## EXCELLENT FOOTBALL IN PRACTICE GAME

### The Good Football Saturday Insures a Strong Team in the Colorado Game.

Saturday at 2:30 p. m., the "Lobos" squared off and scrapped. Considering the fact that both teams knew the signals, the weak points and the strong points of the other, it was a very good game. It was the first game of the season, and in the beginning stages was characterized by a little unsteadiness and fumbling of the ball.

The first team came away with the long end of the score, defeating the second squad 20-0. Despite the fact of their defeat, the "Scrubs" played a very good game and showed up some exceptional material. A. Sganzi showed real class in carrying the ball, and made most of the gains for the second team. His punting was also very good. W. Sganzi, who started out on the first squad but was switched to the second when Miller was injured, played a fine game and gained consistently through the line. Miller's work at quarter was exceptionally good, but he was forced to the side lines in the first quarter with a sprained ankle. Wilfly, center on the second, proved to be a steady man and a splendid tackler.

The first team was handicapped by having only three men in the backfield. The men who were there, however, proved themselves equal to the extra burden. "Cap" Mann at quarter, with Gerphiede and Bevins to back him, was a hard combination to beat. All three broke through the line repeatedly for gains. Gerphiede and Mann got away for some pretty end runs and twice Mann ran back punts over fifty yards.

McArthur played a good game at end. He picked up a fumbled ball in the second quarter and stepped off 48 yards before he was thrown down. Blondy Booker, who was held together with bandages, scrapped for every inch of his 150 pounds, while Ben Gerphiede stopped 'em on the other end of the line.

#### Game by Quarters.

First Quarter—Gerphiede kicked off to Miller, who carried the ball back 12 yards. The first play resulted in a fumble and McArthur recovered the ball on the second team's 15-yard line. Gerphiede then went through the line for four yards, when the ball was fumbled again. Gioni recovered it on his 12-yard line. The second team was held for three downs and Sganzi kicked. Mann carried the ball back to the 12-yard line again. A 15-yard penalty and a loss of 10 yards on a bad pass from center threw the first team back. Mann tried a drop and missed. Miller caught the ball and carried it back five yards. F. Sganzi went through for four yards, and Miller for three yards. Mann held on the next down and F. Sganzi punted to Mann who ran it back to the 25-yard line. Bevins charged through the line for four yards. Gerphiede made 20 yards around end and Mann went through the line for a touch down. He failed to kick goal.

## MR. GALE SEAMAN VISITS UNIVERSITY

Gale Seaman, a very welcome visitor on the hill, was with us Sunday. In the afternoon he met with a group of fellows interested in the religious aspect of life, and again in the evening with another group. Mr. Seaman is very much interested in the organization of a student "Y." Watch for the announcement of a meeting this coming week.

## LOBOS LEAVE TO MEET THE COLORADO TIGERS

### N. M. U. Football Aggregation Will Play in Colorado Springs Saturday, October 9th.

The University of New Mexico football squad, which has been "dubbed" by the football enthusiasts on the hill as "The Lobos," will leave Thursday night on No. 8, at 9:30, for Colorado Springs to meet the Tigers. Coach Johnson will carry a full traveling squad and expects to make this game interesting for the Colorado boys.

Reports from Colorado show that the Colorado team will outweigh the Varsity boys at least 10 pounds. That their ends are very fast men, and that their back field will be heavy and slow. With a heavier line than last year, and a back field which will be as good or better than last year and a number of experienced players back, the Lobos will be able to play football with the best.

## MEN'S FRATERNITIES ANNOUNCE PLEDGES

The Pi Kappa Alpha Fraternity announces the pledging of the following men: Mr. Dow and George Hite, of Las Vegas; Mr. Dunegan and William Hale of Roswell; Dale Snyder, Lawrence Lovett and Fred Sganzi of Albuquerque.

The Sigma Chi Fraternity has pledged the following men: Max Ferguson, Wilbur Rossington, Tom Hughes, John Gioni, Dean Wait, Ben Gerphiede, Bruce Bevins, Bruce Hanger and Richard Angle.

The following men have pledged Alpha Delta: Edward Morgan and Willard Stoffer.

## NEW SPANISH CLUB TO BE ORGANIZED

### Only Advanced Students Eligible For Membership This Year.

Many inquiries have been made regarding the re-establishment of the Spanish Club. It is the plan of the Spanish department to organize a club slightly differing in its requisites of last year. It is probable that only an advanced student or those strongly interested in the subject will be eligible to membership. Plans are now under way for having a meeting of those interested and announcement will be made in The Weekly, or on the bulletin board.

## "MATTER WITH AMERICA."

C. E. Knoepfel, in Graphite. "What's the matter with America these days?"

Too many diamonds, not enough alarm clocks.

Too many silk shirts, not enough blue flannel ones.

Too much decollete and not enough aprons.

Too many consumers and not enough producers.

Too much oil stock and not enough savings accounts.

Too much envy of the results of hard work and too little desire to emulate it.

Too many desiring short cuts to wealth and too few willing to pay the price.

Too much of the spirit of "get while the getting is good" and not enough of the old-fashioned Christianity.

Too much discontent that vents itself in mere complaining and too little real effort to remedy conditions.

## UNIVERSITY DEBATORS RECEIVE CHALLENGE

### Debating Society Being Formed to Accept Challenge From Arizona University.

Those interested last year in debating are in receipt of a letter from the Debating Society of the University of Arizona requesting the fulfillment of an old contract for a debate to be held in Tucson. The letter expresses the hope that there will be nothing to prevent the debate from being held.

While all but one of last year's team have graduated, we have as good prospects of putting out a winning team this year as any. With this in mind, those interested have put a notice on the bulletin board for signatures of students concerned.

## PI K. A'S BUY NEW HOME ON EAST SILVER ST.

An addition to the number of houses owned by fraternities was made by the purchase of the Wait residence on Silver avenue, by the Pi Kappa Alpha fraternity. The location is an ideal one for a fraternity house, as it is near the campus. A great deal of new furniture has been purchased and the house made very attractive. The Pi K. A's are fortunate, indeed, to have a home of their own and each purchase of fraternity property is welcomed by the University, as it greatly relieves the crowded housing conditions.

The Alpha Chi Omega fraternity has rented a bungalow on Stanford street, and will live there until further arrangements are made. Miss Shelton, University librarian, is acting as chaperon.

## BROWN TO HEAD THE SECOND-YEAR CLASS

### MacArthur to Be Student Council Representative.

The last of the class elections, with the exception of the Freshman election, are over. The Sophomores held theirs last Thursday. The millennium must be here, because, unlike last year, this election passed off in a most orderly manner, and an excellent staff of officers was elected: Arthur Brown, president; Lorena Burton, vice president; Johnnie Whittier, secretary-treasurer, and Stuart MacArthur, student representative.

After the coming student body election is over we can turn our attention to less important matters, like national politics.

## WITH MALICE AFORE-THOUGHT.

Old Bill Holcomb, the town's leading character, had gone into the barber shop for a shave. At every stroke the tonsorial artist was asking: "Does it hurt? Is the razor all right?"

But after ten minutes Old Bill lost his patience. Upon the barber's next query: "Does it hurt?" he yelled: "Hell's bells, no! Is it supposed to?"

## POOR BATHING COMPANION

"Hammond, La.—Miss Emma Breckwoldt, daughter of a hotel-keeper here, was suffering from severe injuries today, the result of an attack while bathing last night by an alligator.

## THE STUDENT COUNCIL HOLDS FIRST MEETING

### New Freshman Rules Formulated At First Gathering of Great Student Council.

The new Student Council met in its first session last Friday, formulated new rules for freshmen, decided to establish some new traditions, and discussed at length what steps could be taken to best aid in making the U. N. M. bigger and better.

One of the paramount results of that meeting was the unanimous vote to make the Student Council an organization worth while, and a tangible asset to the president of the University in his efforts to enlarge the institution.

The new freshmen rules are very reasonable and the Student Council expects their execution to the letter. In conforming with these simple rules, it is hoped that the freshmen will soon realize that this is no high school, but a real university. The new rules were immediately placed on the bulletin board and every upper classman is charged with seeing to it that they are carefully observed. Any freshman who will enter into the real spirit of affairs by their observance, will soon get the Old Spirit, and next year will come back, proud of the fact that he is an upper classman. Violators of the rules will be cited to appear before the august Student Council, which will be in session every Friday afternoon, and give reason why he or she should be allowed to remain on this splendid sphere.

The personnel of the new Council is as follows: John Scruggs, president of the student body; Fletcher Short, president of the senior class; Charlie Caldwell, president of the junior class; Sam Rosenbach, Mayme Hart, Willard Hopewell, and Stewart McArthur, representatives to the Student Council.

## KYOTE CLUB STARTS YEARLY ACTIVITIES

### "Mizzouri" Goes Fishing But Was Out of Luck.

The Coyotes are upon us! Once more this ancient and honorable organization makes its presence felt and Freshmen quake in their boots. Weird sounds have been floating about Kwataka and the red and green ribbons with their big safety pins have broken out like a rash on some of Kwataka's residents.

No little interest has been displayed in the apparently brainless activities of the wearers of the red and green. Last Friday the hungry mob around the dining hall was entertained by a three-minute speech on "Why Elephants Roost in Trees," most ably delivered by Kyote Kub Gilliam.

On the preceding noon the same hungry mob was persuaded to refrain from uprooting the establishment in their wild desire for "chow," by the efforts of Whelps Stoffer and Gilbert. These enterprising Kubs were engaged in manufacturing and vending mud pies.

The most amusement was occasioned by "Ozark Pete," alias "Mizzouri" Harmon, enacting the role of fisherman extraordinary. He appeared immediately after lunch, stunningly attired in a suit of pink pajamas, with a fishing pole over his shoulder, and proceeded to the goldfish pond, where he engaged in the piscatorial art with the aid of a bent pin on the end of a string. The size of the audience must have frightened him.

### MORE OUT FOR FOOTBALL.

That the University will turn out a winning team seems to be a foregone conclusion with the majority of the student body. The said student body is going to find itself very much mistaken if a radical change in the attitude of some of our men students does not change. Let's get down to facts and be frank. There are not enough men out for football to give our coach a chance to develop a real team. Such a condition will not put out a football team which will win the Southwestern championship for the Cherry and Silver. There are plenty of husky boys who are not out for football who should be branded as slackers to their school, or show good cause for not going out. We especially appeal to the women of this school to make it a point to inform the football slackers that their place is with their squad and not with their squaw.

### THE MINES GAME.

The unfortunate outcome of the School of Mines game is an example of hasty action on both sides of the dispute. There can be no doubt, this, so far as we are concerned, and the Weekly is sure that the School of Mines will agree that they, too, were partly to blame. After getting what was wanted on both sides, to wit, a game in Albuquerque on the second before the Colorado College game, and with the Mines a game in Socorro this season, the whole arrangement was thrown up through hasty action. The account in the Evening Herald, which gives their side, is very much our side of the story, too. What happened last year should not be carried on into this year to the extent of spoiling a game. The story referred to in the Mines' version of the affair, in the Evening Herald of September 28, is but an account of the result of the Athletic Council's decision and could hardly call forth such a storm of protest against the Herald as the letter from Socorro printed October 4 would have you believe. The main thing now is to let the matter stand until the hard feeling which must exist at the School of Mines has somewhat cooled, and then try again to meet in friendly rivalry.

### ARABIAN FRIGHTS.

Once upon a time the son of a noted caliph was led into the presence of the first of two princesses, between whom, it was decreed, he should choose a wife. As he gazed upon the unbecoming countenance of the first his face paled and he staggered against the tapestries. "He needs air," remarked his prospective father-in-law. And he was given air and he revived. When he recovered he was escorted into the apartment of the alterna-

tive bride-to-be. But one glance at the blushing maid was enough, for with a gasp he collapsed headlong upon the divan.

"He needs air again," declared the

### STAFF MEMBER WRITES.

The editor of The Weekly has received an interesting letter from Donald Sublette, a student of last year. He was also a member of the staff.

Mr. Sublette is attending the University of Texas. He writes that they anticipate a registration of over 5,000 students.

The writer suggests that the agitation of last year regarding a new name for The Weekly be renewed.

### EXCELLENT FOOTBALL IN PRACTICE GAME

Gerphiede, Bevins, and Mann went through the line for 20 yards. Time, end of the quarter. First team 6, second team 0.

Sganzi went 9 yards through the line in two attempts. McArthur picked up a fumble and tore off 33 yards before he was downed. Gerphiede and Bevins made 5 yards each on line bucks, making first downs. ### Phi Mu Dinner Dance:

Xi Chapter of Phi Mu fraternity staged their "Ninth Annual Rush" Saturday evening, October 2.

The first scene was at the chapter house, where thirty girls enjoyed a four-course dinner. The house was a bower of rose and white and these colors were carried out in the dinner and with dainty favors.

About nine o'clock the boys called for the girls, and then the scene shifted to the Country Club. Here, to the music of a "peppy" orchestra, they danced until midnight, when a two-course supper was served. Mr. and Mrs. Frank Pooler chaperoned the party.

### Phi Mu At Home to Faculty:

Phi Mu fraternity was at home to the members of the faculty Sunday, Sept. 26, from four to six, at their chapter house. The rooms were beautifully decorated with rose and white dahlias. Mrs. Wittmeyer and Miss Mosher poured, and were assisted by the Phi Mu "little sisters." Mrs. George Mitchell was in charge of the tea.

### Alpha Delta Pi Dinner:

The Alpha Delta Pi's gave their first affair of the year in the form of a dinner at Mrs. H. B. Kinney's, at 121 North High street.

Small tables, set for twenty-four, were decorated in blue and white. The place cards were hand-painted, in purple violets, the flower of Alpha Delta Pi.

Following the dinner the girls all gathered around the piano and sang songs with true U. N. M. spirit. Later they all went en masse to the reception given by President and Mrs. Hill.

### K. K. G. Gives Dance:

The Kappa Kappa Gamma Chapter gave a dance Wednesday evening at the Country Club. The chaperones were Mr. and Mrs. Ackerman.

### President's Reception:

President and Mrs. Hill were the hosts at one of the most successful social functions of the year, a reception to the students, faculty and regents of the University. During the evening Mrs. Clark rendered several delightful violin solos. The guests enjoyed themselves with dancing.

The affair was well attended and every one was sorry when it came time to leave. We all hope that every one of the University socials will be as big successes as this one.

### PAN-HELLENIC MESA SUPPER.

Have you noticed fewer sticks of wood lying around the campus? The Pan-Hellenic mesa supper is responsible. The girls went out by the Country Club to roast weenies and decided they must have wood. Mrs. Wittmeyer headed a search for wood while the others looked after the eats.

All the girls met in front of Rodey Hall and then went out on the mesa. Several of the girls had machines and helped the less fortunate to the "feed."

Two bonfires were built and the girls roasted weenies and marshmallows while the coffee boiled. Unfortunately the weenies were gone before the coffee arrived on the scene. After the feed everybody sat around the fires and sang songs of U. N. M. Irene Wicklund had charge of the

### GREAT PROBLEMS OF TODAY

This week's problem: Which do you prefer, blondes or brunettes?

George Sampson—Don't get me into this; I'm afraid to express an opinion. (George must like brunettes.)

Johnnie Scruggs — Blondes, of course!

Brooksie—Just so they are good looking.

Coach—I don't like any of them; they're all after you.

Joy Spruce—Give me a tall blonde with curly hair.

Helen McIlvain—Both, if they are nice.

Walter Berger—Dark eyes and raven hair for mine.

Blanche Guley—Brunettes, always.

Flossie—I like the blonde, blue-eyed, heart-breaking baby dolls.

Bob Hopewell—All kinds for me—dark, light and medium.

Bish—G'wan; I'm a woman hater.

Lorena Burton—Oh, I like all men, of course!

Sing Grantham—Blondes, especially red hair.

### THE DRAMATIC CLUB TO ORGANIZE SOON

Miss Mary Sands is President of the Club This Year.

Prospects for good dramatics were never more promising. Mary Sands, president of the Dramatic Club, is back. With her able leadership we are certain of a live Dramatic Club. There are quite a number of new students who have had some experience in the line of dramatics. Besides these, there are many of those who had experience in the several plays presented with such great success last year.

A call will be made very soon for the reorganization and promotion of dramatics. Are you interested?
