## ANNUAL REPORT OF ALUMNI SUBMITTED

**Financial Condition of Association Is Told; Outlook Encouraging for Larger Attendance at University Through Personal Efforts of Graduates.**

Unfortunately the plans for the alumni scholarship, which were so earnestly discussed at the annual alumni banquet held on the 10th day of May, could not be carried through in time for the present academic year. Some time prior to the annual May meeting the officers of the University kindly furnished the Alumni Association with a complete list of all former students so far as the same could be prepared from the records available, and about six hundred and fifty letters were sent to these students of the University, asking for the remittance of membership dues to the Alumni Association and the contribution of funds for the alumni scholarship. Nearly one hundred of the letters were returned from the postoffice unclaimed, probably due to changes of address. The number of replies in proportion to letters sent was disappointing, but not altogether surprising in view of the requests contained therein.

Below is set out a financial report of the Alumni Association, and we believe it adequately explains the postponement of plans for the alumni scholarship which was to have been awarded on the competitive basis among the high schools of New Mexico.

Funds received by the Alumni Association:

Membership fund, total.....	\$27.00
Scholarship fund, total.....	26.50
Contribution to Alumni banquet .....	11.00

Total funds received.....\$64.50

At the suggestion of Dr. Boyd the alumni had as their guests the entire Senior class at the annual May banquet. There were eighteen Seniors, guests of the association at that time. We believe that the plan to annually entertain the Seniors in that manner is a good one and should be carried out in the future. However, the generosity of Dr. Boyd, which made the invitation to the Seniors possible at the last banquet, should not be relied upon in making our plans to have this an annual event. About fifty-three alumni, including the eighteen Seniors already mentioned, attended the dinner at the Alvarado on May 10th, and much enthusiasm was awakened in the association, but the plans then set out have not been fulfilled owing to financial reasons heretofore mentioned.

A list of the expenses incurred by the Alumni Association, including the banquet and the commencement dance, is given below:

Postage, chargeable to scholarship and membership funds jointly .....	\$13.00

## COLORADO MINERS WIN FROM VARSITY IN FAST GAME 23-0

**Fight to Finish on Gridiron Is Witnessed by Big Crowd of Spectators;**

**U. N. M. Men on Defensive Most of Time but Demonstrate Staying Qualities and Abundance of Pluck; Visitors Play Clean, Snappy Exhibition, Using Minnesota Shift and Line Plunges Successfully.**

Colorado School of Mines defeated the Varsity eleven Saturday afternoon on the University field by the score of 23-0. Despite the fact that we received the goose egg the game was one of the best ever played in Albuquerque. The Miners were much heavier than our team, but they played clean football throughout the entire contest. Our plucky little team, as it has been rightly and justly called, deserves more credit than can be given them for their never ceasing attempts to carry the pigskin over the line and from keeping their 175-pound opponents from running up the score to a very unpleasant point. The whirlwind finish with which we ended showed very clearly that every man on that team was fighting until the last whistle blew. Captain Brorien time after time picked forward passes out of the air and made continuous gains. Every play that was pulled off Brorien seemed to be in, and there wasn't a tackle that he missed. Nohl's grit and spirit was clearly shown when he re-entered the game, at Hutch's request, with a wrenched knee, and pulled down a forward pass or two. Steed, Aydelotte and Hoffman were in the game all the time. Wigely, Langston, Lee, Sinesio, Feather, Shields and Lapraik showed their usual good form. Although defeated, we are not disgraced, and on the other hand feel as though we have accomplished a great deal.

Too much praise cannot be given the Miners for their clean sportsmanship.

A brief synopsis of the game by quarters follows:

### First Quarter.

Miners kicked out of bounds. Varsity received ball on the 20-yard line. After two downs Varsity kicked. By series of line plunges Colorado took the ball down a considerable portion of the field, but were held for downs. Varsity kicked on their first down. The Miners carried the ball down the field, but lost it on a fumble. Peterson, right half for the Miners, injured his knee and was replaced in the line-up by C. Schneider. By another series of line plunges Colorado advanced the ball the length of the field and Van Brugh carried the ball over for a touchdown. Heitzman kicked goal. Score: Colorado 7; New Mexico 0.

### Second Quarter.

Stringham attempted a drop kick from the 40-yard line but failed. The Miners pursued their same line of attack, playing through the line, and although they made gain after gain, were unable to carry the ball over the line at the end of the second quarter. Varsity made no score

either in this quarter. Score: Colorado 7; New Mexico 0.

### Third Quarter.

Varsity kicked to Mines who advanced the ball about five yards. Colorado made their gains for about thirty yards by means of line bucking, but Varsity held them on the one-yard line for downs. Lapraik kicked and Brorien downed the Mines man almost in his tracks. Varsity held Mines for downs but fumbled and Van Brugh made another touchdown. Heitzman kicked goal. Score: Colorado 14; New Mexico 0.

### Fourth Quarter.

Varsity opened up and began to use the forward pass to good advantage. Aydelotte made several long passes to Brorien and Shields and things looked bad for the Miners, but the Varsity was not able to score. Stringham kicked goal from the field, adding three points to the Miners' score. After another series of line plunges Van Brugh again carried the ball between the goal posts. Heitzman failed to kick goal. Score: Colorado 23; New Mexico 0.

The physical condition of our team was very evident, when they were able to be hammered up as they were and still continue with the game. Only twelve men were used on our side.

### The line-up:

Miners—Schneider, l. e.; Heitzman, l. t.; Worth, l. g.; Young, c.; Mewhirter, r. g.; Sealer, r. t.; Roll, Robertson, r. e.; Stringham, q.; Williams, captain, l. h.; Poulin, r. h.; Van Brugh, f. b.

New Mexico—Brorien, captain, l. e.; Lee, l. t.; Langston, l. g.; Wigely, c.; Sinesio, r. g.; Feather, r. t.; Shields, Nohl, r. e.; Lapraik, q.; Aydelotte, l. h.; Hoffman, r. h.; Steed, f. b.

Referee, Slonacre. Umpire, Johnson. Timekeeper, Worcester.

### Musical Comedy Try-Outs.

The try-outs for the musical comedy will take place on Wednesday at 12:30 in Rodey Hall. Mr. Scotti, the coach, and Miss Hickey are working together on the comedy, and it is said to be developing splendidly. Rehearsals will probably be begun the latter part of the week.

The Colorado Miners were very much impressed with U. N. M., especially the girls. The student body of the School of Mines is composed of 235 boys and one girl.

Miss Mary Cooper spent a few days last week in Albuquerque visiting Miss Hickey.

## PEP MEETING IS HUGE SUCCESS

**Cheer Leaders Preside at Big Gathering of Student Body Which Proves Rattling Good Session, With Plenty of Ginger in the Yells.**

One of the most enthusiastic and spirited meetings held this year was the "PEP" meeting in Rodey Hall Friday morning at 11 o'clock. From the noise that was made it is very evident that each and every student knew the yells and songs. Hoover and Grimmer have been added to the "cheer leading" section and constitute a great help in this respect. Some very good yells have been submitted to the committee, and for the benefit of those who do not know they are published herewith:

1.

New Mexico, New Mexico, New Mexico, Go,  
Go New Mex., Go New Mex., Go New Mexico,  
TEAM, TEAM, TEAM. YOW-EEEE-EEEE.

2.

One, Two, Three, Four, (slow but loud)  
Who For? What For? (fast)  
Who You Gonna Yell For? (faster)  
New Mex., New Mex., New Mex. (still faster.)

3.

ROUS 'EM, U. N. M.,  
SOUS 'EM, U. N. M.  
ROUS 'EM, SOUS 'EM—U. N. M.

4.

RAY, RAY, RAY (slow but loud)  
U. N. M., U. N. M., U. N. M. (fast)  
CIS, CIS, CIS (faster)  
BOOM, BOOM, BOOM (still faster)  
OH! NEW MEXICO (choppy).

5.

NEW MEXICO, RAH! RAH!  
NEW MEXICO, RAH! RAH!  
NEW MEXICO, RAH! RAH!

6.

VARSITY, VARSITY, VARSITY,  
NEW MEX! NEW MEX! NEW MEX!

The result of the straw vote held in Rodey hall immediately after assembly last Friday morning at 11 o'clock proved very interesting. The tendencies of the school seem to favor the Wilson faction to a considerable degree.

Wilson received 62 votes while Hughes received only 27. This is a very big majority, and some of the Republicans of the institution are trying hard to account for such a disastrous defeat.

For governor of the state of New Mexico H. O. Bursum and E. C. de Baca tied for the honor, having a total of 42 votes each.

Hon. A. A. Jones, assistant secretary of the interior, completely outclassed his opponent, F. A. Hußbell, with a vote of 65 to the latter's 17. Jones led the Democratic ticket by three votes while Wilson and Walton ran even. Walton defeated Hernandez with a vote of 62 to 25.

The election was very interesting and to glance over some of the ballots cast was amusing as well as interesting.

# WE PATRONIZE THOSE WHO PATRONIZE US

## LOCALS

At a freshman meeting last week it was found that two upper classmen were present. One was allowed to remain until he had made an announcement; the other undesirable, a sophomore, was put out in a hurry by freshmen strength.

The following freshmen were seen cleaning the football field last Thursday afternoon: Costin, Lee, Cooper, Hopewell, Morris and Garrett.

Bill Grimmer has been elected cheer leader of the freshmen class; and the freshmen, with over 100 strong voices, make a terrible lot of noise at the pep meetings, but are not able to be heard on the bleachers at football games or at practice.

Hugh Cooper has been elected secretary of the Freshies, to succeed Hiram Herkenhoff, who has dropped school work.

Hazel Hawkins—I'm scared to death of a man in the dark, but not a bit afraid of a woman.

Wonder why she should worry about them in the dark. Oh, Hazel!

Large rewards offered for the discovery of one dark-eyed seniorita who has showered two of our popular students with roses. For particulars, etc., see "Doggie." Be careful, though, because he is "powerful bashful."

ANNUAL REPORT OF  
ALUMNI SUBMITTED

(Continued from page 1)

Printing, chargeable to the scholarship and membership funds jointly .....	10.50
Ledger, record book and incidentals, chargeable to scholarship and membership funds jointly .....	3.00
Bills paid with membership dues and contributions:	
Entertainment of Seniors at the Alvarado .....	18.00
Music at banquet .....	5.00
Expenses for commencement dance .....	15.00

Total expenses .....\$64.50

In spite of the fact that the Alumni Association has not been able to carry out its scholarship plans, the outlook for a strong organization is most encouraging. It is suggested that every man among the alumni should work to secure new students at the University, and also do whatever lies in his power to advance the general interests of their Alma Mater. Individual work in a publicity campaign dealing with the merits of our State University can do much to secure the proper and well-earned legislative recognition which the people of New Mexico believe should be giving to their foremost institution of learning. Co-operation with the faculty and the administrative officers of the University will enable us to finally develop our ideals for a strong Alumni Association, capable of rendering real service to its Alma Mater.

The editor of the Weekly has kindly consented in some future issue to allow the association sufficient space to deal with the glory and achievements of its members and doings in general of the Alumni. In that issue it is hoped that the former University students will have not only something to say about yesterday's dream of happiness, but also will give their vision of hope for tomorrow in the affairs of the University.

DR. FARRAND TELLS  
NEEDS OF THE TIMES

Dr. Livingston Farrand, president of the University of Colorado, spoke to the students of the U. N. M. on Thursday morning in assembly. It is not often that we have a chance to hear such men as Dr. Farrand, much to our regret, so that this opportunity was especially welcome.

"There is now a crisis in our country's times, according to Dr. Farrand, testing the very foundations of American democracy. It is very necessary for us to realize that, although we have fought a civil war, testing our government of the people, by the people and for the people, we have not yet proved the adequacy and stability of our government.

"As a neutral nation we cannot help being interested and seriously concerned with the fortunes of the warring nations of Europe. We are not, however, as seriously concerned as we would be, were we, ourselves, engaged in this war. Our own internal problems are far more serious to us at the moment.

"Problems such as the president railroad conditions are taxing the minds of our great men at this time. Dr. Farrand pointed out that the men who are now engaged in solving these conditions will soon have to leave it to the younger generation now coming up. It will be the educated class of people who will have this work to do. As University students, it will be for us to take our places in this work."

"During college is the time when a great many habits are formed." Now is the time for us to form good habits of thought. After years of experience teaching as well as experience in the world, Dr. Farrand believes that the point of view a student develops and the way he looks at a question is more important than the mere facts in the case.

"The great need of the American people is to be able to look at the other man's side," says Dr. Farrand, "and think twice before acting." Our judgment would then be sound because it would be well balanced.

The closing thought that he gave us was the hope that we would learn to take the situation seriously, and that we would form the habit of broadmindedness, sound judgment and fearless action.

Miss Angelica Howden, who attended the University last year and was affiliated with Xi Chapter, Phi Mu, has returned from the East. Miss Howden does not expect to re-enter college until the second semester.

Chalmers Bowers, who was called to his home in Alamogordo to attend the funeral of his brother, who was killed last week by lightning, returned and is taking up his studies again.

We have just received a Special Line of University and Fraternity
