GOOD PROGRAM AT THE FIRST VESPER SERVICES

Encouraging Down-Town Audience on Hand to Lend Approval to New Innovation at Varsity.

The first Vesper Services at the University of New Mexico, held in Rodey Hall Sunday afternoon, were encouraging in a marked degree to those responsible for their innovation. Quite a good audience, representative of the leading people of Albuquerque, was on hand to lend their support to the plan.

The program opened with a selection from "The Holy City," for the prelude following which the innovation was given by Rev. Hermon P. Williams. The choir then rendered the Anthem "Sanctus" by Gounod, after which Dr. David R. Boyd gave the Scripture reading, which was followed by the Lord's Prayer, rendered by the audience seated. The offertory, "Intermezzo from Immanuel" which came next, was followed by a vocal solo, "Fear Not, Ye, O Israel," by Miss Mary McFie. Dr. Boyd then delivered the address of the afternoon, "The Religion of the Will," in which he pointed out the importance of the will in governing the actions of mankind, showing how everything takes subservience to it, and its great place in human life.

Dr. Boyd's address was in part as follows:

Philosophers and thinkers have, in the past, continually debated as to what place Psychology has in religious experience. Scholars have studied as to whether thought, feeling or action comes first, in religious experience.

Christ, in his teachings, has thrown special emphasis on will, on action. "It is My will, My meet, to do the will of Him Who sent Me," He says. "He that doeth the will of My Father, doeth right to his brothers and sisters."

When the modern psychologist says the will dominates the department of feeling, he says what Christ said in the Fourth Gospel, when He was asked about His teachings: "If you will do His will, you will know the doctrine."

The pedagogical order of our experience is first to act. Our bodily development is based on physical action. It is first reflexive, without direction and guidance. Further experience gives skill in directing the physical movement. The development of the body itself depends upon the physical activities, directed with purpose and aim to secure results. After that comes the experience of pleasure and displeasure, comfort and discomfort, joy and sorrow. The whole of our experience is to act according to the light that we have and what we know to be right. Then we begin to feel and know the truth, the final refinement of all our ideas and experiences.

Some say they cannot believe. This is unfortunate. Others say they cannot respond to the influences and emotions of the revivalists. That is a pity.

But all can respond to the call to action, to the power to make decision. In fact, we not only have the power, but we are under the constant, minutely, hourly and daily necessity of making decisions, throughout our life.

If you are unable to formulate and subscribe to a creed, it is necessary for you to act, to do His will, and

SOLDIER BOYS BITE THE DUST BEFORE VARSITY'S WARRIORS FRIDAY LAST

IN THRILLING GAME WITH FINAL OUTCOME UNCERTAIN UNTIL ALMOST THE LAST MOMENT, THE U. N. M. SECURES REVENGE FOR PAST DEFEATS.

NINE TO SEVEN IN OUR FAVOR IS THE FINAL SCORE

Prospects for Varsity Annexing State, As Well As Southwestern Championship Looking Better All Along, and the Team is Working Faithfully, With That End in View.

"Revenge is sweet," and the Varsity secured hers Friday afternoon, when she humbled the military boys from Roswell to the tune of 9 to 7.

Hard Fought Game.

The game was one of the fiercest and hardest fought seen on a local gridiron for years. Roswell, in its anxiety to overcome the University's lead, resorted to foul tactics on numerous occasions, which were promptly penalized by Referee Lanham, who, to his credit it must be said, allowed scarcely anything to slip past him. Were it not for these penalties Roswell would have had a first class chance of winning, although a piece of hard luck alone prevented the Varsity from making a touchdown in the last quarter, when she had the ball on Roswell's one-yard line, with four down in which to put it over, which, however, was prevented by the blowing of the whistle, signifying that time was up.

Varsity Jubilant.

It was a wildly-excited and happy throng of loyal U. N. M. rooters that burst on the field after the game. The players were hoisted on the shoulders of admiring friends, and carried around the field, while "the welkin rang" with Varsity songs and yells.

Town Wakened Up.

Those in Albuquerque who may not have hitherto been aware of the existence of the University, were awakened to that fact after the game, when led by the Indian band, and followed by the 'bus containing the Varsity warriors, the rooters for the U. N. M. marched down Second Street to Central Avenue, and down Central to Fourth, giving vent, all the while to their cheers, yells and songs, in which the Indian band ably assisted.

At Fourth and Central, after, collectively and individually cannonizing the team, the crowd broke up, and made their ways homeward, to make preparations for the dance given the Roswell team that evening.

Alas! Poor Roswell!

It was a sorrowful bunch, on the other hand, that followed the Roswell team back to their hotel, to listen to their excuses as to "just how it all happened" and "why this should have been, but wasn't," and so on, ad absurdum.

Lean Purses, 'Tis Said.

It has also been gently hinted, although not substantiated, that some zealous Roswell supporters, relying on sentiment more than sense, were, at the conclusion of the game, brought to that condition of purse, where they would have been compelled to walk the railroad ties back to that "dear Pecos Valley." However, as stated above, this is only a "hunch" received by certain prophetic ones, with an apparent gift of divination.

The Game in Detail.

The game by quarters was as follows:

First Quarter.

Varsity kicked off from north goal. Calkins intercepted Roswell's forward pass. The play electrified stands, but on line buck Varsity fumbled and Roswell had the ball on their own fifteen-yard line. Roswell fumbled, but recovered ball after general scramble. Again Roswell fumbled and recovered. Roswell missed on forward pass and had to kick. It was Varsity's ball on forty-yard line. Varsity kicked and as the result of a pretty run-back Roswell had the ball in the center of field. Calkins intercepted forward pass by Roswell but again a fumble lost the ball for Varsity. After missing forward pass Roswell kicked to LaPraik on ten-yard line. A poor pass by Gass put the ball on Varsity eight-yard line. Hesselden kicked out of danger. Roswell succeeded in making downs and then tried passing again. The third attempt was intercepted by LaPraik on Varsity five-yard line. Varsity kicked. Time was called with ball in Roswell's possession on forty-yard line. Score—Varsity 0, Roswell 0.

Second Quarter.

Period opened with ball in Roswell's possession on forty-yard line, third down. Roswell kicked. LaPraik made a pretty run, returning the ball twenty yards. Varsity kicked to Roswell's twenty-yard line. On getting the ball, Roswell man tried kick-back but fozzled and Varsity secured ball. Varsity fumbled but recovered ball. Roswell intercepted forward pass but fumbled and Varsity recovered ball. Hesselden drop-kicked for a field goal from thirty-yard line, scoring three points for Varsity. LaPraik kicked off to Roswell's fifteen-yard line, Roswell running ball back fifteen yards. Davis gained twenty yards for Roswell on end run. LaPraik intercepted forward pass on thirty-yard line. Varsity kicked. Again Roswell attempted kick-back and very nearly lost ball. On Roswell's kick LaPraik caught ball and made pretty run, only being stopped by his own interference. Varsity missed two passes and kicked. Roswell lost ground on straight buck and end run and kicked. LaPraik caught the ball on pick-up and made a pretty return. Varsity kicked. Roswell quarter fumbled pass and Brashear was through line and on ball. Captain Calkins made a perfect forward pass to LaPraik, making big gain. Only a few seconds of play remaining, Hesselden attempted to repeat on goal kick from twenty-five-yard line but failed. Quarter score—Varsity 3, Roswell 0. Total—Varsity 3, Roswell 0.

Third Quarter.

Roswell kicked to Littrel on Varsity twenty-five yard line. Exchange of kicks. When Roswell played straight football, Brashear broke

GLEE CLUB AND ORCHESTRA WORKING HARD

Preparations Being Made for Good Turnout of Both Organizations During Convention.

The Glee Club has the work well under way, preparing for the Teachers' Association during Thanksgiving week, and is having practice in earnest. Miss McFie is drilling the club in her customary capable manner, and there is no doubt but that when the Glee Clubs at the Association have all had their little turn, the U. N. M. Glee Club will come out on top.

Orchestra Practice Also.

The Orchestra has practiced every week, preparatory to playing during the Convention. A number of new ones have signified their intention of joining, and with this extra membership, the Orchestra should be a credit to the Institution.

Assembly Choir Sings.

The Assembly Choir rendered Gounod's "Sanctus" at the Methodist Church Sunday morning. They also gave it Sunday afternoon at Vespers. A book of good selections has been prepared, and will be used from time to time in the Chapel, at Assembly, and at the Sunday Vesper Services.

MISS DEAN GIVES US A HALLOWE'EN PARTY

Our Miss Dean gave the girls at Hokona one of the happiest times they will always remember last Thursday evening.

Pleasure and Larks.

Fun and happiness took the Dorm by storm. We played "Hide and Go Seek" with cheer and good fellowship. The fire-place joined the happy band, toasting the luscious marshmallows.

Comidas, Tambien.

Great stacks of grapes, ((all the same a la vineyard)), apples, a perfect orchard of them, and everything good to eat, was on hand. There were even wells of water, floating apples of every size, for which you had to duck some, believe me.

Cheers For the Hostess.

At the close of the party, the Hokona girls joined in nine rousing U. N. M.'s for Miss Dean.

SOME FOOTBALL.

Yesterday's game between the New Mexico Military Institute, and the University of New Mexico was one of the most sportsmanlike contests we have had in this state. That the University won, as the result of certain features to which the sporting editors are referred, is cause for congratulations to our home people. Yet Roswell not not be at all ashamed of the showing made by their young men.

The congratulation comes from the fact that here in the wilds of woolly New Mexico we can pull off a football game which in point of fast play, hard-working men, skillful coaching and thrilling interest, fully equals anything that is being done this season on the barred fields of the eastern and middle western colleges.

One might travel from New Haven to Michigan without finding a more interesting exhibition of the sport than that given yesterday afternoon on Hopewell Field.—Evening Herald.

FRIDAY'S GAME.

The result of the game Friday has shown us that we have a team here with splendid possibilities. In spite of the handicap in weight, we put one over Roswell that was surely gratifying, the smallness of the margin only making the smart of defeat worse for the Military Institute.

The loyal rooting of the U. N. M. spectators on the side lines was one of the finest exhibitions of school spirit and devotion witnessed hereabouts for quite a while. Such a thing, kept up, will mean a loyal student body, working in after life for the best interests of the University, and no one can judge of its benefits to the Institution. So it is to be hoped that the good spirit, so well started, may be continued, to the future growth of the U. N. M.

FACULTY NOTICES.

It is the intention of The Weekly, beginning with this issue, to run in each issue, a column, containing Faculty Notices of interest, for the coming week. This move is inaugurated in order to make The Weekly fulfill, to the best of its abilities, its duty of being of as much service as possible to the Institution.

We trust this may meet with the approval of all concerned.

make His will yours. The most remarkable thing in all creation is man, and to me the most remarkable thing about man is his opportunity to do and act. God does not coerce our will. We can do wrong in His face, despite His love and His established law of the penalties and the consequences of the violation of it. God put the responsibility of our actions upon us, and therefore, Christ showed his greatness as a teacher when he laid emphasis on the will to do.

Our thoughts may become higher as we ascend the heights, up the mountainsides, and through the valleys, in the ramblings of the streams, to the great Ocean of Infinity.

"Our Wills are ours," Tennyson has said. "Our wills are ours to make them divine."

Following Dr. Boyd's talk, the hymn "He Leadeth Me" was rendered by the entire audience, after which the benediction was given by Dr. H. P. Williams, and with the postlude, Selection from "Immanuel" the exercises were brought to a close.

through the line and threw man currying ball for loss. Roswell kicked. Calkins made another pretty forward pass to LaPraik. "Jack" had an open field and took the ball over for touchdown. Shield's interference on play was good. Calkins failed to kick goal. Varsity kicked off. Townsend made thirty yards for Roswell on long end run. Gass intercepted forward pass and LaPraik kicked. Roswell made forward pass, man being down on Varsity Seven-yard line and it looked like a touchdown for N. M. M. I, but instead the ball was called back and Roswell was penalized because the quarter was not five yards behind the line of scrimmage when the pass was made. Roswell kicked and on touch-back LaPraik chose to punt from fifteen-yard line. Quarter Score—Varsity 6, Roswell 0. Total—Varsity 9, Roswell 0.

Fourth Quarter.

After exchanging kicks Roswell tried for field goal from thirty-five-yard line but failed. Varsity punted and Roswell had ball in center of field. Roswell punted after failing to gain on bucks. It was Varsity's ball on one-yard line and on kick Roswell blocked and secured ball on thirteen-yard line. McClure made forward pass and Garst carried ball over for touchdown. Roswell's first score. Davis kicked goal. With the score, 9 to 7, Varsity tried to score again instead of merely playing defensive football. After exchange of passes and kicks Shufleberger intercepted a forward pass by Roswell on thirty-five yard line. Roswell was penalized ten yard for interfering with pass. LaPraik gained ground through line. After missing on two forward passes Varsity gained twenty-five yards on a pass from LaPraik to Shufleberger. With only a few seconds to play another forward pass was attempted. Calkins passed the ball to LaPraik perfectly and LaPraik carried the ball to the one-yard line. Before another play could put the ball over the whistle blew. Quarter score—Varsity 9, Roswell 7. Total—Varsity 9, Roswell 7.

University, as well as most of the members of the student body were present, and everyone apparently was thoroughly enjoying himself.

The music was furnished by Miss McFie's Orchestra, and it is putting it mildly to say that it was splendid, and "made a hit" with everybody. The punch, made under the skilled direction of Lacy Mahon, was in great demand all evening, the only fault being that the supply was not quite equal to the demand.

"Tag" was the order for the visitors, of which they availed themselves without hesitation, to the evident discomfort of certain unfortunate Varsity youths, the majority of whom were just in the midst of a delightful whirl when, "tag" and said unfortunate had to tie himself to the seats and watch one of the Military boys happily spinning around.

The dancing broke up promptly at twelve o'clock, when the bus made its appearance, but up to that time, everything had been going well, and the time had passed too quickly for all present.

The dance was a success financially as well as socially, as may be seen from the following report of the Chairman of the Committee, Lacy Mahon:

FACULTY NOTICES

Mathematics B will begin the study of Book III, in Petee, Plane Geometry on Thursday, November 6. All students enrolled for this work must be present on that day, or be marked absent.

All organizations of the students of the University, other than Athletic, are requested to obtain recognition from the Committee on Non-Athletic Organizations. Requests for recognition must be made in writing to the Chairman of the Committee, R. M. Barton, and must contain the names of the officers of the organization, as well as a brief statement of the purpose and intended activities of the organization. R. M. BARTON.

HISTORY CLUB ORGANIZED.

The History Club of the University was organized for the present year at a meeting held Wednesday afternoon. Miss Jean Arnot, president of the club the past year, tendered her resignation, and the other officers of the organization were also declared relieved of their duties.

Nominations then being in order, Miss Arnot was nominated for re-election, but, to the regret of the members present, she declined to be put up.

Miss Lucie Bell Alexander, of Rushville, Illinois, was then nominated for president, and unanimously elected.

Following this, Miss Grace Sheets, of Morgantown, West Virginia, was elected vice-president by acclamation, and Miss Cora Greenfield, of Rogers, Arkansas, was unanimously elected secretary-treasurer.

All the newly-elected officers made short speeches, pledging their support to the purposes of the History Club, and their hope and confidence that it will continue to be a success.

A meeting of the club will be held shortly, at which a program, to be drawn up by the entertainment committee, will be given. The program will consist of short talks on various historical topics of interest, followed by refreshments, and a social hour.

Prize Offered.

A suitable reward will be given for the best answers received to these questions. All answers must be sent in to the Associate Editor, Mr. Lester Ifield, before Monday, November 10. He reserves the right to reject any answers, and not to award any prize if the answers are not suitable:
