubtedly one of the strongest ever put out by the school, and recently defeated the A. & M. College to the tune of a unanimous decision on the same question which is to be debated with Colorado. A much harder contest is anticipated from the Tigers, who are reported to have had considerable experience and have an advantage over the University men in that they are provided with a debating coach. Not over confident of victory, the Varsity debaters left with a determination to make the fight of their lives,

### JUNIORS GIVE ELEGANT PROM

"Best Party of Year" Say All Who Attended.

On April 16 the Junior Class gave the function of the year in the form of a Prom complimentary to the Senior Class. The party was chaperoned by President and Mrs. David Spence Hill. The Senior and Junior class colors were much in evidence. The Senior colors of silver and purple were given them in a small bouquet and the Junior colors, blue and pink, made the decorations.

About fifty couples, including all the Seniors and Juniors, faculty, and lower class officers, danced until 11:30 when a delightful lunch was served, after which "Home Sweet Home" was danced, and the affair closed with the "Alma Mater."

The U. N. M. jazz orchestra furnished the music.

The programs, the one thing that stays with us after all other memories have fled, were quite unique, and were given out by Master Jerry Howard and his particular Lady Friend. They were dressed as graduating seniors.

### CABARABIAN NIGHTS POSTPONED

Just as the curtain was about to rise for Cabarabian Nights to be shown, a deafening crash accompanied with volumes of dust disturbed the tranquility of the expectant audience. Immediately the people began running toward the front of the house, thinking at first it was a fire and then that the balcony had caved in. When the noise stopped and the crowd regained their senses, they saw through a dense blanket of dust that the plastering only had fallen. Several people were slightly cut and bruised but not seriously. The house was then informed that Prof. Weir had made an inspection and pronounced it safe and after a few minutes the show began, but was stopped by order of the city authorities.

In all probability the show will be given for two nights at the High School in the early part of next week. All seats were practically sold out and the show promised to be the best ever. Save your seat checks—they will admit you to the show next week.

Prof. Howard has taken up his residence with Coach McGuff at the men's dormitory while Mrs. Howard and son are East on a visit.

Mrs. A. Frazey is now chaperon at the Kappa House.

### THAT ATHLETIC BALL

The Varsity Athletic Association owes \$150.00 balance on those football sweaters which were well deserved. Friday night there is to be a benefit dance at the Masonic Temple. \$1.00 per couple. Come and bring a lady.

FORWARD VARSITY!

to express the opinion that it was cool. It was a good, clean meet and everybody was satisfied. Our fellows had some hard luck especially in the broad jump. It was exceedingly difficult to get a good jump on account of the take off being hidden in the tall grass.

After the meet the different fraternities took the men home to supper. In the evening there was a big jazz carnival with dance tickets free to the U. N. M. men. Dancing and music were enjoyed until after midnight.

The first event of the meet was the 120-ard high hurdles. Allsman and Marljar of Arizona took first and second and Foraker of New Mexico third. The time was 17 seconds, beating the old Southwestern record of 17:1.

In the mile run Brown, New Mexico's crack distance runner, took first, with Bluett and Nugent of Arizona second and third. The time was 5:4.

In the next event, the 100-yard dash. Goodwin of Arizona won first place while McArthur and Gerpheide of New Mexico finished second and third. The time was 10:1.

In the 16-pound shot Martinez, the Arizona weight man, took first with 38 feet 2 inches. Calkins of New Mexico won second place, throwing it 35 feet 2 inches. Greenleaf of New Mexico took third with 34 feet 7 1-4 inches.

and to make their opponents earn everything they get. It is a certain thing that the debate will be well worth hearing and the University confidently expects a good showing to be made with a favorable decision announced.

In the broad jump which was the only event New Mexico did not place in, Arizona took all of the honors Allsman taking first, Marljar second and Talmadge third. The winning jump was 21 feet 1-4 inch.

McArthur of New Mexico won first in the 440-yard dash, Powers of Arizona second, and Foraker of New Mexico third. The time was 54:3.

In the discus Martinez of Arizona made first, McCauley of Arizona second, and Greenleaf of New Mexico was third. The winning throw, which broke the Southwestern record, was 125 feet 7 inches.

Allsman and Worthington of Arizona won first and second in the 220-yard low hurdles with Sganzi of New Mexico third. The time was 28:1.

Gerpheide of New Mexico made an easy first in the high jump, clearing within 1-4 inch of the Southwestern record. Overson and Marljar of Arizona took second and third.

(Continued on Page 4.)

WEDNESDAY, MAY 10, 1920

### OUR ASSEMBLIES.

One of the noticeable facts that are with us lately is that our Friday assemblies are proving so very good. Since the beginning, at the first of the quarter, of the regular Friday assemblies, there has been a good increasing interest shown by the students. Attendance has been very good—a few stragglers still of course who will not go to assemblies, but for the most part the students are turning out well and getting a lot of good practice ideas from the different speakers. It is an institution that should have the hearty support of every student.

### THE SWIMMING POOL.

Very much pleasure has been gotten from the swimming pool for the last two or three weeks, with the exception of the time that the weather has been too cold to permit swimming. Now that the weather is good again we are promised that the pool will be cleaned and refilled.

### MORE PEP.

More and more pep is needed to make the State University of New Mexico the best school in the state. Each student should go away from the school resolving that he will come back with renewed vigor next year to make things hum at the Varsity. Another thought we ought to make our standard is, "Come back and bring one." Say it over and over until it is fixed in our minds and then proceed to carry it out this summer.

### PROGRAM FOR WEEK.

Monday—Health examinations for women, Dr. Evelyn Frisbie, by appointment, at Woman's gymnasium. Meeting of Faculty of College of Arts and Sciences, 4:00 p. m., room 25, Administration building.  
Tuesday—Musical comedy by U. N.

M. Dramatic Club; Frank H. Neher, manager; 8:15 p. m., Crystal opera house. Admission \$1.00 and \$1.50.  
Wednesday—Medical consultation and examination for men students; Dr. Morton McCahill, 3:30 to 4:30 p. m., men's gymnasium.

Kappa Kappa Gamma at home to Pi Kappa Alpha; Evelyn Hunt in charge; 3:30 to 7:30 p. m.; Mrs. L. Howard, chaperone.

Thursday—Debate, State University of New Mexico vs. Colorado Springs Springs.

Friday—Regular assembly. Address "Hopi Snake Dance, also Indian Legends," General H. F. Robinson, supervisory engineer of United States Indian Irrigation Service in the Southwest; 11:00 a. m., Rodey Hall.

Meeting of staff of U. N. M. Weekly; 12:30 p. m., Seminar room, Administration building.

Mesa supper: Kappa Delta Nu for Kappa Kappa Gamma and Pi Kappa Alpha; Katherine Shotwell in charge; 5:00 to 8:00 p. m.; Mrs. L. Wicklund, chaperone.

Alumni Association dance. Charles Caldwell in charge; 9:00 to 12:00 p. m., Masonic Temple; admission \$1.00; Professor and Mrs. George H. Bardsley, chaperons.

Saturday—Special examinations for removal of conditions of last quarter. See announcements on bulletin boards.

Geological excursion to Isleta volcano; in charge of Professor R. W. Ellis. Train leaves Santa Fe station at 11:45 a. m.; returning leaves Isleta at 4:35 p. m.

### PROGRAM FOR COMMENCEMENT WEEK

Plans for commencement are now taking form. At a recent meeting of the faculty the hours of exercises was decided upon and it was voted that full academic costume be in vogue.

In part the exercises of the week of June 6-11 are as follows:

Sunday—Baccalaureate sermon. Rt. Rev. Bishop F. B. Howden; Rodey Hall.  
Monday-Thursday—Final examinations.

Friday—Commencement exercises in Rodey Hall. Commencement address by Professor James W. Garner, Ph. D.  
Friday—Reception by President and Board of Regents to faculty and students, and alumni. Rodey Hall. Dancing.

Class programs and invitations are now out. The invitations issued by the University are sent out a short time in advance of commencement.

The faculty committee on commencement consists of Professors Clark, Hickey, Leupold, Ganders and Lukken.

### THE LIBRARY.

The library has just received a copy of New Mexico, the Land of Delight Makers, by George Wharton James. This book contains many illustrations of New Mexico, the Indian pueblos being especially well represented. There is a special chapter on the University of New Mexico. It will be remembered that the author was a resident of Kwata several years ago while at work on his book.

Among the large numbers of other books which have just been received are:

Nine volumes of The Loeb Classical Library.

The Condensed Chemical Dictionary. Two books on advertising.

The library will receive soon 43 volumes of the University of California

### Semi-centennial publications.

With all these new books received and those arriving the library is becoming more complete and efficient than ever under the able direction of Miss Stone, and her assistants, Misses Hart and Wyckland.

### DR. HILL GIVES COMMENCEMENT ADDRESSES

Dr. Hill has been called upon to give so many commencement addresses that he is easily the busiest person in the University. He returned Sunday from Artesia where he delivered the commencement address, and left again Tuesday night for Carlsbad, Lovington and Hagerman where he will also take part in the closing exercises of the school year.

### LOST AND FOUND.

Lost—Gold fountain pen. Please return to Katherine Angle.

LOST—K. K. G. key; name engraved on back. Plain. Please return to Frances Bear.

LOST—A black oval setting for a ring about 1/2 inch long—stone cut in taglio. Lost on athletic field. Finder please communicate with Blake Ross, 1835 "F" St., San Diego, Cal.

REWARD—\$20.00 reward for the return of the Gibson mandolin and case which disappeared from my room Saturday, May 8. Alfred Masten.

### SOPH'S NOTICE.

Mr. Bell (the gardener): Some people have been here for two years and can't read yet.

### THE CONGRESSIONAL COMMITTEE INSPECTS

On Monday afternoon, May 17, the University was honored by a group of distinguished visitors who inspected the various departments of the University. The visitors were the congressional committee on Indian Affairs consisting of Homer P. Snyder, chairman; John A. Elston, B. C. Hernandez, R. Clint Cole, Carl Hayden, Charles D. Cullen, John L. Tillman and W. W. Hastings.

They were accompanied by H. F. Robinson of the Indian Irrigation Service, and Pablo Abeyta, governor of the pueblo of Isleta, and others. Dr. Hill and Dr. Clark conducted the visitors on their tour of inspection.

### IN BIBLE.

Miss H.: "And the father of the prodigal son fell on his neck and wept. What did he weep for?"

Tom: "I guess you'd weep, too, if you fell on your neck."

Junior: "If a butcher entered the dining room with a large platter of turkey and dropped it, what would happen?"

Freshman: "I don't know."

Junior: "The overthrow of Greece, the destruction of China and the downfall of Turkey."

The demand for instruction in chemistry has become so great that Dr. Clark is planning to give all courses advertised in the catalogue at the beginning of next semester. It has never been possible before to do this and it will be of great advantage to all doing work in chemistry.

The Junior Class of 1919-20 has shown that even a Junior class can be as peppy and more so than any of the lower classes. This year marks a milestone on the U. N. M. calendar for activity in all lines and the Junior class has been right in the swim. It is a known fact that the upper classes have in the past relied on the pep of the lower classes to put different things through, but not so with our present Junior class. It has been in the swim about as much as any group here. Sophomores, when you reach the important post of Junior don't lose the old pep but keep the reins in the upper classes.

### A ONE-MAN QUARTETTE.

A celebrated singer was in a motor car accident one day. A paper, after recording the accident, added: "We are happy to state that he was able to appear the following evening in four pieces."—Coyote.

We editors may dig and toil,  
Till our finger-tips are sore,  
But some poor fish is sure to say,  
'I've heard that joke before.'

### THE SENIOR'S JEST.

Senior E. J.: "I've got a girl who's been in the hospital in Denver for nearly a year."

Soph. Thin: "Too bad, old boy; what is the matter with her?"

Senior: "She's a nurse."—Coy.

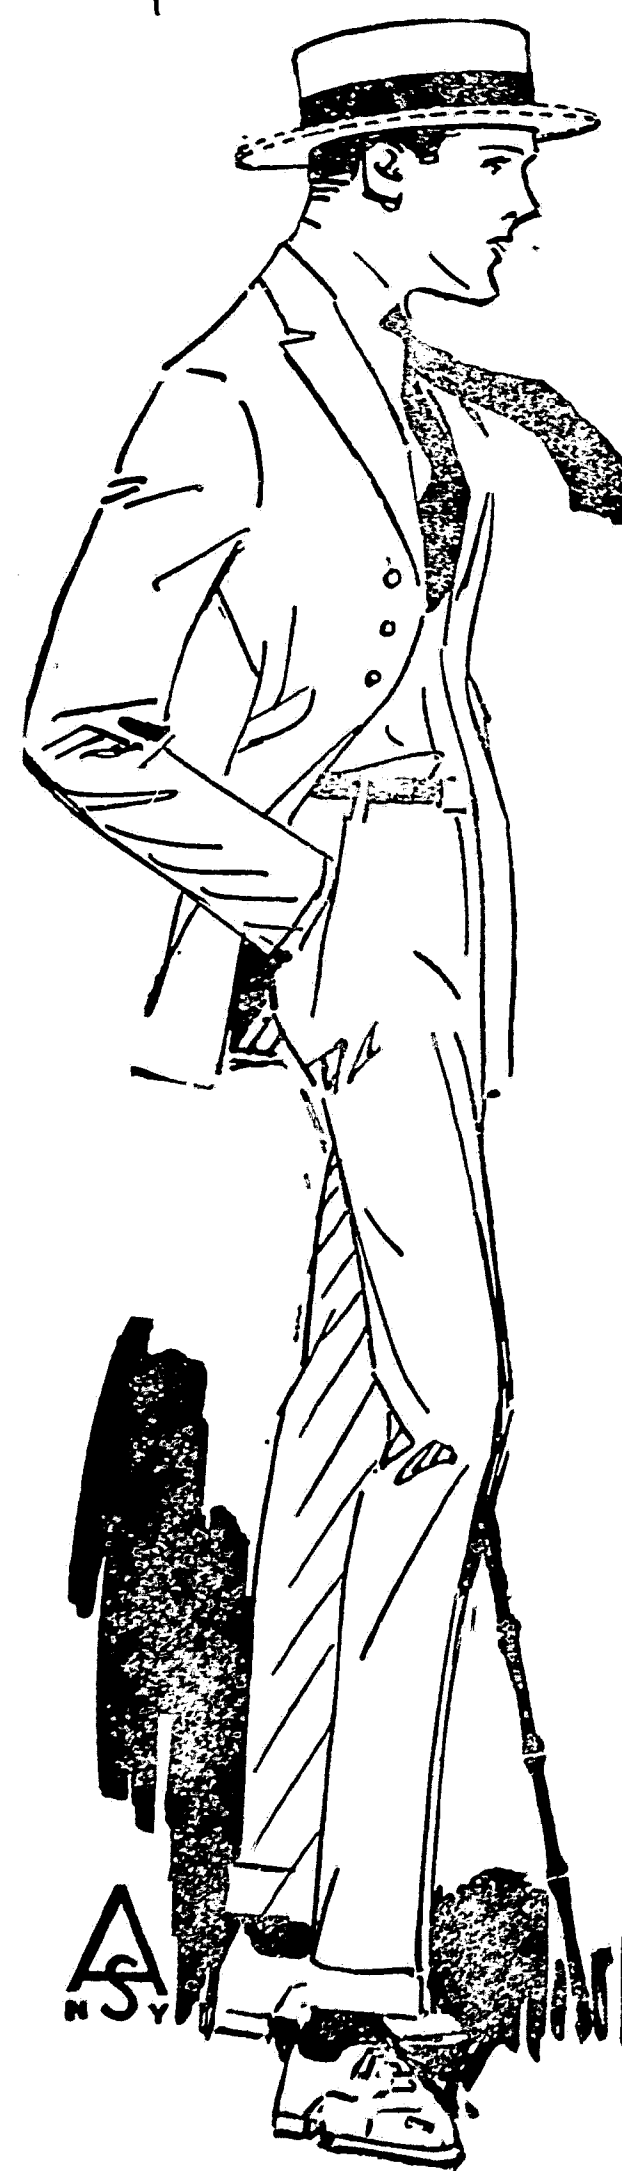

Burglar: "Don't be alarmed, lady. I shan't touch you, all I want is your money."

Old Maid: "Oh, go away! You are just like all the other horrid men!"  
—Jack o' Lantern.

She passed, I smile; z  
She smiled at my smile;  
How could she know  
That her petticoat was hanging down a mile?

If a boy goes to school until he is 21, and then gets married, the chances are that he will never be able to realize that all men are born free and equal.

## The Vision of Youth

—On the threshold of Manhood, filled with School or College ideals, youth sees a World of Joy, of Conquest, of Success. But it often fails to recognize the requisites that go to make Success—Chief of which is Personal Appearance.

—By your Personal Appearance your character is revealed. It is a proof of your Ambition, your Self Esteem.

Wear Clothes befitting your Vocation and reveals your personal Ambition. Let us help you well onto the road of Success.

EUBANK BROTHERS  
Successors to Wright Clothing Co.

## GROTTO LIGHTS.

By Steinman.

A most shocking thing happened recently which must never reach faculty ears or our most illustrious president. Sh—a certain girl—small and dark—was sh—carried up the steps of the Administration building by a boy—also small and dark.

Two boys one girl is hard enough for most fellows, but it takes some man to keep two going. Not an athlete even but this Johnny seems successful.

The wind blew Thursday—as we are aware of—so that the fellows going to Tucson would feel at home running on New Mexico sand.

Others say that it was merely Arizona sand coming back from Texas where it went to visit several weeks ago.

The Sand Devil seems to be the best name suggested as yet for the Weekly. Get your thinking caps on.

## FACULTY MEETING.

At a meeting of the faculty held at noon on May 12, on motion of Dean Mitchell it was unanimously voted to adopt the following resolutions:

Whereas, our friend and colleague, Dean J. M. Coahran, has been visited with grievous misfortune and deep sorrow in the departure from earthly life of his beloved wife and companion of many years, be it hereby

Resolved, by the faculty of the State University of New Mexico, that we feel that Dean Coahran's bereavement is a loss to us and to the whole community; that our sympathy naturally and spontaneously flows out to him at this time; that we should be glad to

help bear his burden, if, in any way, a share of it might be shifted to our shoulders; and be it

Resolved further, that a committee be appointed by the faculty to purchase flowers to be a token of our respect for the departed and of our sympathy with the bereaved; that this committee be authorized to act as representatives of the faculty in any and all ways that may be of assistance to our bereaved friend and colleague, and be it finally

Resolved, that a copy of these resolutions be placed in the minutes of the faculty of the University and a copy be sent to the family of the departed.

The following committee was appointed by the President:

Mitchell, chairman; Weese, Leopold, Bardsley, Mosher, Landers.

P. F. SHERWIN,  
Secretary.

# CARSITY TRACK TEAM DEFEATED BY WILD CATS (Continued from page 1)

O'Keefe, Arizona's distance man, won first place in the half mile run, with Brown of New Mexico second and Bluet of Arizona third. The time was 2:07, breaking the Southwestern record by seconds.

Goodwin of Arizona broke another record when he won the 220-yard dash in 25 flat. McArthur of New Mexico took second and Allen of Arizona third.

Worthington of Arizona also broke a record when he pole-vaulted 11 feet 8 inches. Hayes and Willy of New Mexico took second and third.

New Mexico won the relay, which did not count towards the meet, by a very narrow margin. The New Mexico team was Gerpheide, Foraker, McArthur and Hayes. The Arizona team was Powers, Stoltz, Cluff and O'Keefe. The time, which also broke the record, was 3:41.

Allsman of Arizona was high point winner of the meet with 15 points. McArthur, New Mexico's crack quarter miler, was second with 11 points.

### GGGG RECEPTION.

Those who know say that the reception given by the President and Board of Regents to the students and alumni is going to be the real thing. The place will be Rodey Hall and the time June 11, the night after commencement. All of the popular forms of entertainment will be indulged in and it is whispered that there will be some orchestra that will make music that will be simply irresistible. It is hoped that all will get together for a real good-bye party.

Kappa Kappa Gamma will be at home to the Pi Kappa Alpha fraternity on Wednesday evening from 6:30 to 7:30 p. m.

Kappa Delta Nu will entertain Kappa Kappa Gamma and Pi Kappa Alpha with a mesa supper on Friday evening from 6:00 to 8:00 o'clock.

Lillian Patton had a birthday dinner at the Alvarado on Tuesday o'last week. She did not determine just what birthday it was but the guests were Hazel Wilmunder, Margaret Hardean and Margaret Brooks.

The Sigma Chi's gave a delightful week-end dance at the chapter house May 14th. The house was decorated in the fraternity colors, blue and gold. Other decorations, in the form of signs, predominated, but need not be mentioned here. Dainty programs in the form of laundry tickets caused much excitement and merriment. Confetti and streamers marked the closing of the dance.

### DEMONSTRATION.

The Woman's Club members were the guests Friday afternoon at a demonstration given by the class in advanced cookery under the supervision of Mrs. Walter Simpson, head of the home economics department of the University. The first demonstration was cheese souffle given by Margaret Schumaker. She gave an interesting discussion on the different kinds of cheese, the principle of cheese cookery, and its digestibility. Margaret graduates this year and we are wondering for whom she will be making tactful cheese dishes this time next year.

The next demonstration was strawberry mousse given by Wilma Snyder. She explained the art of making frozen desserts, and how to pack and freeze them. We are proud to claim Wilma for the Junior class, and we all know that she is the pride of the cooking class because of her tact and faculty of doing everything that she does well. She was assisted by Clyda Wilson and a very able assistant Clyda made.

The last demonstration was planked fish given by Helen Goetz, assisted by Katherine Shotwell, both Juniors. While the fish baked, Helen told of the kinds of fish and the different ways in which they may be prepared. She then garnished the fish with Duchess potatoes, lemon, tomato, and pimiento. Helen is a good student as well as a good demonstrator.

Satisfactory Service  
Each Purchase  
Here is as Important to Us as to Yourself

## Rosenwald Brothers

New Mexico's Department Store  
Albuquerque, New Mex. Fourth and Central

This is the Store of Today and Tomorrow and the Years to Come

### MRS. JESSIE M. COAHN.

The university was saddened last Wednesday morning by the news of the death of Mrs. J. M. Coahran, wife of Professor Coahran, dean of the engineering school of the University. Though illness prevented Mrs. Coahran from sharing to any great extent in the University activities, still she had won a real place in the hearts of those who were fortunate enough to know her.

Dean Coahran, accompanied by his mother and Mrs. Coahran's parents, left Thursday for their former home in Indiana, where interment will take place.

The students join with the faculty in expressing profound sympathy with Dean Cathran.

### A SOCIAL ERROR.

Dean Hodgkin (introducing Carl Magee in assembly): "It gives me great pleasure to introduce the late owner and editor of the Journal."

Magee is far from being dead.

Sherman's celebrated quotation about war fits Tucson, say our track boys.

In spite of the heat, no tents, slow hundred track, hurdless on a curve, no take-off path for broad jump and a mound in front of the high jump our boys did pretty well at Tucson.

A Track Man: "Boy, you don't appreciate what we have here till you go away."

From one of our (?) profs.—"Students, I am dismissing you ten minutes early today. Please go out quietly so as not to wake the other classes."—Coyote.

"The gentle art of changing a full pen and an empty notebook into an empty pen and a full notebook."—Proth.

"Well, son, what seems to be the trouble?"

"Paw drowned all our kittens."

"My, what a heartless deed!"

"Yeah, he promised me I could do it."

### TRAGEDY.

How sweet is love,  
But, yet, how bitter,  
To love a girl  
And then not gitter.

Mrs. Murphy: "Pat, why do you suppose that hen keeps laying in our coal bin?"

Pat: "I suppose she has seen the sign, 'Now is the time to lay in your coal.'"

## LOCALS.

Mr. Thomas Hughes, former student at the University and a member of the Tri-Alpha fraternity, was initiated into Pi Kappa Alpha fraternity Friday. Mr. Hughes is now a city commissioner.

Miss McGinnis has moved from the women's dormitory to 1012 West Roma Ave.

Prof. Lukken announces a musical recital for the twenty-fourth of this month. Misses Patten, Thacker, Cameron and Powers, with Mr. Calkins, will entertain.

Miss Irene Stewart pent the weekend on the Hill with Florida Sain.

Earl Gerhardt left Tuesday last week for a week's visit at his home in Tucumcari.

Thomas Murphy was called home Saturday night by the death of his niece.

Miss Opal Tipton left for her home in Alamogordo Monday night. We regret to see her go.

Sganzini also ran in the hurdles.—*Tucson Citizen.*  
Ask "Skinney."

Eric Burt, brother of Edwin Burt, was a visitor on the campus Sunday. He is on his way to Berkeley, Cal.

Ask Swede who it was that swallowed the olive.

Lillian Spickard, former Varsity student, who has been teaching school this winter, has concluded her work and has taken up her residence at the Kappa house.

Where did "Bobbie" Robertson get the red rose Monday?

Prof. Weir sprouted Elk's horns last week. Since then he has been taking his meals standing up.

Mrs. Wyper, assistant to the registrar, is now at the Presbyterian sanatorium following an operation.

Dean and Mrs. Hodgins, with Mrs. Frazey and Mr. Hubbs, had a delightful mesa supper in the Sandia mountains Sunday night.

Do you know who it was that let a girl "kid" him out of a perfectly good moustache?

With the coming of warm weather the campus has turned beautifully green. The grass is now growing so fast that Mr. Bell can hardly keep up with the cutting of it. The upper stories of the Administration building have received a new coat of plaster which helps its appearance a lot.

Miss Adeline Williams, sister of Registrar J. P. Williams, arrived Friday from Roswell. She will spend the summer with her brother. Mrs. J. P. Williams left Sunday night for a several month's visit in North Carolina.

What happened to the light in the parlor at Hokona Sunday night? Ask "Flossy."

Ralph Meyers, who will receive the degree of B. S. in chemical engineering this year, and who has been assistant in chemistry for the past year, has received a very attractive offer from the Clovis high school to act as instructor in chemistry there next year.
