NUMBER THREE

LOBOS TRIUMPH OVER INDIANS 33 TO NOTHING

Stiff Practice Game Uncovers
Several Weaknesses to Be
Corrected in Them.

The Lobo scalp remains intact in spite of the vigorous efforts of the Albuquerque Indians to annex it in Saturday's game. Fighting gamely, as always, the Indians went down to defeat before the heavier, more powerful Varsity eleven; to the tune of 33 to 0.

The Indians chose to receive the ball and Greenleaf kicked off for the Varsity. The ball rolled out of bounds on the Indian twenty-five yard line, and Bryan, Lobo end, fell on it. Jones, Harrington, Hernandez, and Hammond hit the Indian line and ran around end for substantial gains, and Harrington skirted left end for a touchdown at the end of four minutes of play and Jones kicked goal.

Greenleaf again kicked off to the Indians who received the ball on the ten yard line and ran it back twenty yards. Two line smashes and an attempt forward pass failed to set the Indians any gain, and they punted, only to be blocked and to lose the ball on their thirty yard line. Hernandez plunged through tackle for seven yards, Hammond skirted left end for a substantial gain, Jones made ten yards around right end, Hernandez hit the line for another gain, and Jones carried the ball over for the second touchdown after game had been in progress a little more than eight minutes. Jones made it fourteen points by kicking goal.

The Indians kicked off to Harrington behind the Lobo goal, and he ran the ball out twenty yards. Jones made twenty yards around end, the Indians stopped Hammond for a five yard loss, and Harrington made left end. Hernandez and Hammond made five yards each around left end. An incomplete pass, Jones to Hammond, brought a five yard penalty for backfield in motion, a forward pass was incomplete, and Varsity was forced to punt. The Indians received the ball on their fifteen yard line, and punted back on the

"BEAT D. U."

Bitter Struggle for the Lobos Expected This Saturday When the Strong Denver University Team Appears on the Varsity Gridiron in Big Game.

ENTHUSIASM AT U. N. M. AT FEVER HEAT ON EVE OF BATTLE

Saturday, October the 7th, will be a red letter day on the athletic calendar for U. N. M. when the football team from Denver University comes to Albuquerque for the first big gridiron battle of the year. Though the Ministers do not generally rank very high, they are this year awarded the football championship of the Rocky Mountain Conference by the dopesters, and it is at least certain that the Lobos will be forced to the limit to score on their team, which is practically intact from last year. As D. U. is a full member of the Rocky Mountain Conference, it would be a gig thing to U. N. M., a junior associate in that Conference, to win.

Pre-game dope is little to be relied upon. Denver University has been practicing hard since the beginning of school and are doubtless in first-class trim. However, last Saturday they were able to win from St. Regis, a much smaller school near Denver, by the score of only 7 to 0. Still, it is not always safe to draw too rosy conclusions from such an encounter, as small schools often have quite strong teams. On the other hand, the Lobo squad triumphed over the local team, a very speedy aggregation, by the score of 33 to 0. However, in the course of the game many irregularities and faults were uncovered, which Coach Johnson has since been correcting and changing. As a result of last Saturday's game, there will probably be several changes made in the line-up, and to date neither the line-up for the Ministers nor the Lobos is known.

Friday and Saturday will be big days for the Varsity getting ready for the games. According to present plans, there will be two rallies held downtown, a big parade with all the accessories Friday afternoon at four o'clock, and another Pep Meeting at seven-thirty the same day. Saturday morning the Varsity students will repeat with a final celebration at 10:30 to arouse enthusiasm to fever heat. Ticket sales will be going on continually during the week and every effort will be made to put the game through big, for it means much in every way to U. N. M. Don't forget to bring every friend you had or ever will have—the game will be worth that—and DON'T FORGET THE BIG PEP MEETINGS TO BE HELD FRIDAY AND SATURDAY.

LARGE INCREASE IN ENROLLMENT AT U. N. M.

First Year Men by Far Exceed
Other Classes in Numbers;.....
Outlook Encouraging

With figures on registration practically complete, it is evident that the State University of New Mexico has the largest enrollment that it has ever had and altogether the largest body of students of purely college rank that has been assembled in this state at any time. There is an increase of more than twenty percent over number registered at U. N. M., the last semester of last year. With these promising increases in enrollment the rapid growth of the University in the future seems assured. This year was an exceptionally hard one financially all over the state, and in view of the fact that only a ten percent increase in enrollment was expected, the outlook for U. N. M. is very encouraging.

The total enrollment as recorded in the Registrar's office to date, is two hundred and eighty-four, while new students are still entering. Of this number, two hundred and eleven are enrolled in the College of the Arts and Sciences, while fifty-five have entered the College of Engineering. The strong contrast to conditions a few years ago, the division between the sexes is as follows: one hundred and fifty boys, of which ninety-five are enrolled in the College of Arts and Sciences; and one hundred and thirty-four girls—all in the Arts and Science.

In the Engineering school, with fifty-five men enrolled, the Freshman is by far the largest class with twenty-six. The Sophomore class has thirteen, the Junior, eight and the graduating class numbers eight in comparison to none last year. The Engineering Department is in fine shape this year, with the addition of considerable new equipment, including a planer, a lathe, and a shaper which were all given to the Engineering school by the Santa Fe shops. These machines were quite badly needed in the work. Last year's faculty is intact and Dean

STUDENT BODY HOLDS FIRST ASSEMBLY

Miller Chosen as Cheer Leader;
Popejoy and Morgan Elected
to Other Student Offices.

The last Weekly Assembly which was in the hands of the Student Body, witnessed the accomplishment of considerable business pertaining to the student organizations and the progress of various activities during the year. The student elections were completed to fill vacancies in offices of the Associated students and the yell leader for the coming year was chosen.

The opening of ceremonies was rather unusual to say the least as it consisted of a march and song of the newly initiated. Eucurequibles. After a brief delay in getting started, they rendered the national hymn of Siam in a most pleasing manner and were vigorously applauded by the audience. President Horgan of the Student Council, then took charge of the meeting and started the business of the day. After various announcements, Horgan called for candidates for Varsity cheer leader. Pat Miller responded and after leading several yells proved to the satisfaction of everyone that he was well qualified for the job. Roy Hickman then made several remarks relative to the Mirage for this year. He stated that in all probability this year's publication would be the largest, finest, and most complete in the history of the school; but he made it clear to the student body that unless co-operation was guaranteed to the staff at all times the whole plan would be a failure. He further urged that an amendment to the Constitution of the Student Body be made in order to insure the success of the Mirage in future years by providing that all students should be required to pay two dollars at the beginning of each semester to this fund.

The election for the two vacancies in the organization was then held. Miss Esther Morgan, who was unopposed for the office of Secretary-Treasurer, was unanimously chosen, while John Popejoy, captain of the

U. N. M. DRAMATIC CLUB HOLDS PRE- MIER MEETING

Miss Helene Jackson Elected
President; Many Plans for
Coming Year.

Miss Helen Jackson, as last year's president, presided at the first meeting of the U. N. M. Dramatic Club, which was held for the purpose of organizing the Club for this year's work. Although there was only a small attendance at the meeting, the officers were elected and plans for activities during the coming semester were discussed.

Miss Jackson was unanimously elected to succeed herself in consideration of her able work last year. Miss Dora Russell was chosen as Secretary-Treasurer of the Club. The president then told the Club of the various plans for this year. While last year, only one play was given and that before the Student Body, it is hoped to give one long play each semester and perhaps have the performance downtown. If possible, Miss Jackson hopes to prepare a play to be given before the Teachers' Association which is to meet here the latter part of November.

To this end, upon the motion of Mr. Benjamin, she was empowered to select a committee to consult with Mr. Burton of the High School as to plays which the Dramatic Club could use, and also as to the possibility of securing his services in coaching such a play. Miss Jackson appointed on this committee Mr. Fred Wagner, Mr. Dale Snyder and Miss Margaret Gusdorf. They will see Mr. Burton and report to the Dramatic Club as soon as possible.

Announcement was also made of a banquet to be given next Saturday evening in honor of the visiting Denver University team, and of the All-University dance which is to be given afterwards in Rodey Hall.

DIECKMANN SUMMARIZES ATHLETIC OUTLOOK AT U. N. M. FOR 1922-1923

With the beginning of the Football season, it becomes necessary to pay some attention to the University's schedule this year. The whole schedule shows an improvement over that of last year. Our chances to put the State University of New Mexico on the athletic map loom larger than ever heretofore. The greater schedule puts the University under greater financial obligations, and therefore the support of everyone interested will be needed to meet the demand that is entailed by such a schedule.

At the present time, Football and Track are the only sports which are classed as Major sports and are under the direct supervision of the

LOBOS TO LEAVE FOR BOULDER NEXT THURSDAY

Next Thursday evening, the fighting Lobos will leave for Boulder, Colorado, where they will meet the University of Colorado football team, Saturday, October 14th. According to present indications the U. of C. team will not be so strong as in former years as it has been weakened by the loss of the stars on last year's team, while the Lobos will go up with a strong team, which may however be somewhat weakened by casualties in the game with D. U. At any rate, they will leave with all the hopes of U. N. M. behind them rooting for them to win. There will be football rallies toward the last of the week and a big send-off for them on the night that they leave. Notices will be posted on the bulletin boards and every man, woman or child that possibly can, be there and cheer them on their way. According to present plans there will be sixteen men, Coach Johnson and Manager Hangar who will make the trip. Remember—be there at the Santa Fe station to see them off.

LOCAL COMMITTEE ON RHODES SCHOLARSHIP IS APPOINTED

Selection of Two Candidates
From U. N. M. to Be Made
Before October 14.

Dr. David S. Hill last week formally announced the personnel of the local committee on the Rhodes Scholarship which would select the two representatives from the University of New Mexico to appear before the state board later in the year. It is headed by Dr. Charles F. Coan as Chairman and includes Dr. George S. Hubbell, Mr. Roy M. Johnson, Dr. Edna Mosher, and Professor Charles E. Carey. This committee must make its selection before the fourteenth of October, and Dr. Coan has asked all candidates to present their applications before that date.

While the Rhodes Scholarship is not very well known in this part of the country, it is regarded as one of the greatest and most desirable honors that one can secure in many states. It is indeed well worth striving for as it takes the winner

(Continued on Page 2)

Athletic Council. Basketball and Baseball are entirely dependent on the financial outcome of the Football season, while Track is only partially self-supporting. Since these other sports do depend upon the proceeds of the Football season, it is of the utmost necessity that Football be well supported. The students, if they wish to help most, can aid in the sale of tickets to the townspeople. It is necessary that we have this outside support to carry us through, and we have every reason to believe that the people of the city will give their utmost support in helping to carry our schedule through to a successful completion.

Mr. Dieckmann is thoroughly confident that if we complete this year and come out ahead in a financial way, we will soon be able to put our sports on the basis of Major School activities.

ANNUAL HIGH JINKS AT THE DORMITORY

Eucurequibla Stages Fashion Show
with New Models and Beautiful Mannikins

Eucurequibla has arisen again, and let the University in general, and the new girls at the Dorm in particular, know that they are actively in existence. This ancient and honored organization perpetuates itself at the girls' dormitory and through dormant practically all of the year, the Divine Rulers appoint a day shortly after the beginning of each semester when the green and foolish are initiated into the order. At those times the campus becomes suddenly and violently aware of the occurrence.

This year the annual Fashion Show of Eucurequibla greatly exceeded all past performances. The costumes were attractive to an extreme, the mannikins were very well trained and very beautiful, and their appearance before the student body was well timed for the proper appreciation. The directors of the Show are to be congratulated on its successful completion. Among those who were especially active in this respect were Miss Molly Culpepper, Miss Elizabeth Shepherd, Miss Effa Carter, Miss Elsie Ruth Dyke, and Miss Frances Rogers, while Miss Edna Mosher was chaperon.

Among the costumes that were worthy of mention were the following:

Miss Ruth Bursum wore the latest in country garb for early morning wear. She had an underskirt of vivid green silk which hung almost to her ankles, surmounted by an abbreviated smock of blue and red cheesecloth. She had a white sun-bonnet figured with red roses, while with her she carried an alarm clock. She was quite the picture of verdant innocence, an effect which was heightened by her frequent professions of love for various gentlemen on the campus.

Miss Sally Bowman was very striking in a henna colored evening

(Continued on Page 2)

SIT IN THE CHEERING SECTION SATURDAY

SOCIETY

Saturday night, October the 7th, the first All-University Dance of the year will be given in Rodey Hall by the Student Body in honor of the visiting Denver University Team, although it is possible that they will be unable to stay for it. Plans have been made by the Student Council for obtaining a good orchestra and serving light refreshments. It is possible that these dances which were formerly a regular institution at U. N. M. may be revived and given frequently the remainder of the year.

The local organization of the Y. W. C. A. entertained at the recreation rooms at the University in honor of the new girls here, last Tuesday afternoon. Light refreshments were served after a pleasant get-together hour.

KAPPA KAPPA GAMMA ENTERTAINS AT AUTUMN TEA DANCE

Gamma Beta chapter of Kappa Kappa Gamma entertained their rushees at an afternoon tea dance last Friday from five to seven o'clock. The party was given at the Country Club, which was attractively decorated in streamers of gold and blue, with golden sunflowers suspended from blue ribbons. The dance programs were in the sorority's colors of blue and blue, and bore the Kappa crest in gold.

Late in the afternoon tea was served in the dining room where Mrs. Jerre Haggard and Mrs. T. E. Whitmer poured.

The guests of honor wore small old-fashioned corsages, and were given favors of hand-painted handkerchief cases with dainty embroidered handkerchiefs.

The guests were: Messrs. and Mesdames Guy L. Rogers, Thor Kolle, William White, Harry Ackerson, Allen Bruce, Jerre Haggard, T. E. Whitmer, Edward Lighton; Misses Edna Mosher, Josephine Milner, Margaret Smithers, Katherine Owen, Tinsley Burton, Pearl Burns, Barbara Nell Thomas, Ruth Bursum, Loren Burton, Wilma Snyder, Mollie Culpepper, Helen Stowell, Mary Wilson, Elizabeth Shepherd, Ruth Daughtery, Clair Bursum, Norma Williams, Hellen McArthur, Margaret Lee, Hazel Hawkins, Louise Bell, Anita Hubbell, Irene Boldt, Messrs. Edward Horgan, Pat Miller, Bruce Hanger, Dale Snyder, Alfred Bunn, George Owen, Ralph Payton, C. Charles Culpepper, Roy Hickman, William Sganzi, John Pope Hay, George Savage, Walter Berger, George Bryan, William Hale, William Roy, Robert Cartwright, John Whittier, Dean Waite, Willis Morgan, Dan Burrows, Harold Sellers, Louis Hesselden, Robert Hope-well, Hugh Cooper, Walter Ward, Vernon Wifely, P. D. Miller, George Smithers, George Stevens, and Charles Barber.

SORORITIES ANNOUNCE PLEDGES

Sunday, October the 1st, was Bid Day for the Greek Letter Sororities at U. N. M. and brought to an end this semester's rushing season which has been as exciting as in past years if not more so. Bids were issued by Miss Mosher, Dean of Women, to the recipients at four and the girls were formally pledged to the sorority whose bid they had accepted. The following pledges have been announced.

Alpha Delta Pi—Miss Nila Wingfield, of Artesia, New Mexico; Miss Sally Bowman, of St. Johnsbury, Vermont; and Miss Miriam Harrold, of Danville, Illinois.

Alpha Chi Omega—Miss Fay Strong, of Albuquerque; Miss Helen Hemlin, of Albuquerque; Miss Dorothy Goelitz, of Albuquerque; Miss Leona Beyle, of Albuquerque; Miss Helen Kimball, of Albuquerque; Miss Helen Wylie, of Cuba, New Mexico; and Miss Gertrude Soash, of Joplin, Missouri.

Kappa Kappa Gamma—Miss Katherine Owens, of Los Lunas; Miss Pearl Burns, of Carlsbad; Miss Barbara Nell Thomas, of Carlsbad; Miss Ruth Bursum, of Socorro; Miss Tinsley Burton, of Albuquerque; Miss Margaret Smithers, of Albuquerque; and Miss Josephine Milner, of Albuquerque.

Phi Mu—Miss Elizabeth Cooper, of Albuquerque; Miss Juliet White, of Albuquerque; Miss Saverne Dixon, of Albuquerque; and Miss Elzeda Crumley, of San Marcial.

After the pledges had gone to their respective places, the sororities were at home to University students and invited guests, when they formally introduced their pledges. Phi Mu entertained at their chapter house on East Gold Avenue from four to six. Light refreshments were served, with the patronesses presiding at the tea table. Alpha Chi Omega was at home to their guests at 121 Vassar Avenue, from four to six while Kappa Kappa Gamma received from six-thirty to seven-thirty at the home of Margaret Lee.

Fresh—"Dr. Coan, don't you suppose that Adam and Eve made sugar? They had Cain, you know."

Prof. Coan—"I suppose they tried and failed because they weren't Abel."

LOCALS

Mr. Taylor, the Registrar, addressed the Mountainview Farm Bureau Association last Friday night at the invitation of County Agricultural Agent, Lee J. Reynolds. He spoke on the extension work in Louisiana, in which he was engaged before taking the position of Registrar.

Professor Ellis of the Geology department of the University has lately received an invitation to read a paper before the American Association of Petroleum Geologists which will meet in convention in Denver on October 26, 27, and 28.

In Assembly on Friday morning it was made known that all Freshmen who did not report to line the Football field when their names were posted would be dealt with in any manner in which a Sophomore vigilance committee should see fit.

On last Monday night Professor Hubbel gave a talk before the Business and Professional Women's Club of Albuquerque, and on Friday night he told stories for the pupils of the Rio Grande Industrial School. Following Professor Hubbel's talk to the school, it was arranged that Dean Mitchell should address the faculty of the Rio Grande Industrial School on Monday, October 2nd, at four o'clock.

Miss Helen McIlvane, of Roswell, New Mexico, who attended the University several years ago is visiting Miss Juliet Fleisher for a short time and will probably remain until after the D. U. game Saturday. Miss McIlvane is a member of Alpha Chi Omega and will be remembered as the winner of the Beauty Contest in 1920-21.

Claude Mann, Lobo, and former All-Southwestern quarterback, was a visitor at the Sigma Chi House and the football field last week. Mr. Mann is on his way to Washington, D. C., where he will take up law at Georgetown University, this winter.

Coach Johnson has announced that a big cross country run will be held immediately after football season, and a call has been issued for cross country men to begin training for the run. The response has not been heavy, and only three men are out for the event, Bernard Scarborough, Roy Gilbert, and F. Stephens.

The Sigma Chi House has displayed since Tuesday a huge banner bearing the inscription in gigantic letters, "Beat Denver."

Kelly, a Sigma Chi from the University of Utah, now connected with the United States Veterans' Bureau, visited the Sigma Chi House this week.

That the University is becoming increasingly popular in southeastern New Mexico as an institution of higher education is strikingly evidenced by the fact that more students from the Pecos Valley are attending the University this year than ever before, a total of twenty-eight students in all, of which number fourteen are from Roswell, six from Artesia, four from Portales, three from Carlsbad, and one from Clovis.

CO-ED REFLECTIONS

Now that the Tent Company has finished our new floating center's foot ball suit, wouldn't it be awful if he should accidentally split it?

The races or the rolletta wheel has nothing on the excitement and suspense of bid day. Many a noble quarter changed owners last Sunday.

Have you a little yell leader in your home? U. N. M. has only one—we were expecting twins at least.

To give your artistic soul freedom of expression go on and contemplate the beautiful ditch across the campus. The Mexicans lend that touch of local color so absolutely necessary.

Eugene has stalked forth stripping the "Coat of Civilization" from the new additions and presented them fresh and natural to the waiting world. Oh death, where is thy sting, oh, boys where is my paint?

Personally, we don't object to the aforesaid society's holding public initiation, but if the present practices are to be continued in years to come, we would like to suggest that the neophytes be furnished with identification badges for the convenience of the rest of the college.

Which serves to remind us that the high and noble Order of Shifters are once again propagating the high and noble principles among the new crop of Freshmen so that they too may participate in the manifold benefits—someday.

Especially as it has now reached the point that—as one of the sor-

ority girls said—that it is a wise active who can tell the rushees when she sees them.
