## VARSITY WINS INITIAL FOOTBALL GAME

First Game of Season Results in Score of 55 to 0 for Alma Mater.

With a score of 55 to 0 the University football team won their first victory of the season when they walloped the Socorro School of Mines' squad at the varsity athletic field, Saturday afternoon.

The miners did exceptionally well considering the lack of training and their inability to hold on to the slippery varsity stars.

The story of the game is one of runs and scores. The varsity started the game with a rush and soon afterward a touch-down. The Socorro men concentrated a little jazz at the beginning of the second half and staged what was to be the "come back." But it didn't "come."

The miners won the toss-up and chose to kick. Thru a series of runs the U. N. M. scored their first touch-down in the first four minutes of the play. C. Mann converted. Shortly afterwards the varsity kicked off to twenty yard line. The line held and Socorro was forced to punt. Tubby Mann received and in a few downs went over the chalked line. Socorro received the ball again. By means of a few runs and a forward pass from Mason to Mitchell, the visitors made their downs the only time during the game. The varsity got the ball. With a few downs and a pretty forward pass from Tubby Mann to Claude Mann, another of six points was added. The first half ended with the ball on the miners twenty yard line. Score 34-0.

At the beginning of the second half the university kicked and held the visitors for four downs. A few off-sides and an intercepted pass returned the ball to the miners who fumbled. The university recovered. A pass, line buck and another touch-down for the locals. Socorro received the kick. Booker and Witten intercepted the two attempted forward passes. The ball went over. Tubby attempting a forward pass backed into umpire and threw the ball into Mitchell's arms. The varsity line

## VACANT OFFICES FILLED BY THE ELECTION

Athletic Council and Editors of the Weekly and Mirage Chosen Friday Morning.

When the student body met at 10 o'clock Friday morning for the purpose of filling existing vacancies in students' body offices, Clyde Morris was elected editor of the U. N. M. Weekly; Anne Cristy editor of the Mirage; and Rex Craig, Burch Foraker, and Richard Bruce members of the Athletic Council.

In accordance with the Constitution the nominations were posted on the bulletin board a week in advance of the election, and during the week much campaigning was carried on in behalf of the nominees. As a result, Rodey hall was almost filled, and a large vote was cast. The results of the election in numbers were: Editor of the Weekly, Clyde Morris, 109; Dan Richardson, 76; Members of the Athletic Council, Rex Craig, 167, Burch Foraker, 142, Richard Bruce, 117, Chester Boldt, 72; Miss Anne Cristy being the only nominee for Editor of the Mirage, was elected by acclamation.

Both before and after the election proper songs and yells were given to familiarize the new students with them and to get everyone in practice for the football game Saturday.

### RUMOR UNTRUE.

A rumor was circulated the first of the week that the Colorado School of Mines football team is scheduled to play the Denver University team next Saturday. The rumor is untrue. The miners have signed a contract to play here and have already arranged for accommodations. So prepare to be at the game.

### COACH ORDERS FALL PRACTICE IN TRACK

Several Men Have Already Reported and More are Expected.

Coach McGough has a squad of track prospects working out on the athletic track every afternoon, putting them thru the preliminary training before the time for the regular work of the season.

A few more men are expected out soon to train for the relay race which is to take place at the Thanksgiving football game. It is possible that the contest may be an inter-class affair with the two teams representing the Sophomore and Freshman classes competing.

The men signed up for fall practice are: Stacker, Wells, Steed, Cartwright, Kiss and Plumlee.

Lucille Wharton of Tucumcari arrived at the University Tuesday of last week.

## COLORADO MINERS TO MEET THE VARSITY

Northern Eleven to Clash with U. N. M. on Athletic Field Saturday Afternoon.

"This will be a hard fought game," said Coach McGough when speaking of next Saturday's game between the Colorado School of Mines and the U. N. M. football aggregation on the University athletic field.

The miners' team has a reputation of being one of the strongest teams in the northern state. According to dispatch their line is a very heavy one. Several noted stars are playing in their backfield and the entire team will probably out weigh the varsity squad about fifteen pounds per man.

Owing to the fact that the Colorado team was defeated by a score of 16 to 6 last Saturday when they played the University of Wyoming and with one victory to their credit already this season, the U. N. M. squad will go into the fray determined to win. The yell leaders are arranging for a larger cheer section and more pep than was displayed at the last game.

With the reputation of the two teams and the determination of each to win, the football enthusiasts of Albuquerque are assured of an exciting game.

The probable line for the University Saturday follows:

C. Rogers, center; Hernandez, Gentry, guards; Craig, Booker, tackles; Foraker, MacArthur, ends; C. Mann, quarter; G. Mann, Sganzi, halves; Gerpheide, fullback.

### BAND TO BE ORGANIZED.

Hurrah! For the University Band! Some one has told us that a varsity band will be heard again on the campus and in the city in the near future.

According to information given out by the department of music, the organization for a band will be completed some time this week, and their first appearance is expected at a football game in the near future.

Much enthusiasm has been manifested in the organization of the band this year and under the able leadership of Professor Tukken the bandmen promise to make good.

### PRESIDENT'S RECEPTION.

On Friday evening, October 24th, from 8:00 to 10:45 P. M., President and Mrs. David Spence Hill will give a reception to the students, faculty and regents of the University of New Mexico in Rodey hall.

All students, members of the faculty and the board of regents are invited. Everyone is planning to attend and a pleasant evening is anticipated.

## FIRST "PEP" MEETING COMPLETE SUCCESS

Enthusiasm at a High Pitch as a Result of "Pep" Meeting in Rodey Hall, Wednesday.

Much enthusiasm was aroused at the first "pep" meeting of the year held in Rodey hall at eleven o'clock on Wednesday morning. President Hill, Coach McGough and City Commissioner Thomas Hughes were the principal speakers.

President Richardson called the meeting to order, and after a few yells were given, introduced Coach McGough. As this was the first appearance of the coach before the student body, he was given the closest attention while he expressed his ideas of athletics and briefly outlined his plans for the year. Mr. McGough said that he wanted to become acquainted with the student body in order that there might be no misunderstanding, and that all machinery runs better when there is plenty of oil and little friction. The coach stands for clean athletics first, last, and all the time.

last, and all the time; and insisted on the strict adherence of all the football men to the rules, and asked the assistance of the entire student body, particularly the girls, in helping the men to conform with them. The enthusiasm of the coach was contagious, and the entire crowd was with him to "stick by the team, win or lose."

Dr. Hill was the next speaker, and expressed his approval of the standards set forth by Coach McGough, especially emphasizing his plea to support the team. Dr. Hill announced the invitation of the American Legion for the student body to be present at the Armory Friday night, October 11th, and expressed his desire that every student be there.

The third speaker, Mr. Thomas Hughes, City Commissioner, and former U. N. M. man, was introduced by Dr. Hill and spoke on, "What I should do if I were entering the University." His main point was "pep." According to his view, the greatest need of the University is friends, and he repeatedly expressed his desire to aid his Alma Mater in every way he could.

### FOOTBALL MANAGER ELECTED.

Charles Caldwell was elected as football manager for this season when the Athletic Council met in the chemistry building, Monday morning. Ernest Hammond was elected as temporary manager for last week's football game with the Socorro School of Mines.

Evelyn Hunt of Raton, registered for her second year's work in the University last week.

## FOREWORD.

With the first edition of the Weekly under the present management goes out greetings to both the old and new readers. We wish to pledge ourselves to do our best to uphold the already high tone of the paper, and to improve upon it if possible. In assuming the editorship we realize our own limitations, and sincerely ask your assistance and support. Success is our goal and success in any line means cooperation on the part of everyone concerned. Now that a new editor has been elected, do not imagine for one instant that you have done your share and that the rest is up to him. This paper is not ye editor's, but yours; and no one person or group of persons can make it a success. The Weekly is the mouthpiece of the University, and its columns should be open to all. We would have it known from the beginning that we are just human beings, and are certain to make some mistakes; but we promise they will be of the head and not the heart. Realizing the value of criticisms, we earnestly invite them at all times. If they are unfavorable, we are the ones who should know it. We promise to weigh them carefully, and profit by our mistakes. However, if the criticisms are favorable, they will be the means of encouragement to us, and will strengthen us to further endeavors for the betterment of the Weekly.

Our policy is to be one of fairness to everyone; no society, group of people, or individual is to be shown any favoritism so long as it is in our power to avoid it. Our aim will be to voice the opinion of the school on all important questions; and if at times we may not suit your individual taste, please remember yours may be different from that of others, and that it is practically impossible to please every one. Catering to no one, fairness to all, and above all loyalty to the school is to be our motto.

Please help us uphold it.

This edition of the Weekly has been worked up on short notice, and we realize its shortcomings; but by next week it is hoped to have our staff of associate editors and helpers appointed and things in general running smoothly.

## DO YOUR BIT.

Do you realize that one local from each person in school would fill this newspaper several times? While we do not expect each one to give us a local or an article every week, yet each person in the University should

be interested enough in the paper to turn in anything he knows which is of interest to all. If you have something of importance which you want printed, write it down, sign your name, and give it to anyone connected with the Weekly or put in the Weekly's box in the Faculty Exchange. No communication which is unsigned will be printed, as we are responsible for all unsigned articles appearing in these columns, and we shall not assume responsibility for the opinions of others. As has been said before, this is your paper primarily, so use it. If we all get behind it and work, we can have a bigger and better Weekly, and one which will do justice to our Alma Mater.

## WHAT'S THE MATTER?

Truly the U. N. M. is waking up; we are having real "pep" meetings, genuine exciting football games, live snake dances. Now, that something of the spirit of "ye olden times" has returned to our campus, we just wonder where the oratorical contest comes in. Are we not to have this contest this year?

Is it failure due to the lack of young men and women interested in this line of work? Can we not find enough young men who are willing to enter this contest to make it worth having? What is the matter, boys?

The U. N. M. must be represented at the contest which is to take place here in Albuquerque during the Teachers' State Association.

Let's show Cruces we are still in the game. Come on and help.

## AMERICANIZATION DAY TO BE OBSERVED

In accordance with the Governor's proclamation, an Americanization program has been arranged for the assembly in Rodey hall Friday morning.

Governor Larrazolo's proclamation follows:

### Americanization Day.

Whereas: In these days of reconstruction and readjustment of the internal affairs of state and nation, a constant reminder of the necessity of adherence to the principles of true Americanism is an essential factor in the education of the youth of our land; and

Whereas: The purposes and objects of the Roosevelt Memorial Association are the preservation for all the people of our country of that inspiration of true Americanism which burned in the heart of Theodore Roosevelt, whereby was kindled in the souls of all true Americans a greater devotion, more loyalty, and a deeper faith;

Now therefore, in commemoration of the ideals of the ideals of duty, loyalty and devotion to our country which were voiced by this great American, Friday, October 24th, 1919, is hereby proclaimed to be Americanization day in the public schools of New Mexico, on the afternoon or evening of which day patriotic programs and exercises should be rendered and held by the student body and under the supervision of the teachers in the public schools and governing bodies of all state institutions of higher learning in New Mexico.

O. A. LARRAZOLO,  
Governor of New Mexico.

### ALPHA CHI OMEGA DANCE.

With very artistic decorations of autumn leaves, palms, and rugs, original programs, and feature dances, Alpha Chi Omega gave their first sorority dance of the year at the Woman's Club, Thursday evening.

The feature dances were unique with green and scarlet balloons, with confetti, and with a corsage of Cecil Brunner roses worn by the non-fraternity guests. Under each of the sixteen dance announcements on the programs was a short story about the girl that has come to the University this year and learned to love the girls who wear the small lyre. When the story continued telling how this new girl was invited to partake of the hospitality of her friends at a dance and reception and how she hoped to soon be singing the Alpha Chi's loving cup song.

No wonder that the guests were delighted for in addition to the dance and reception a wonderful supper was served at the house of Mrs. L. G. Rice, a patroness.

Those who danced were the Misses Lillian Spicard, Frances Bear, Alexandria Vaughney, Margaret Lee, Katharine Conway, Claire Bursum, Mary Kimball, Mary O'Laughlin, Joy Spruce, Evelyn Hunt, Katharine Keleher, Irene Boldt, Shirley Warren, Evelyn Trotter, Kathleen Long, Wilma Snyder, Helen McArthur, Irene Fee, Belle Barton, Louise Walroven, Edna Miller, Mabelle Rodgers, Frances Parker, Lillian Patton, Anita Hubbell, Margaret Hubbell; the Messrs. ### DANCE TO FOOTBALL MEN.

In honor of the Socorro School of Mines football team, the University students gave an impromptu dance from 7:30 to 10:00 Saturday evening in Rodey hall.

During all the evening the miners were allowed to tag anyone that they wished. Owing to the fact that there was another dance that evening in the city the crowd was rather small but those who danced spent a very enjoyable evening.

Voluntary music was furnished by varsity students.

### KAPPA KAPPA GAMMA DANCE.

With the home of Miss Anita Hubbell, at 515 West Coal Avenue beautifully decorated in fraternity colors, blue and blue, and the fraternity flower, fleur-de-lis, the Kappa Kappa Gamma sorority gave a form-

al dance in honor of prospective pledges from eight to twelve, Saturday evening.

The programs were very unique and original being adorned with Kappa Kappa Gamma crest in gold. Included among the dances of the evening were several feature dances. In one of the feature dances the men wore blue caps and the girls wore blue bonnets. In another the girls favored the men with gold tipped cigarettes tied with blue and blue ribbons. Kappa Kappa Gamma songs were sung during all the feature dances.

At mid-night, a three course supper was served to the delight of all. Music was furnished by Blueher's orchestra.

An optometrist is one who refracts or "tests" the eyes without the use of drugs or drops. He never treats diseases of the eye, specializing in the fitting of glasses.

Optometrists are the only specialists who are required by law, in any state, to qualify themselves for this work. My one and only specialty is the refracting of the eye, and the fitting of "Eyeglasses that Satisfy" for the relief of all abnormal strains which impair the vision, waste the vitality, and lower the sum of human efficiency.

held and the visitors were forced to punt. A pass from Mann to Maun and a small gain ended the third quarter with the ball on the five yard line.

The U. N. M. lost the ball on this one yard line. The miners punted. A few minutes later Brenneman went over for a touch-down. McArthur kicked off to the visitors. They punted to Claude Mann who made a run of sixty-five yards for a touch-down. As the game neared the end, Brenneman and Tubby went thru the miners' line repeatedly. When the final whistle blew the ball was on the miners' ten yard line. Final score 55-0 in favor of U. N. M.

The students entered the Armory and marched up the aisles in their snake formation to the section of the auditorium that had been reserved for their reception, then after giving a few varsity yells located themselves for the evening.

When the Legion program began with Dr. David Spence Hill, as first speaker of the evening, a spontaneous burst of college yells went up from among the students. During the rest of the evening the student body assigned themselves to the task of encouraging all the speakers by introducing them with "whats the matter with—?"
