VARSITY 9 INSTITUTE 7

ALBUQUERQUE PEOPLE
TURN OUT FOR GAME
ON ARMISTICE DAY

Biggest Crowd Which Has Ever
Been Assembled for Football
See Lobos Win.

The people of Albuquerque showed their support for the University team and their love of football by turning out in strong numbers for the Armistice Day game. The effort made by the students to talk up the game, the loyal support of the newspapers and the co-operation of the Chamber of Commerce and business men's clubs combined made football history from the ticket office standpoint last Thursday.

The crowd went home well satisfied with the day and with the result of the game. The two new sections of bleachers, the sections borrowed from the High School field, and all the old bleachers were packed with people. Autos crowded the field two deep behind the fence around the field. The smooth gridiron, with its white lines and the mass of humanity made a delightful picture.

INDIANS AND SECOND
TEAM TO STRUGGLE

November 20, While First String
Is In Tuscon.

The second team Varsity will tangle with the U. S. Indian School November 20, while the first team is in Arizona playing the University at Tuscon. The second stringers will be handicapped by the large squad which will be taken to Arizona, and if the Indian School plays their coach as they did in the last scrimmage with the Varsity, the second team will have a hard time beating the Indians. An interesting game is expected.

LITERARY SOCIETY
IS ORGANIZED

Charles Caldwell, President; Mary
Sands, Vice President.

Ever since the first week of school, when a letter was received from the University of Arizona challenging the U. N. M. to debate, the need of an organized body to undertake such matters has been keenly felt. In place of the various temporary organizations of former years, it was suggested that a Literary Society with permanent organization be established.

With this end in view, a meeting was called Monday noon and the first steps toward the organization of such a society were taken. The officers elected are: Charles Caldwell, president; Mary Sands, vice president; Walter Berger, secretary-treasurer. A committee on organization was appointed and is now at work on a constitution for the society.

It is the purpose of the society to have regular meetings, when the literary program will be given and tryouts for debates, oratorical and declamatory contests, and all such matters will come under its control. An opportunity for parliamentary drill and all kinds of public speaking will be given the members, and it is hoped that a great deal of benefit and enjoyment will be derived from the meetings.

A second business meeting will be called in the next few days and all students who are interested are invited to be present and offer their suggestions.

FERNSTROM MANAGER
OF BASKETBALL TEAM

The Athletic Council held its regular meeting last Tuesday evening. The council announced the appointment of John Fernstrom as basketball manager by Coach Johnson. Mr. Fernstrom was at the meeting and gave some tentative plans for basketball. He is getting busy lining things up and actual work and practice will begin immediately after the termination of the football season.

LATEST FLASHLIGHT
HAS NO BATTERY

A French inventor has succeeded in perfecting a flashlight that, instead of the usual battery, has a small electric generator concealed inside the metal case. The tiny dynamo is driven by pressing on a lever which operates multiplying gears attached to the armature. Popular Mechanics.

MacArthur made only Touchdown

Close Game with Roswell Huskies makes
Lobos sweat; Varsity Team gained
by straight football two yards
to the Institutes one. Breaks
in game against home
team

The Lobos celebrated the second anniversary of the signing of the armistice by defeating their hated rivals, the New Mexico Military Institute, in the best game that the local gridiron has seen in many moons.

At no time during the game was the result a certainty. Both teams were fighting when the last whistle blew, and the score board read: Varsity 9, Institute 7.

During the first quarter the Institute seemed to have the jump on the Varsity; but as soon as the next period began the Lobo lines stiffened. Here the ice was broken. The Lobos were on their fourth down, twenty-five yards from goal. Mann made a pretty drop kick, making the score 3-0, favor of the Varsity.

The wind with them, the Lobos made a long kick-off to Godfrey. Institute right-half, who seemed to hesitate, deciding whether to touch it down back of his goal or to run with it. He started out dodging, and with perfect interference was able to run the whole length of the field for a touchdown.

The Lobos, with their back to the wall, came onto the field in the second half with a real determination to fight. They began their charge down the field by a long end run by Mann, who was headed for the goal when stopped by a desperate tackle by Boyer, Institute safety man. The Varsity was now opening up and using passes and end runs; they were able to gradually move up to within fifteen yards of the goal, when Mann passed to MacArthur on the two-yard line. He went over for the touchdown. Gerpheide failed to kick goal. Roswell was still fighting, but were unable to count against the Lobos.

Roswell had a wonderful line, always running perfect interference. No one player starred. They were always in the game and fought to the last minute. Godfrey's long run was sensational, yet it was due to his support.

Gerpheide was the star of the Lobos. His consistent line plunges were a great factor in the Varsity victory. Sganzzini played a very good game until injured in the second quarter. Mann's kicking showed up very well. Witten and Hesselden, both played well on the defensive, spoiling some long Roswell passes.

A great deal of enthusiasm was displayed by the crowd. Through the cooperation of the American Legion, Chamber of Commerce, the

local newspapers and the University Student Council, the football management was able to put over the game with a bang. It was truly a gridiron classic from every point of view.

First Quarter.

Greenleaf kicked for the U. N. M. and Roswell's back failed to advance the ball. The first play resulted in a fumble and the Varsity recovered the ball. On the next two plays the Varsity failed to gain. Roswell intercepted a pass but did not run it back. Roswell punted to Varsity 30-yard line out of bounds. L. Gerpheide made 4 yards through the line and Sganzzini followed with 4 more. Mann lost 2 on an end run. Mann punted to center 4 field. The Institute's first two plays netted four yards but lost their gain in a tug around end. Roswell punted to Hesselden, who signalled for a fair catch but was interfered with. Roswell penalized 15 yards. Sganzzini made 3 yards through tackle. L. Gerpheide went through the line for 2 yards and Mann around end for four. L. Gerpheide made first down but the Varsity were penalized 5 yards. Mann kicked to the 50 yard line. The Institute failed to make first downs. The Varsity fumbled and Roswell recovered the ball. Roswell tried a place kick but it was blocked. Mann recovered the ball and carried it back 30 yards.

Second Quarter.

Gerpheide made 15 yards straight down the side line. Hesselden made 3 yards through the line. Sganzzini was injured in an attempt through center and was replaced by Hernandez. Mann made 5 yards through the line. U. N. M. held for downs. Roswell lost two yards on an end run. Witten recovered a forward pass. Mann made three yards on an off tackle play and Hernandez kicked from the 25 yard line, scoring 3 points. The U. N. M. kicked off to Roswell's goal line. Godfrey received the kick and ran 100 yards for a touchdown. Roswell kicked off to Gerpheide who ran it back 10 yards. Gerpheide made 3 yards through the line. Mann gained 5 around end. Gerpheide made 10 around end. Hesselden went through the line for 3 yards. Mann failed on a drop kick. Roswell recovered the ball and returned it 10 yards. Roswell went through the line for four yards and gained 15 yards on a forward pass. Three more attempts in passing were incomplete. Roswell kicked out of bounds at our 25 yard line. Gerpheide made 15 around end. Half Score, 7-3.

Roswell kicked off to Gerpheide, who ran the ball 15 yards. Mann kicked to Roswell's goal. Bayer returned the ball 15 yards. Institute penalized, punted but the ball was brought back on a penalty. Roswell kicked to Mann who returned 10 yards to the 30 yard line. Roswell recovered a pass and returned it to 35 yard line. Roswell made first down on two plays through the line. They lost 8 yards on the next play and failed to gain on the next. Roswell punted to Gerpheide who was pushed out of bounds. Mann made 9 yards around end. A forward pass to B. Gerpheide netted 12 yards. Next play was a pass recovered by Roswell on our 15 yard line. Institute punted to Mann, no run back. Institute recovered a forward pass on 30 yard line. Roswell made first downs twice. Roswell penalized 10 yards. Roswell kicked to Mann. Gerpheide made 15 yards around right end. Time quarter score, 7-3.

Roswell recovered the ball on a fumble and kicked to our 30 yard line. Mann, Gerpheide and Hernandez made first down through the line. Hesselden made 4 around end. Gerpheide made 7 around end. A forward pass failed. Gerpheide was sent around end for 5 more yards. MacArthur caught a forward pass on the one-yard line and went over for a touchdown. U. N. M. kicked to Roswell. Roswell tried 2 forward passes, both were incomplete. Roswell kicked to our 10 yard line. A penalty put the ball on the five yard line. 3 Plays through the line netted 3 yards. Mann punted and Dunnigan recovered the ball on the 30 yard line. Mann went through the line for 4 yards. Time. Score, 9-7.

The Line-Up.

Roswell	U. N. M.
Bayer	OB
McQuarters	FB
Godfrey	RH

LOBOS TAKE LONG END OF 67
TO 0 SCORE FROM ORE-DIGGERS

Visitors Put up Game Fight but are outclassed
in every detail of clash

The Lobos walked away from the Texas Miners last Saturday on the local field to the tune of 67-0.

The Miners were outplayed in every department of the game. The Lobos were unable to use an aerial attack to any great success, but made up for it by their long end runs.

L. Gerpheide started the scoring by circling the right end for a touchdown. Hesselden, Mann and Wilfley also scored touchdowns during the game.

The Lobos are now in line for the championship of the Southwest. Comparing scores they have an advantage over Arizona, who defeated the Texas School of Mines 60-7.

First Quarter.

Greenleaf kicked off for 30 yards. The Miners carried the ball to the

30-yard line. Miners held for downs and kicked to Mann who carried the ball to the 40-yard line. Mann fumbled and Miners regained ball on 20-yard line. They were held for downs and New Mexico went over for a touchdown. Gerpheide carried the ball for 30 yards. Varsity failed to kick goal. Miners kicked to Greenleaf, who fumbled. Varsity recovered on the 40-yard line. By a series of line plays by Gerpheide and Sganzzini, the Lobos were marching steadily when they were penalized 15 yards. Mann punted over the side line. Miners' ball on the 30-yard line. Score: Lobos 6, Miners 0.

Second Quarter.

Miners' right half gained 6 yards through center, but was forced to kick. Hesselden returned the ball to the 5-yard line with sensational

run. Gerpheide went through center for a touchdown. Gerpheide kicked goal. Varsity kicked to Miners, who were held for down and punted. Gerpheide carried the ball for 24 yards around Miners' end. Smashing through the line, the Varsity backs placed the ball on the Miners' 2-yard line. Mann went over with the ball for a touchdown. Gerpheide kicked goal. Miners kicked 40 yards. Gerpheide returned 30 yards. Mann went around end for 20 yards. Gerpheide went through end for 4 yards. Hesselden carried the ball for successive runs. Miners penalized 5 yards. Sganzzini went through tackle for 9 yards. Hesselden carried the ball through center for a touchdown. Gerpheide kicked goal. Varsity kicked to Miners.

(Continued on page 4.)

SOME EX-SERVICE MEN
IN VARSITY AIDED BY
"Y" SCHOLARSHIPS

Fine Work of National Organization
Makes Possible Schooling
for Numerous Men.

At the close of the war when the greater portion of the Y. M. C. A. war work was closed up, there remained a surplus of funds in the Y. M. C. A. treasury. It was decided that these funds were to be distributed to various districts in the United States and expended in scholarships to ex-service men who wished to continue their education but who were pressed for funds to go on with their university work.

To obtain one of these scholarships an ex-service man made application on regular blanks, through the local committee. After the local committee had passed on the application it was forwarded to the state or regional committee who also passed upon it. If the final committee treated favorably the applicant was notified of his election. As soon as the first grades were issued the elected student would send a report of his grades, signed by the registrar, and with them receipts showing expenditures for tuition, laboratory fees, books, etc. At the same time the student would state whether he desired the money sent in quarterly or monthly installments.

The amount assigned to this area is \$175 per year, payable quarterly or monthly. Six or seven Varsity students are being assisted by these scholarships. Mr. Kirk has been informed that there will be further funds available about the first of the year. Any student wishing to take advantage of these scholarships should see Mr. Lynn Fox, local Y. M. C. A. secretary and chairman of the local committee, concerning these scholarships and method of application.

GIRLS' BASKETBALL
BEGIN TO PRACTICE

Afternoon Practices Give Evidence of a Winning Team.

The girls interested in basketball met this week and set a time for practicing. So far there has been from 15 to 20 girls out every afternoon. Because of gym classes in the girls' gymnasium it is necessary to play on the men's floor.

Much good material is evident and under the leadership of Miss Dorothy Stephenson, captain, there are promises for a winning team.

GIRLS URGED TO BE
TRUE TO ATHLETES

Evanston, Ill., Nov. 5.—Dean Frederick Flickinger has set all tongues wagging at Northwestern university as the result of a rather vigorous talk he made at chapel recently.

"You students are degenerating into 'pink tea hounds,' and what I want Northwestern to be is a fighting school," he declared.

"No football playing students should refrain from going out with girls. Those on the team who, because of training rules, can't go out with their sweethearts resent seeing them go out with other students. They worry, and their playing falls off."

"Girls should refuse to go out with the 'pink tea hounds' during the football season."

Y. W. C. A.

The regular weekly Y. W. C. A. meeting was held Wednesday noon in the parlor at Hokona and a very interesting program was given. The meeting was presided over by Mary Sands, president. Mayme Hart gave an interesting description of the convention held last year at Des Moines. Evangeline Smith sang "Morning," and Miriam Schiege gave a report on a Y. W. C. A. convention which was held at Cleveland, Ohio, at which the membership ruling was changed.

The membership drive which was carried on last week proved to be very successful and a number of new members joined. The Y. W. C. A. meetings are becoming very interesting under the capable management of the president and more enthusiasm is gradually being shown.

FRIDAY, NOVEMBER 12, 1920.

THE CONSTITUTION.

The Student Body by its action Friday in refusing to push through in one sitting the proposed new constitution, showed its healthy spirit. Had the constitution, which in general seems acceptable, no faults at all, time would not have been lacking to so discover. As it happens there are a number of points on which there are differences of opinion, which should be carefully thrashed out in open meeting, and some articles and sections where minor changes will strengthen the constitution and make it a satisfactory instrument in student affairs.

The proposed constitution has appeared in the Weekly of October 30, and been handed in printed form to the students. Reference to these copies will enable the reader to apply the background for the following nine (9) suggestions for changes in and amendments to the proposed constitution:

First—Article 2, Section 2, deals with meetings. The number of meetings should be encouraged by (a) the establishment of at least one regular meeting a week; (b) granting the president the right to call meetings; and (c) by reducing the number of students on whose petition he must call a meeting from 25 per cent to 10 per cent.

Second—It has been suggested and very wisely, that Article 2, Section 5, dealing with the manner of election and nomination, does away with nomination speeches from the assembly floor. The whole idea being that the practical experience on the floor which would be secured under this plan would be worth a good deal in future years. This section need not be changed, but a clause be added that nominations must be made from the floor of the assembly of the names already posted.

Third—Article 2, Section 3, dealing with eligibility, can be made more clear and the meaning understood better if "at the time of election" is added to this section. It will then read: "Any student of the University who is eligible for class or associated student office must comply with the eligibility rules of the University and be eligible at the time of election."

Fourth—A question brought up in assembly Friday and rather disregarded, is the suggestion of a judiciary power. If the associated students are to have student government they must have something else besides executive and advisory council even if the latter has the broad powers which the constitution gives them. We suggest a student court composed of three upper classmen elected by the associated students, who will be given judiciary power over student acts that are covered by the constitution laws of the student council and laws of the associated students. Also let them be empowered to judge all acts of the student council and of the associated students to be constitutional or not constitutional.

Fifth—An article should be inserted for the recall of officers, such recall to be put to the vote of the associated students after a decision of the student court just mentioned.

Sixth—Article 5, Section 1, is probably the most glaring error in the constitution. The intent of the framers of the constitution was, we believe, to make one nomination through the student council and the other nomination may be made by any number of students in the prescribed way (Article 2, Section 5). The way the Article reads now, the only nominations which may be made are from the student council and they may make two. This is the wording of the Article: "The editors and managers respectively, elected by the student council and regularly elected by the associated students upon nomination by the students' council in a manner and at a time during May or June, shall be the student council. There must be more than one nomination made."

Seventh—Article 5, Section 2, under Compensation, still has the objection of a limited earning capacity without any backing by the people limiting the earnings of the manager of student publications. This is a very unfair proposition.

Eighth—Article 5, Section 4, proposes a Faculty Adviser on the staff.

of the student publications. Either this Article should be dropped or the power of that faculty adviser definitely stated.

Ninth—Under Student Fees, all matter of finance are covered but social functions. We have had two social functions this year, the funds for these functions being put up by a very small percentage of the students. This is a matter to be cared for under student dues with a regular appropriation and a social committee appointed by the president of the associated students, which committee will present at every semester a social program for the coming semester.

Tenth—Article 10, Section 1, under the title, Ratification, it has been suggested that so as to make things clear as to where the old constitution stops and the new takes hold, that the article read as follows: "This constitution will become effective upon ratification by the majority of the associated students; it will amend and replace the constitution existing at the time of such ratification, except that the present officers shall hold over until superseded by their duly qualified successors, and they shall hold and execute their offices under the present old constitution, and this constitution and all amendments thereto will be considered binding after approval by the Regents of the University."

We suggest the following preamble: "We, the students of the State University of New Mexico, in order to maintain a forum for the expression of student opinion, to foster and control the varied enterprises of student life and to promote the welfare of the good name of Alma Mater, do hereby organize ourselves under the following constitution and by-laws."

SOCIETY

The men of Alpha Delta entertained Friday evening with a dance at the Masonic Temple. Those who danced were: Prof. and Mrs. Landers, Dr. and Mrs. Hill, Dr. and Mrs. Clark, Mr. and Mrs. Robert Rockwood, Dr. and Mrs. L. B. Hessler, Mr. and Mrs. Frank Shuffelbarger, Mr. and Mrs. Ed Ross, Misses Laura Crawford, Margaret Hardeman, Clara Parson, Lorena Burton, Katherine McDowell, Catherine Deasing, Helen MacArthur, Jessie Harrington, Wenonah Dixon, Elsie Ruth Dykes, Evangeline Smith, Mary Sands, Dorothy Allard, Hazel Morris, Hazel Payne, Bubble Jahn, Leora Gochenour, Esta Breeden, Helen Nelson, Julia Master, Wilma Snyder, Mary McMullan, Mary Wood, Beulah Breeden, Dorothy Stevenson, Dorothy Cameron, Altha Hamm, Helen Darrow, Alene Bixler, Katherine Shotwell, Mary Mize, Clyde Wilson, Blanch Guley, Lorraine Cleaveland, Irene Fee, Beatrice Hill, Mary Lou McGuire, Gail Beaman, Edna McGuire, Ruth Heflin, Edna Hellyer, Julie Hubbell, Helen McIlvain, Mayme Hart, Betty Morrisette, Susan Tully, Betty Arnot, Irene Wickland, Flora Chess, Vera Keich, Edna Mosher, Wilma Shelton.

The students of U. N. M. entertained the Texas School of Music football team with an all-school dance at Rodey Hall Saturday evening after the Mines game. The Texas men were taken to the train in cars to catch their train for the south. It was the prettiest all-school dance that Rodey Hall has seen for some time.

The women of Hokona have issued invitations to their dance, to be held at the women's gymnasium, Saturday evening, November 13.

The pledges of Kappa Kappa Gamma are giving a dance at the Women's club Friday evening, November 19.

PHI KAPPA PHI ELECTS MEMBERS

The New Mexico chapter of the society of Phi Kappa Phi announces the following new members:

Active—President David Spence Hill, Dean Thomas F. Byrne, Dr. Chas. E. Conner, Dr. L. B. Hessler, Dr. Edna Mosher, Professor Robert W. Ellis, Miss M. Greenfield.

Honorary—Dr. Edgar L. Hewett, Mr. Aldo Leopold.

The initiation of the new members will occur within the next month.

Great issues of today. This week's question: "Which can keep a secret better, a boy or girl? This is one of life's greatest problems. Read the AD Referendum and find out from people who know, when to keep your secrets and who to tell them."

The AD. You might as well publish anything in the paper as tell it to a girl. (Don't take it seriously, girls, George isn't so hard boiled after you know him.)

Geo. Martin. A girl is the best pal in the world if you get the right kind. You can tell them anything, sometimes.

Skinny. I told a secret to a blond haired girl once and she told it to another fellow the next day.

Helen McArthur. Tell a secret to a boy and he can hardly wait till he gets inside the house to tell all his fraternity brothers.

Darling Dick. Don't trust either one.

Byrd Whitten. Girls can't keep a secret. If you have to tell it, tell a boy.

SOUTHWESTERN GRID OFFICERS ORGANIZE (El Paso Times)

Members of the Southwestern Football Officers' association and prospective members are requested to take note of the fact that the regular weekly meeting of the association will be held tonight at the office of the secretary at the U. N. M. C. A., Oregon and Missouri streets, from 8:30 to 9:30 o'clock.

Regardless of what may come from other quarters, the meeting will positively be held tonight as stated. This arrangement was made at the last meeting and Wednesday night, at the hour given above, was set for weekly meetings.

Several who were unable to attend the last meeting will be present tonight. Colonel White, athletic director at Fort Bliss and vice president of the Army League, has given positive assurance that he will be on hand. Others who were not on hand at the last meeting night and who have given assurance they will be present tonight are Lieutenants Johnny Duffy, Madison Mudd and Dr. Varner and Jack McDonald of the Calumet club.

Charter members and others who have or may officiate in football games or who are interested in the direction of teams are again earnestly invited to attend.

SCRUGGS ON CONSTITUTION

The agitation that seems to be out against the new constitution is not all without a good, sound, substantial lot of reasoning behind it. If it seems that there are some points in the paper that are a trifle hazy and before adoption of the constitution should be thought of more by each individual student. This constitution wants to be leak-proof as far as we can help and certainly so far as to have only one interpretation of any points of interest that might arise.

The thing is this: Let every student read over his or her copy of the constitution, write on the margin or elsewhere, so that the point that is not clear may be cleared up, or the point that is omitted will be added, so that he or she can come to the next student body meeting for

consideration of the constitution with a clear understanding of what is being done. If this is done no time will be lost over trivial matters and we can at the same time have a more clearly defined and better constitution. Then on adoption we can assure ourselves that the paper is absolutely of our own mind.

The constitution was put into your hands not in the sense of trying to force the decision of the Student Council on the student body, but that a step might be taken and that the Student Council might be of real service to the student body.

Let's all think it over and watch the announcement of the next meeting for the purpose of considering the constitution.

J. M. SCRUGGS.

BOYS OF TODAY PREFER FACTS TO DIME NOVEL

"Then there are the stories for the fellows who are 14 and up. The favorites are Poe and O. Henry, all of Doyle's detective stories, and Scott. These are what I'm getting to like best."

"I hope this will give you a better idea of what the boys of today like and read."

The modern boy, according to Gas Logie, "is not taken in by mystery and illusion as such. He has a broader outlook on life and a larger vision. He finds reality far more exciting and startling than imagination." Consequently the author who writes for the small boy has not "the simple task of spinning a thrilling narrative," for the modern boy "not only demands reality and accuracy of fact, but he is a relentless critic."

If this is done no time will be lost over trivial matters and we can at the same time have a more clearly defined and better constitution. Then on adoption we can assure ourselves that the paper is absolutely of our own mind.

The constitution was put into your hands not in the sense of trying to force the decision of the Student Council on the student body, but that a step might be taken and that the Student Council might be of real service to the student body.

Let's all think it over and watch the announcement of the next meeting for the purpose of considering the constitution.

J. M. SCRUGGS.

what books and papers boys read today. I have asked the fellows in our tent and many others and they all have their favorite authors. In fact it's day it was "Oliver Optic," but his books are not read very much by boys nowadays.

"Our counselor often reads to us evenings, and 'Sherlock Holmes' and stories about Robin Hood are the now eligible and will be able to take the Arizona trip if so designated by the Coach."

McClure, who is perhaps the best linesman on the Varsity squad, is now eligible and will be able to take the Arizona trip if so designated by the Coach.

The ninety-five yard run made by the Institute is a stunt seen but a few times in football.

Gerphelde is without doubt the best back field man in the southwest unless Arizona has something better, which the dope does not show.

The Varsity did not open up Thursday with all the plays in the box, as such would not be wise just before the Arizona game.

The Aggies will be quite a tussel after their tie score with the Cadets.

Fred Sganzi is reported eligible. If this rumor be confirmed the Lobos will have a real booter in the line-up for the next two games.

Bevo Bevan, who has been on the sick list, will be out for practice Monday. Bevens says he is in good condition.

Stuart MacArthur was out of the Texas Miners game because of high fever.

LEFT EARFUL

A football team was asked to give a real substantial reason. Explaining why the athletes lost So many games this season.

RIGHT EARFUL

And everyone assembled there. Upon the dear old campus. Declared: "We'd win a lot more if The co-eds did not vamp us."

GRIDIRON DOPE

The Military Institute players were big men, but even so, a little fighting team can sure show them football.

McClure, who is perhaps the best linesman on the Varsity squad, is now eligible and will be able to take the Arizona trip if so designated by the Coach.

The ninety-five yard run made by the Institute is a stunt seen but a few times in football.

Gerphelde is without doubt the best back field man in the southwest unless Arizona has something better, which the dope does not show.

The Varsity did not open up Thursday with all the plays in the box, as such would not be wise just before the Arizona game.

The Aggies will be quite a tussel after their tie score with the Cadets.

Fred Sganzi is reported eligible. If this rumor be confirmed the Lobos will have a real booter in the line-up for the next two games.

Bevo Bevan, who has been on the sick list, will be out for practice Monday. Bevens says he is in good condition.

Stuart MacArthur was out of the Texas Miners game because of high fever.

LEFT EARFUL

RIGHT EARFUL

And everyone assembled there. Upon the dear old campus. Declared: "We'd win a lot more if The co-eds did not vamp us."

LOCALS

Mr. Collins, a Sigma Chi from the U. of Oklahoma, is spending the winter at the Sigma Chi house.

"Bevo" Bevans, who was injured in the game at Colo. College, is back in school.

Vera Herby is a new member of the Freshman class.

The Pi K A sisters hung curtains in the new Pi K A house one evening last week.

Pay your Spanish Club dues.

Belle Barton is recovering rapidly from her attack of diphtheria.

Helen MacArthur and Lorena Burton are back on the campus after an enforced vacation.

Turn in your tickets and money for the football games to "Bish" Howden as soon as possible.

What do YOU think of the new constitution?

Elizabeth Hill, who has been out of school for the last week on account of illness, has come back to make more noise around the school.

A circular letter was written to Belle Barton this week to let her know the campus gossip. Miss Barton is unable to attend school on account of illness, but we hope will be back soon.

Ted Pate of Carlsbad is visiting this week at Pi K A house. He can be found at Hokona most any time of the day.

Mrs. Stofor and John Stofor of Gallup were visitors Sunday. Mrs. Stofor entertained the students from Gallup with a dinner at the Alvarado. The guests were Mary MacMullen, Mary Wood, Willard Stofor, Jimmy Swiney and Vance Scoopmire.

Miss Ethel L. Wolverline from Stanford visited with Bobbie Jahn last week. She came to be initiated into Alpha Delta Pi. She left Monday for the east.

Miss Helen Lindsay has left Hokona and gone to live at the Alpha Chi house.

Miss Hazel Willmunder left Sunday night for home. She lives in Gallup.

Johnny Fernstrom has been appointed manager of the boys' basketball team for the coming season. Miss Grace Bean left last Thursday night for Fort Sumner, which place is here home.

LOBOS TAKE LONG END OF 67 TO-0 SCORE FROM ORE DIGGERS

(Continued from page 1)

ers who returned 10 yards. Edwards went through center for 4 yards. Miners lost ball on downs and kicked to Gerpheide who circled right end for 30 yards. Varsity backs carried the ball to 1-yard line. Mann shoved the ball over for a touchdown. Gerpheide kicked goal. Miners kicked to Hesselden who returned 10 yards. Mann went around end for 10 yards. The Lobos tried two passes and both were unsuccessful. A long punt placed the ball on the Miners' 10-yard line. Benford broke through the Lobo line, but fumbled. Gerpheide recovered and scored another touchdown for New Mexico. Gerpheide kicked goal. Miners kicked and Gerpheide returned 40 yards. Score: 41-0.

Second Half.

Miners kicked to Hesselden who returned to 40-yard line. Gerpheide went through tackle for 15 yards. Varsity fumbled and lost to Miners. only to recover it again soon on a punt. Mann carried the ball around left end for 25 yards. Sganzi and Hesselden, by a series of line plunges carried the ball down the field. Mann went over the line for the touchdown. Witten kicked goal. The Miners kicked. The Lobo backs carried the ball with regularity down the field. Mann passed; the ball was intercepted by the Miners' left tackle, but fell into the hands of Witten on the other side of the line. Mann failed to kick goal. Calkins replaced Hesselden. He returned the Miners' kick-off for 40 yards.

Fourth Quarter.

The Lobos marched down the field with the greatest of ease. Many substitutes were used. Hyden for Pearce, Craig for B. Gerpheide, R. Hernandez for Hyder.

Final score: University of New Mexico 67, Texas School of Mines 0.

GROTTO LIGHTS

The four-character musical farce which took the place of the musical comedy for 1920, was a complete success. The catchy title, "Curfew Shall Not Ring Tonight," and the pleasing cast were the chief factors incident to the success of the attraction. The cast was as follows:
Nothing Doing. George Bryan
Caustic Comment. George Bryan
Indignation. George Bryan
Indifference. The Average Student
Music by the Swinette.

Speaking of farces, the little dia-

logue delivered on the campus by Messrs. Sampson and Ibarra, was a faithful rendering of the Near Tragedy.

Officer Heacock condescended to grace the campus with the boots willed him by his second cousin, who was in the army. It will be remembered that Mr. Heacock held a commission in the tin school at Tuscon.

Scandalous Comment: What were George Bryan and Kathryn scuffling about in the library annex at 11 o'clock Wednesday, when the president so inadvertently entered?

Another thing we'd like to know is just how Fritz Ward happened to get Jack Hill's card in his bid from the Alpha Deltas.

And I'm telling the world we really would like to know, what dormitory girl reported at the dorm at 11:30 the other night after the dance, and was seen at 12:30 in the De Luxe with a flock of ham and. Gosh, but we're curious!

Funny how birds of a feather flock together. At the dance in Rodey, we saw about six fellows standing together in the doorway, and they all smelled like they'd been using the same hair tonic. Boy, page Ed Pinaud.

The University of Oklahoma gets a \$500,000 engineering building next year. This shows a very remarkable growth, for in 1908 there were only 12 engineering students.

"Well, Dorothy," said her father on Sunday afternoon, "shall we have a walk or a car ride?"
"I razer walk," little Dorothy replied, "if 'ou' will carry me."
