Varsity and Miners Clash Saturday

First Game of Season to be Played
On Varsity Field at 2:30, October
18th.

Coach McGough will lead his football squad into the initial game of the season next Saturday on University Field, when the Varsity clashes with the football aggregation representing the New Mexico School of Mines. The "dope" on the Mines team is very scarce, but rumor reports a heavy line and fast backfield. Some of the wise ones are predicting that the Socorro boys will have a surprise for us. In any event, the game is sure to give Varsity supporters a good line on our team and its prospects.

The Coach has been giving the squad a strenuous work-out during the past week, and the "weaker sisters" have been about all weeded out, and the men who remain are those who really want to play football. Several of the men who have been "out" on account of minor injuries are reporting again. Gray, Hopewell, Shipley, and Gerpheide are all out for practice again, and Greenleaf, who has been missing from tackle position for several days is expected back in the line soon.

Mr. McGough's coaching is showing good results for the short time he has had the team in hand. The line, though still green and light, is learning, and the men in the backfield are showing up good individually, with the Mann brothers as the stars. The Coach has had the squad doing some sprinting this week, and has discovered some speed that should prove valuable with training. The scrimmage with the scrappy High School team last Friday brought out some weak spots, as it was intended to. Every man in uniform was given an opportunity to "show what he had," and several men surprised themselves as well as the Coach. Our backs, including Claude and Grant Mann, Sganzeni, and Gerpheide looked good. The line was only good in spots, and the High School backs sifted thru rather freely at times. However, another week will remedy much of that trouble, and the team should be fifty per cent stronger when it goes into the game with the Miners next Saturday.

Coach McGough and Temporary Manager Hammond are making arrangements to handle a good sized crowd at the game Saturday, as much interest is being displayed by the townspeople, and many of them are looking forward to this game as an opportunity to size up the Varsity team. Of course all students and alumni will be on hand to "root". Presentation of registration receipt showing payment of the student activities fee, will admit all students to the game free of charge.

INTERCLASS FOOTBALL

An interclass football game is being arranged between the Freshman and Sophomore teams. Both classes are well represented on the gridiron and a hotly contested game is anticipated. This game will mark the revival of intra-mural athletics at the University, made possible by the greatly increased enrollment. In pre-war days interclass athletics were a feature of Varsity life, and it is the intention of the authorities to develop this side of athletics and provide means for the active participation of as many students as possible in some form of outdoor sport.

A schedule of games for the Freshman eleven includes the Indian School, High School, Menaul and others. The Freshman line-up has not yet been announced.

BEWARE!

The Kiyote Klub announces the pledging of four "pups." The honored men are Davenport, Ward, Hite and Martin, and the brilliant red and green ribbons and big safety pins worn by them have attracted attention both on the campus and down town. One of the "pups" had the experience of being congratulated by a Freshman girl, who later asked him what "it" was.

The remaining new men in the Dorm are living in fear and trembling as each day brings its rumor of a coming foray of the "Pack." Just a howl or two, and the most curious Freshman immediately becomes very much interested in his studies.

Varsity Calendar

A Varsity Window

The east window of Matson's book store is given over this week to a University display. The window is very neatly arranged, showing University pennants and fraternity and sorority pennants and shields, with the garnet and silver of the Varsity predominating.

Stewart MacArthur has been pledged to Pi Kappa Alpha.

Students to Fill Vacancies in Office

Nominations Have Been Posted on
Bulletin Board as Required by
Constitution.

A call for an election to be held in Rodey Hall, Friday morning at 10 o'clock, has been issued by President Richardson of the Student Body. At that time an editor for the Weekly will be chosen, also an editor for the Mirage, and three members of the athletic council.

In accordance with the provisions of the constitution which state that nominations should be posted a week in advance of the election, the following nominations were placed on the bulletin board. For Editor of the Weekly, Donovan Richardson and Clyde Morris have been nominated. Both are members of the Senior class and have taken all their college work at U. N. M.

Three members of the Athletic council are to be elected. Four nominations have been posted. They are, Chester Boldt, Senior; Rex Craig, Junior; Burch Foraker, Junior, and Richard Bruce, Sophomore.

Only one name has been proposed for Editor of the Mirage, that of Anne Cristy, a Senior.

The election of Editors for the two Varsity publications was made necessary because of the failure of those elected last year to return to school this year. Allen Williams, who was to be in charge of the Weekly, is now attending Colorado University, and Rebecca Skipwith is at her home in Roswell.

The athletic council was just recently created by an amendment to the constitution. The members elected Friday will be the first to hold office.

STUDENT COUNCIL MEETS

The hold-over members of the Student Council, including Don Richardson, Frances Bear, George Gentry Mayme Hart, Chester Boldt, and Perkins Patton, met Thursday at noon to take care of a few urgent matters.

The principal business was the appointment of a temporary manager of the football team, pending the election of the Athletic Council. Ernest Hammond was named as temporary manager, and will hold office until a permanent manager is chosen by the Athletic Council. "Ernie" had already offered his services to the Coach and he and one or two other old men have been helping out in the matter of looking after property and equipment, Coach McGough having his hands full in taking care of the squad and arranging the schedule.

The Council also approved the bills for the reception to new students, and discussed the matter of Freshman conduct.

AROUND THE WORLD WITH THE AMERICAN RED CROSS. In Belgium.

Hunger, disease and exposure were not all that Belgian children were subjected to, for enemy shells constantly dropped into what little of their country the invader did not hold. In this picture Red Cross nurses are seen taking some of the fifty babies from the American Red Cross nursery at La Panne into a bomb-proof structure as the Germans opened fire from the sea.

COMING ELECTIONS

For almost the first time in two or three years, there has been more than one student nominated for a student body office. It is the first time in that period that more than a desultory interest has been shown in elections.

Evidently the school is waking up and the students have become interested in the future of the school. Let us hope that there will be no more of that attitude which has been so prevalent on the campus, the attitude which causes a man to have to take an office that he doesn't want, because there is no one else to do it.

Use your own judgment and vote for the person you think best fitted, for the office for which he is running. If you do not know the candidates, or their qualifications, look them up before Friday, and be prepared to vote intelligently then. Every student should be present and express his choice.

A Business Proposition.

Judge: "I'm going to fine you five dollars for the chickens you stole the last two weeks."

Rastus: "How'll it be if Ah pays seven-fifty, Judge? Dat'll pay foh up to an' includin' next Saturday night."

Embarrassing Subject.

"Your late husband wants to speak to you from the spirit world," said the medium.

"Just a moment, before you put me in communication with him," said Mrs. Growsper. "If he starts to ask me what I did with his life insurance money, you cut him off short or I won't pay your fee."—Birmingham Age-Herald.

Mrs. Knaggs: "John, why do you talk in your sleep?"
Mr. Knaggs: "It's the only chance I get."

The pessimist is a lucky guy—he expects nothing and gets it.

Wished Him Luck.

It isn't exactly a common occurrence to find a man standing in a public highway holding a ram by the horns and the passer-by was interested.

"Will ye please hold on to this beast while I climb the fence and open the gate?" asked the man politely.

"Certainly," replied the stranger and he did so.

"Thanks," said the man from the other side of the fence. "The brute attacked me an hour ago and we've been struggling ever since. But so long as ye hold his horns he can't hurt ye. And I wish ye the same luck in getting away as I've had."

IN THE LABOR WORLD

Lynn, Mass., with over 100 factories, is the leading shoe city in the world.

Before the year 1850 practically every shoemaking process was a hand process.

Of the world's boots and shoes more than 47 per cent are made in Massachusetts.

Kansas farmers will pay \$5 a day, room and three meals a day for harvest hands this year.

The Belgian match industry, which was badly crippled by the war, is again on a sound basis.

More than \$360,000,000 is now invested in American shoemaking and more than 200,000 wage earners are employed.

During an attempt to put down a strike near Sombarheek, western Hungary, 108 railway men were killed. The strike is continuing.

Through a mediator the Structural Iron Workers' union of Peoria, Ill., secured a new agreement which gives it a raise from 76½ to 85 cents per hour.

Nearly 1,000 charwomen employed in the Dominion government offices at Ottawa have formed a union with a view of obtaining an increase in wages.

Twelve hundred members of the Elie Drivers' union at San Francisco are demanding \$8 for journeymen and \$9 for foreman, being an increase of \$1 per day.

Female school teachers in the United States are fast organizing unions to demand more pay and recognition in the conduct of schools by representation on local boards.

The Brantford (Ont.) Trades and Labor council, in common with all other union men throughout Ontario, are urging on the government the enactment of an eight-hour day.

The seamen's strike, which has tied up the coastal trade of Australia and many of the ocean-going steamship lines, continues in spite of the offers of arbitration made by the employers.

The convention of the Brotherhood of Locomotive Firemen and Engineers at Denver, Colo., adopted resolutions urging that Eugene V. Debs and Thomas J. Mooney, now in prison, be freed.

Organization of a teachers' union to be affiliated with the American Federation of Teachers, which is associated with the American Federation of Labor, was decided upon by Newark (N. J.) teachers.

All the big shops of Hartford, Ont., have adopted a standard eight-hour day for their employees. The big Cocks-hutt plant, the Verity company and the Massey-Harris factory are among those which have established the new hours of labor.

The 2,200 men who have been on strike at the Pusey & Jones shipyard at Gloucester, N. J., on the Delaware river, returned to work. Their grievances will be arbitrated. The strike occurred a week ago when the rivet counters struck for \$35 a week instead of 68 cents an hour. The riveters have asked for \$6.25 per 100 rivets instead of \$5, the present wage.

I'LL SAY SO!

My parents told me not to smoke; I don't.

Nor listen to a naughty joke; I don't.

They told me it was wrong to wink at handsome men, or even think about intoxicating drink; I don't.

To dance or flirt was very wrong; I don't.

Wild girls chase men and wine and song; I don't.

I kiss no men, not even one—In fact, I don't know how it's done; You wouldn't think I have much fun; I don't.

—Life.

SOCIETY

Y. W. C. A. PARTY

An interesting get-acquainted party was given Saturday afternoon in Rodey Hall by the local branch of the Y. W. C. A. A number of games were played such as "Getting Acquainted" and "A Cracker-Eating Contest." All formality was laid aside and the afternoon was given over to fun. Punch and wafers were served. This is the beginning of a number of Y. W. parties which will be given during the year.

Miss Hutchinson, Y. W. C. A. secretary of the middle western branch, was a visitor on the Hill last week.

S. X. DANCE

A dance was given at the Sigma Chi fraternity house Friday night by the active chapter. The doors between the living room, hall and den were thrown open and a large crowd accommodated. Music was furnished by Blueher's orchestra.

K. D. N. AT WOMAN'S CLUB.

Kappa Delta Nu entertained with a dance at the Womans Club Saturday night. Large dahlias were the flowers used and the mantelpiece was attractively banked with ferns and nasturtiums. Punch was served during the evening. Those present were: Kathrine Shotwell, Sarah Herrick, Helen Darrow, Dorothy Stephenson, Violet John, Mayme Mills, Beatrice Selsor, Dorothy McAllister, Kathleen Darrow, Jesse Venable, Alice Lewis, Ruth Tompkins, Katherine Conway, Claire Burson, Frances Bear, Hortense Switzer, Mrs. Graham, Mrs. Hughes, Fred Grey, Clyde Morris, Johnnie Scruggs, Burch Foraker, Rex Craig, Evans Barney, Jack La Pralk, Bob McAllister, Tom Bunn, Fletcher Short, Clifford Wolking, Hiram Herkenhof, J. L. Samson, Chet Boldt, Leslie Boldt, Dwight McClure, Don Richardson, Frank Steed, Ralph Hernandez, Swede Olds, Allen Bruce, Mr. Graham, Mr. Hughes, Pete Branlet.

DRAMATICS BEGUN

A meeting of the Dramatic Club was held last week and plans were discussed for dramas for the coming year. Miss Hickey, Miss Oakley, Mrs. Wittmeyer and Professor Hill each gave a short talk and kindly offered their assistance to the dramatic club. With the new brown velvet curtains and a large membership roll the future of the "Little Theater" looks very promising.

An optometrist is one who refracts or "tests" the eyes without the use of drugs or drops. He never treats diseases of the eye, specializing in the fitting of glasses.

Optometrists are the only specialists who are required by law, in any state, to qualify themselves for this work. My one and only Specialty is the refracting of the eye, and the fitting of "Eyeglasses that Satisfy" for the relief of all abnormal strains which impair the vision, waste the vitality, and lower the sum of human efficiency.

TRACK

Track practice is now under way on the Varsity track. Coach McGough has ordered his track stars out for a light Fall practice. An individual track meet is being arranged for the near future. Series of runs and relays are planned for, in connection with the big football game on Thanksgiving Day.

The Coach would like to see more men out for track. Under-classmen are especially urged to sign up.

PEN POINTS

Study won't hurt you. Try it instead of queening.

Don't forget that you are in a University and not a Prep School. Adjust your bearings Frosh!

Bring your "pep" along with you to the game Saturday, Miss Lotta Jazz will be there. If you don't know what "pep" is, or if your supply is short, come to the meeting Wednesday morning, Freshmen, you are expected to know those yells Saturday.

Keep off the field. Ladies sitting in machines would like to see the game also. Be a gentleman—you are in college now.

Some men are dropping out of football practice: Weak back or weak head?

DO YOU KNOW?

The two girls who followed a certain young man all the way up the Hill Sunday night?

The girl whom Euqreuqubla has special designs on?

Who had every other one at the Sigma Chi dance?

BREAKFAST

Charley—Hey, Pat! What do you know: I went to breakfast this morning.

Pat—Hmp! That's nothing to get excited about. I went to breakfast every day for two days, once.

Charley—I beat you; I only went every day once.

Pat—Well, there was some excuse for me. I was a Freshman and didn't know any better.

"PEP" MEETING WEDNESDAY

University students will hold their first "Pep" meeting of the year Wednesday morning at eleven o'clock in Rodey Hall. Everybody should come

"full of pep" for it is going to be a "regular old pep meeting," according to Coach McGough, who will be in charge of the meeting.

Several students will speak besides Mr. McGough, who will probably be the principal speaker of the evening. This is the best opportunity for new students to learn the yells and a time for every one to get their "chatter boxes" in first class order and then come out to cheer the U. N. M. eleven to their first victory of the season when they play the New Mexico Miners, Saturday, October 18th.

It is true of any school team that they can play their best when the student body is behind them and the best way we can show that we are backing them is by giving "The Team" and other college yells with all the pep we can muster up. Show them we are pulling for them to win! Remember the two dates—Wednesday at eleven o'clock in Rodey Hall for a real pep-inspiring meeting, and Saturday at two o'clock on the U. N. M. field to yell for the University eleven. Remember, "pep" means a lot to the team and the victory means a lot to the school, so come show your "Pep"!

The appearance of four girls with mysterious skull and cross bones painted in black on their fore heads announced the beginning of the sea-

son for Euqreuqubla. Every Freshman having heard rumors of the terrors of this organization has been in fear and trembling since school began and now that the real initiations have begun, muffled screams and queer sounds issue from Hokona at weird hours.
