Varsity and Miners Battle to Tie 0 to 0

Neither the University Nor the Colorado School of Mines Able to Score in the Fiercest Game of the Year.

In one of the bitterest contested games Saturday afternoon, the U. N. M. football team battled with the Colorado School of Mines' squad on the varsity field, to a scoreless tie.

The game was a revelation and at its conclusion the Miners were willing to concede that Coach McGough had developed a formidable fighting machine, with a calibre of high degree.

Outweighing the varsity team by fifteen pounds per man and with seven all-Colorado stars on their line-up, the ore-diggers, last year's Rocky Mountain champions, went into the game confident of an easy victory. Time and time again they would pass down the field with their ferocious line attacks, and then lose the ball to the Varsity.

It was a peculiar game, with the light and fast Varsity team bucking against the heavy veterans of the north. The Miners were unable to block Mann's punts, and used a number of complicated plays. Their shift criss-cross play was a plaything in the hands of the varsity defense. It was a failure and lost more ground for them than it gained.

Several of the U. N. M.'s men showed up to be stars of first magnitude. Aydelotte as a forward passer is invincible. Tuoby Mann is developing a wonderful punting toe. The tackling of C. Mann, Whitten, Rogers and Gerpheide was deadly to the opposition. In the line Greenleaf, Gentry, McArthur, Booker and Craig held their own against odds. Skinny Sganzzini, in the backfield and Hernandez in the line, played a consistent game.

The Game by Quarters

Gerphiede received the ball on the kick off and ran it back a few yards. Tubby went five yards. Miners line held and Mann was forced to punt. Miners made three yards, lost five on a fumble and punted to the forty yard line. University made a five yard gain, attempted a forward pass, were penalized fifteen yards for off-side. G. Mann punted. Gerphiede tackled the Miner receiving the ball. The team from Golden made their downs. Attempted their criss-cross play and lost five yards, only to make their downs later, for the second time. The heavy Colorado line was still smashing the light Varsity line when A. Bunte punted. Aydelotte fumbled the ball and Claude Mann recovered it on the University's twenty yard line. After attempting to carry the ball down the field, Tubby punted to Haskins. Aydelotte downed him on the forty yard line. With a long end run, a complete forward

pass, Clark to E. Bunte, the Miners made their downs.

Second Quarter

The ore-diggers started the second quarter with one of their criss-cross plays which Rogers promptly muffed up. They were then forced to punt. The Varsity team, unable to get around the visitors, kicked the ball to the fifty yard line. The Miners then carried the ball down the field at will until the ball was on the Varsity's one yard line. Here stubborn resistance was put up by the locals. Witten managed to get thru the line and foiled one play. The Miners then tried a forward pass but it was incomplete, and so they resorted to a field goal, which was interfered by the University, and resulted in a touch-back. The ball was then taken out to the twenty five line. The rest of the quarter the teams saw-sawed back and forth. The first half ended with the ball in the University's possession on their own twenty yard line. Score 0 to 0.

Third Quarter

In the second half the battle was waged even more bitterly than in the first. Gerphiede kicked off to the Miners, who then made their downs three times straight. U. N. M. then made a supmere effort and took the ball away from the opposition. Tubby was forced to punt. The Golden team tried a series of passes, criss-cross plays without much gain. Their drop kick was blocked by Hernandez, who broke thru the line. Later Gerphiede snagged a forward pass. G. Mann then made a five yard gain around the end.

Fourth Quarter

The Miners in the fourth quarter played for time throughout. Mann punted to the thirty yard line. The visitors were pestered by Witten, who tackled behind their own line before they got their plays in action. They kicked, Tubby received. Gerphiede received a pass from Aydelotte for a forty yard gain. Haskins, of the Miners grabbed a pass and punted to Claude Mann, who brought the ball back to the thirty yard line. Then after an interchange of punts with the wind in the U.'s favor, G. Mann made a run to the ten yard line only to be brought back on account of an off-side. The Varsity then resorted to forward passing, all incomplete. As the final whistle blew the Miners intercepted a pass on their own twenty-five yard line. The final score was 0 to 0.

CANDIDATES FOR DEGREES

From the office of Dean of Arts, Philosophy and Sciences, a list of fifteen candidates' names for degrees from the University this year, was posted on the Varsity Bulletin Board this week. The candidates' names and majors appeared as follows:

Elizabeth Arnot, Major Chemistry,
Chester Bolds, Major History,
Mary Brorein, Major Spanish,
Helen Brown, Major Spanish,
Flora Chess, Major Biology,
Anna Cristy, Major Spanish and History,
Edward Cristy, Major Psychology.
Earnest Hammond, Major Chemistry,
Katherine Keleher, Major
Eunice Latamore, Major Latin,
Clyde Morris, Major History and English Literature,
Mary O. Laughlin, Major History,
Don Richardson, Major Economics,
Margaret Shumaker, Major Home Economics,
Edna Ray, Major Home Economics.

WOMEN'S GLEE CLUB

Prof. Lukken, of the musical department, reports that the progress of the girls' glee club is very satisfactory. The chorus has been meeting twice a week and have taken up several songs which are rendered in professional style. They have gone into the work with such vim and vigor that the future of the organization is promising.

The members of the girls' chorus now include the following: the Misses K. Angle, M. Brooks, Coffin, D. Cameron, W. Winona, C. Dearing, H. Fallis, F. Fraiser, H. Geotz, M. Gott, A. Howard, S. Herrick, L. Makin, F. Marshall, H. Nelson, A. Osuna, Anita Osuna, E. O'Hara, M. Sands, D. Stephen, M. Von Nyvenheim, L. Dearing, L. Walraven, I. Wickland and H. Thacker, pianist.

MEN'S GLEE CLUB

Under the proficient leadership of Pro. Lukkin the Men's Glee Club is fast shaping itself into an organization of which the University might well be proud of. The men have been meeting twice a week and are preparing to give a concert at an assembly in the near future.

The following men are members of the present chorus: W. A. Cullins, T. Calkins, E. J. Christy, E. Espinosa, H. Graham, E. Gerhardt, J. P. Hayes, G. Hite, J. Held, C. Little, D. Sublette, M. Williams, H. Woodworth and L. Kellam, pianist.

Referee—Barton, Umpire—Moore.
Head linesman—Green.

Substitutes—Booker for McArthur, Craig for Greenleaf, Sganzzini for Aydelotte, Foraker for Booker (Booker replaced McClure at tackle), Hernandez for Gentry, Aydelotte for Sganzzini.

Penalties—U. N. M. 30 yards; Miners 11 yards.

Completed forward passes—U. N. M. 1; Miners 2.

U. N. M. TO BATTLE WITH ROSWELL TEAM

Football Squad Leaves Thursday To Meet the N. M. M. I. Football Aggregation.

At 10:15 next Thursday night the football squad of the University will leave for Roswell to meet the aggregation of the New Mexico Military Institute on the latter's own field, Saturday. It will be the first clash between the two teams since 1915, when the Pecos Valley men defeated the Varsity by a score of 6 to 3.

The Varsity has been out practicing strenuously every afternoon for it is said that the Roswell team has some very fast players, especially the backfield. A number of veterans are back on their line-up, including West in the line, Jacobsen and Bassett, both of whom are record breakers in sprinting, in the backfield. Probably Dan Burrows will be back in the backfield.

The probable line-up follows: M. Rogers, McArthur, ends; Greenleaf, Craig, tackles; Witten, Gentry, guards; C. Rogers, center; G. Mann, Aydelotte, halves; C. Mann, quarter; Gerphiede, full; McClure, Booker, Sganzzini, Foraker and Hernandez as subs.

Varsity to Enter Oratorical Contest

That the University will be represented in the Intercollegiate Oratorical Contest Thanksgiving Week was definitely decided at a meeting of those interested held Wednesday at 12:30.

The contest is to be held under the auspices of the New Mexico Educational Association, with the Agricultural College and the University as the probable contenders for honors. While the time for the contest has not been definitely settled, yet it will presumably be the last night of the Convention, and offers one more chance for the University to show her supremacy over the other schools of this state.

Any person of collegiate standing in the University has the privilege to enter the preliminary contest, and may speak on any subject, the orations being written by the speakers themselves. Owing to a ruling of the State Association that the manuscript of the representative of each school must be mailed to the president at least twelve days before the contest. The preliminaries at the University will probably be held Nov. 12. Those who have signified their intention of entering are George Bryan, Thomas Calkins, George Gentry, and Clyde Morris. It is hoped that more will decide to try-out, and anyone desiring information or help should see either Prof. Hodgins, Miss Oakley, or Prof. Hill.

SPIRIT

By this heading we do not mean alcoholic beverages, ghosts, or the old darkey's 'hants in de grabeyard,' but we are trying to tell you about that 'something' which made the students of the U. N. M. yell till they had to use peroxide Saturday night, and that 'something' which made at least three of our grave and staid professors throw their hats into the air and yell as lustily as any green-capper. And by the way, it was these green helmeted wearders that made the fuss, wasn't it? Speaks well for them, anyway. Keep it up, Freshies. Maybe the Upper Classmen will be aroused from their dignity and lethargy and will finally imitate your good example. Another football game like the one with the Miners will fire the upperclassmen's enthusiasm.

Truly the right spirit is smoldering in the Varsity, ready to catch fire. The Varsity needs this blaze of enthusiasm; the football men need it. Under the force of encouragement from the bleachers, the men on the gridiron do things and feats which seem utterly impossible; teams apparently doomed to defeat have turned on their opponents like wild animals at bay, and have administered unto them a crushing defeat.

Spirit or 'pep' is not only a necessary adjunct of sports, but is quite as essential in the business world; the person with lots of spirit 'gets there'. Usually he carries the name 'hustler', and the hustler is always in demand. College is the place where you are trained for your future business career, and therefore, is the logical place to show your spirit, and is the place to develop it if you have none.

More spirit of the wild-fire kind was manifested at last Saturday's game than we have seen displayed by students of the University in the two years past, and it was very gratifying to those who have heard the wee squeak of the U. N. M. during war times. Yet with the hearty co-operation of all the students, a much better showing could be made. We have one yell leader, yet he isn't enough; for no one man, no matter how willing and efficient he may be, can keep a crowd continually cheering and 'on it's toes'.

The Student Body has lots of pep in it, and we are going to have the best football team in the Southwest, if work on the part of the Coach and the men themselves will make it. Now let's back the team whole-heartedly.

WORK

One month of school has passed, and many people are wondering what they have done during that period and where the time has gone. While no great amount of work has been accomplished this month in many departments, yet it must be remembered that the University has been, and still is, going thru a reconstruction period, one which is full of problems and difficulties. For two years the University, like many other schools, has been barely existing, as practically all the men have been in the service of Uncle Sam. This school year has opened with a rush; courses had to be rearranged by a reorganized faculty, new schedules compiled and everybody's head was in a whirl.

It is possible that many are fearfully awaiting for the appearance of their grades, and wondering what the news from home will be; but there is lots of time left in this quarter to make up back work, and everyone should be settled down by now. If you are not, get to work; and when you are burning the 'mid-night oil', just remember that it's a privilege to go to college, and that it's up to you to make the most of that privilege, and that the world is watching to see if you do.

JEWELL MOORE

The entire campus has been saddened by the report which came last Wednesday telling of the sudden death of Jewell Moore, a former student of the University, at Grandfield, Okla. The telegram merely stated that Jewell had been instantly killed, and did not indicate in what manner. Carl Moore, Jewell's younger brother, who had just returned to the University Monday, was undergoing an operation for the removing of his tonsils at the time the message was received, but was able to leave for home Wednesday night.

Jewell Moore was a graduate of the Clovis High School and came to the University of New Mexico as a Freshman in 1916. He spent the greater part of two years here, leaving early in 1918 to join the navy, from which he received his discharge only this summer. As a student he was earnest and diligent, and altho "carrying his own weight in the world" while still in school, he had time to take an active interest in all student affairs. He was a member of the Phi Kappa Alpha Fraternity, a member of the 1917 basketball team, and in 1918 managed the Clovis end of the production of "Up in the Air," when it was at Roswell and Clovis.

Respected and loved by all who knew him, to his closer friends Jewell Moore gave a new conception of friendship, demonstrating a loyalty and practical helpfulness rare in human experience.

CLASS ELECTIONS

Last spring a Constitution was formulated and adopted by the Student Body, and according to its provisions, all upper class elections should be held before the end of the first two weeks of school. This is the fifth week and no elections have been called as yet. If we are to have a Constitution, we should abide by it and endeavor to carry out its provisions.

SOCIETY

PRESIDENT AND MRS. HILL'S RECEPTION

President and Mrs. Hill gave a most delightful reception for the Faculty, the Board of Regents and the Student Body from eight until a quarter past ten Friday evening in Rodey hall. The hall was appropriately arranged with palms and flowers, and a splendid orchestra discoursed swell music at intervals during the evening.

In the receiving line were President and Mrs. Hill; the regents, Dr. J. A. Reidy, A. A. Sedillo and Nestor Montoya, with Mrs. Reidy, Mrs. Sedillo and Mrs. Montoya; the president's advisory council, Vice President C. E. Hodgins; Deans Mitchell, Clark and Acting Dean Coahran, and Business Director Williams, with their wives.

During the evening several members of the student body, namely the Misses Mayme Hart, Katherine Angle, Francis Bear, Claire Burson, Mrs. Myran Doran, and Messrs. Don Richardson, Clyde Morris and Bob Hopewell, assisted President and Mrs. Hill in entertaining the guests.

Mrs. Weir gave the celebrated violin solo, "Russian Airs," by Viazianster, and Professor J. P. Lukken sang "Where My Caravan was Rested", answering to a hearty encore with "Rolling Down to Rio".

After the program, ice cream and cake were served by members of the Domestic Science Department, and dancing followed.

KAPPA DELTA NU BANQUET

The Kappa Delta Nu sorority entertained several of their friends with a wonderful banquet at the Alvarado last Saturday evening. The table was decorated in purple chrysanthemums and tulle. A lovely basket of chrysanthemums, moss and smilax, made a most artistic center-piece. Streamers of tulle in two shades of purple extended down from the center-piece to each plate. Kewpies dressed in charming and unusual styles made delightful favors. One kewpie held a purple flag of K. O. N.; on the head of another was a purple butterfly while a third wore the mask of a highwayman. However, the kewpies' style of dress were no more distinctive than the rhymes written on their backs. The placards were very original having on each one a purple pansy.

Miss Mamie Mills was in charge and many toasts were given to Kappa Delta Nu making a very enjoyable evening.

THE WEARING OF THE GREEN

At the meeting of Freshmen called Friday noon in the Chemistry building by the President of the Student Body, nearly a hundred Freshmen and women received their green caps and arm bands, respectively, to be worn from sun-rise to sun-set each day on the campus.

The meeting was called to order by President Richardson of the Student Body, who explained the custom and tradition which ordains the wearing of the green, and congratulated the Freshmen on having voluntarily decided to conform to the tradition. He complimented them on the spirit shown and predicted their victory over the Sophs on the day after Thanksgiving.

George Skeel of Cleveland, Ohio, is the latest registrant. Mr. Skeel enters as an upperclassman, having attended Hiram College at Hiram, Ohio, the past two years.

Probably the most interested group of spectators at the game with the Miners was composed of several former Varsity gridiron stars among whom were noticed "Red" Balcomb, "Louie" Hesselden, "Cheese" Sellers, Jack Lapriak, Joe McCanna, Carl Brorein and Floyd Lee.

Miss Frances Parker, who has been staying with Mrs. Guy Rogers, has moved to the hill and is now at home in the girls' dorm.

Mrs. Wyper, the efficient assistant registrar, has been sick at home the past week with a touch of the "flu."

William Collins and Leslie Allen are new candidates for the Kiyoti Klub, having just moved into cottage "F", at Kwataka.

It is understood that several mistaken townspeople bet rather heavily against the Varsity on the Miner game. It is hoped that the one experience will effect a permanent cure.

Did anybody see any upperclassmen at the game Saturday? That green certainly showed up.

F. P. Hines of Mesilla, New Mexico is one of the new students in the men's dorm.

F. M. Bigelow of Albuquerque is a new student on the hill.

The scenery around the Campus was greatly "refreshed" Friday by the appearance of about forty green caps.

Monday was "bid day" for the sororities, and the suspense shown on some of the girls faces reminded one of a world's series crowd. The returns came in at four o'clock, and then there was much joy, considerable squealing and promiscuous osculation, and some wailing and gnashing of teeth.

AMERICANIZATION PROGRAM

"Sometimes impulsive in the wrong, yet there was back of it a strong purpose to find out the right and support it," said Mc. George S. Klock, a personal friend of Roosevelt, while giving an historical sketch of Roosevelt's life before an assembly of the Student Body in Rodey Hall at eleven o'clock Friday morning.

"The square deal" was Roosevelt's motto. Roosevelt was honest, thorough, capable and efficient," cautioned the speaker. "The word 'American' appears in every speech that Mr. Roosevelt ever made."

"Mr. Roosevelt was not afraid to ask for things for he knew himself," said Mr. Klock. "Roosevelt's life's desire was to serve his country. Profiting by his example 'let us feel it is America for which we stand'. We are here for a purpose—America is the light of the world, were the closing remarks of the speaker.

President Hill presided at the program which began by singing of America by the Student Body. After Mr. Klock spoke the assembly was turned over to the students. Charles Caldwell, manager of this season's football team, announced that the Varsity students would give their "snake dance" exhibition on Central avenue at 1:30 that afternoon. The coach, Mr. McGough, was then called upon to speak and he urged organized yell leading and cheer sections.

Otis Brenneman is a Sigma Chi pledge.

The Business Director has promised to have the kinks taken out of the floor in Rodey hall. Who's all right? Mr. Williams!
