"TRAVELERS' AID" SUBJECT OF Y. W. ADDRESS

Miss Mary Kirk, City Y. W. C. A. Secretary, Delivers Inspiring Talk Thursday.

Miss Mary Kirk, Secretary of the city Young Women's Christian Association, spoke to the girls of the University Thursday noon on "The Travelers' Aid." This movement was started for the purpose of aiding women and girls who are inexperienced, while traveling alone.

Value of Aid Shown.

Miss Kirk cited many incidents where "The Travelers' Aid" has helped girls who had come from the country or a small town, to a large city, and were helpless in finding their way to their destination.

Taken Up by Colleges.

Many College organizations have taken up this work in different towns, and with the assistance of some city club, have established a "Travelers' Aid" in their town.

Good Results Follow.

It has been found that where even one has been established, that the station, and even the city itself, are in better order. We hope that Albuquerque may have one as it is badly needed.

Reasons For One Here.

Albuquerque is the commercial center of all the small towns and many women and girls would like to have some place to go to rest after a hard day's shopping, or would like to go for information to some one who would be able to answer them correctly.

National Movement.

It is hoped that before the Panama Canal Exposition in 1915, that this movement will have become a national organization, and that every town will have a "Travelers' Aid."

SECOND VESPER SERVICES HELD ON SUNDAY

Good Attendance Again, Very Encouraging to Those Responsible for Its Inception.

That the Sunday Vesper Services, only recently inaugurated here, are successful, was demonstrated by the crowd that invaded Rodey Hall to hear Rev. Hugh Cooper, D.D., speak on "A Fourfold Judgment," Sunday afternoon.

The services were opened by Dr. David R. Boyd, President of the University. A musical program was an especial feature of the Vespers. "As Shadows Cast by Cloud and Sun," was splendidly rendered by the Girls' Glee Club, under the direction of Miss Mary McFie.

The Offertory solo, by Mr. Charles J. Andrews, who is well known to all students of the University, was enjoyed by all.

Many people from the city participated in these services, and it is hoped that in the future, many more will come, and get better acquainted with

NUMBER FIVE OF "UNIVERSITY NEWS" READY

Publication for This Occasion to Be Devoted to the Teachers' Association, Soon Coming.

Number Five, of "The University News," the Varsity publication, issued ten times a year, for the interests of the University, is now on the press, in the final stages of printing, and will be ready for distribution in a day or two, at the latest.

Extra Number Printed.

A thousand extra copies have been printed this time, in order to have plenty for the different teachers in the State, everyone of whom, as far as his name has been received, is now on the regular mailing list of "The News."

Articles of Interest.

Articles of special interest in "The News" for this issue are, a description of the Extension Course, by Professor C. E. Bonnett, who has charge of that division, articles dealing with the teachers' convention, and public school work in New Mexico, an article descriptive of the newly-organized Y. M. C. A., and various other interesting items, of value to students of the University, as well as New Mexicans in general.

Hand In Names.

All students of the Varsity who have the names of friends or relatives, to whom they think "The News" would be interesting, are again urged to hand them in to the President's office, and such persons will at once be placed on the regular mailing list of "The News" and receive the same gratis, forthwith.

Y. W. C. A.

In every institution there is a need of an organization which will include all and protect all the interests of girls and which will unite them in a closer and finer companionship.

This is what the Y. W. C. A. stands for—a fulfillment of every girl's dream, an ideal woman. Can any girl afford to miss this wonderful opportunity?

You may call me Ruth McKowen,

the students and faculty of the University.

These services will now be a regular part of the University's activities, as those in charge of them, feel greatly encouraged by the response they have been meeting, not only from the University's students and faculty, but from the townspeople as well.

The convenience of the hour, four o'clock in the afternoon, and the regularity of the time which they last, one hour, makes these services very convenient for people in the city to be on the Hill at four, and back in Albuquerque again in plenty of time for the evening meal.

M. R. BOWIE, M. D., IS CALLED BY DEATH

Young Physician, Former Student of the University, Passes Away at Los Angeles Last Month.

The sad word has been received at the University of the death of Dr. Morris Ramsay Bowie, at Los Angeles, the twenty-first of last month.

Dr. Bowie was for three years an undergraduate student of the University of New Mexico, after which he took the full medical course in the University of Maryland, at Baltimore, receiving the degree of M. D. from that splendid institution.

Shortly after his graduation, he was made company physician to the Utah Fuel Company's Somerset projects, at Paonia, Colorado, and during his tenure of that office, cut short by death, he accomplished a great work. A hospital, conceived and brought into reality by his untiring efforts, remains no less a monument to his professional devotion than do the many lives made better by his ministrations.

A year ago last spring, Dr. Bowie went abroad for further study, remaining for some time in the ancient University of Edinburgh, Scotland. From there, he returned to his home in Paonia, with further strength, skill and inspiration for his noble profession.

It has been hard for those who knew this young man of unusually brilliant promise, to realize that they shall no longer greet him. It is harder still, for them to reconcile themselves to the wisdom of the Providence permitting this—to them—premature removal, but they are consoled by the memory of his quiet life of good deeds through which he still lives in the hearts of those with whom he came in contact.

May he rest in peace!

CHORAL SOCIETY ORGANIZED.

A recent organization which has enlisted the support of a number of Varsity students as well as a large number of the citizens of Albuquerque is the Albuquerque Choral Society, of which Chas. J. Andrewes is director and E. Stanley Seder accompanist. Already some sixty voices are enrolled as members, with prospects for a considerable additional number. Work is now under way for the first concert, which will take place after the holidays. Rehearsals are held every Tuesday evening at 7:30, at the high school building. Owing to his deep interest in the project, the presidency of the society has been tendered to Dr. David R. Boyd. It is hoped that a considerable number of Varsity students will take advantage of this opportunity and become members of the society. There are no fees, the only expense being the purchase of music for the production, of which there will probably be two during the course of the present season.

VARSITY MUSICIANS READY FOR TEACHERS

Choral and Glee Clubs Prepared to Do Their Part to Make Musical Features a Success.

The Choral Club will finish the practicing of the music for the Teachers' Association this week, thus giving the members a week in which to rest up.

Glee Club at Vespers.

The Girls' Glee Club rendered "As Shadows Cast by Cloud and Sun" at the Vesper Services Sunday afternoon. The girls have been working hard the past week, which was proven by the creditable way in which they sang at the services.

Men's Club Busy.

The Men's Glee Club has been practicing a few new pieces, and will have quite a repertoire by Thanksgiving Week.

Assembly Choir Sunday.

The Assembly Choir will sing at Vespers next Sunday. The music for the processional and recessional will get here about December 1st, at which time the choir will start practicing on it. The choir is always looking ahead and is practicing on pieces that will not be sung for a month or more, along with the ones that will be sung within the next few weeks.

WEEK OF PRAYER OBSERVED OVER WORLD

Y. W. C. A. Girls Holding Daily Meetings to Discuss Missions and Their Work of Today.

This week, every Association throughout the world will be united in prayer for our Association work on the Mission fields.

The week has been divided as follows:

Sunday, November 9th, "A Message of Liberty to the Human Race"—Isaiah 61:1-9.

Monday, November 10th, "Africa." Tuesday, November 11th, "America."

Wednesday, November 12th, "Asia." Thursday, November 13th, "Australia."

Friday, November 14th, "Europe." Saturday, November 15th, "Europe" (continued).

The girls meet together every night for mission study and prayer, and on Thursday, at one o'clock an interesting discussion will be given of each field. Every girl is invited to be present. Pictures of different countries will be put upon the Bulletin Board every day this week. These pictures are very interesting, so don't fail to see them.

His Greatest Happiness.

"May I tell you the old, old story?" he asked.

She looked down, blushed and nodded her assent.

So he told her for the twenty-seventh time how he once won the game for Yale.—Brooklyn Life.

ORATORICAL CONTEST.

Now that the University is to be
represented in the Annual Oratorical
Contest, it is the duty of every stu-
dent to back our representative, and
to be on hand that evening to lend
him our encouragement, by our pres-
ence and applause.

It was unfortunate that we had no
such representation at the Contest
last year, but it is to be hoped that
hereafter no such thing will occur,
but that the University will be well
represented in all such events, and
thus take her proper place as the
leading institution in New Mexico for
all forensic art.

THE ARIZONA GAME.

Thanksgiving afternoon we play the
University of Arizona for the Inter-
collegiate Championship of the South-
west.

As everybody connected with the
University here knows, this game is
going to take quite a bit of money.
This is our heavy year in football, as
far as expenses are concerned and so
the help of every person in the school
is needed in order to make expenses
meet.

As the Arizona game will be held
immediately after the close of the
teachers' convention, there ought to
be quite an attendance on hand, and
every loyal student of the University
will try to do his best to sell as many
tickets as possible for this event.

Everybody get out now, and boost!

ORATORY AND ACTION.

What distinguished the talk given
by the University's Athletic Director
on Monday noon from a large number
of addresses heard in Rodey Hall
from year to year is undoubtedly
identical with the fact which, in the
opinion of the ancients, separated the
oratory of Cicero from that of the
Greek Demosthenes. According to the
well-known story, the Ciceronian ef-
forts were followed by copious ap-
plause, and comments on the orator's
silver tongue and splendid diction;
the speeches of Demosthenes, how-
ever, evoked from the Athenian
crowd the shout, "Let us go against
Philip!"

Since the erection of Rodey Hall,
many talks, addresses, lectures and

harangues have been heard there
good, bad and indifferent. To the ob-
server, Coach Hutchinson's effort be-
longed in the same class with the
great Greek's, the reason being that,
at the end of the meeting, there was
but one sentiment, and that senti-
ment, was, "WE MUST BEAT CRU-
CES."

There are not many college insti-
tutions in the country where it is
both more fitting and more necessary
that the student body unitedly and
heartily back their football team, as
was urged by the Coach in his
speech. It is not the case here that
the team is only an extremely small
part of the student body, carefully
selected and specially trained for the
purpose of playing against similar bod-
ies of selected athlete students(?)
With us, the football team is an in-
tegral and important part of the stu-
dent body, and represents every stu-
dent to a greater degree than at larg-
er institutions. For this reason the
obligation rests with greater weight
on every one to give his enthusiastic
backing to the team and to their
coach, and to give them such a send-
off on Thursday as will make them
feel not only that they MUST beat
Cruces, but that they WILL beat
Cruces, and thus bring another All-
Southwestern Championship within
reach. E. S. S.

FOOTBALL TEAM PLAYS THE
AGGIES AT CRUCES FRIDAY

Squad Hard at Work Every Afternoon
and Evening, and All Feel That
U. N. M. Has Good Chance.

The Varsity football team leaves for
Las Cruces Thursday to play the
Agricultural College on Friday after-
noon.

Hard Fight Expected.

It is expected that this game will be
the Varsity's hardest struggle of the
season, and as a consequence, the
squad is hard at work, getting in trim
for the contest.

Regular Practice.

Every afternoon the teams are out,
running through the plays, tackling
the dummy, fighting the charging
machine, and other things included in
a good, stiff practice.

Night Work Also.

Each evening the team is run
through the signal practice thorough-
ly. They now have everything down
to a fine system, and the team is work-
ing like a regular machine.

All Feel Good.

The whole team is feeling in the
best of shape for the game, and all
think that they have a splendid
chance to defeat the Aggies this year,
and in some degree retrieve past
losses. At any rate, the Agricultural
College will know that it has been
through a game when the final whis-
tle blows.

Friday's Line-Up.

The line-up for Friday's game will
be as follows: Center—Gass; Right
Guard—Brashear; Left Guard—Pro-
bert; Right Tackle—Littrell; Left
Tackle—C. Lee; Right End—Carlisle;
Left End—Shufflebarger; Quarterback
—LaPraik; Right Half Back—Hesseld-
den; Left Half Back—Calkins (Cap-
tain); Full Back—Balcumb.

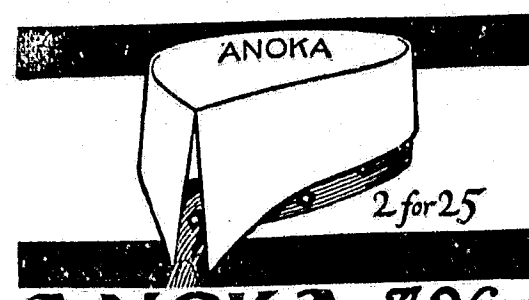

Substitutes: Arnot, McCanna, Sel-
lers, Kapple, Shields, Gouin, Hefeld
and Floyd Lee.

FOOTBALL RALLY HELD
IN RODEY HALL YESTERDAY

Coach Hutchinson Urges Everyone to
Come Out and Help Players Win
the Game With Cruces.

Yesterday afternoon, at 1 o'clock, a
football rally was held in Rodey Hall,
having been called by Coach Hutchin-
son.

The coach proceeded to give a
splendid, enthusiastic talk on school
spirit and its influence in winning
games. He urged everybody to come
out each afternoon and stand on the
side lines and cheer the team on. He

declared that these four days before
the game are what are going to win it
for us, if the team is victorious Fri-
day. "Playing the game counts a
good deal, but it must first be fought
over and won beforehand," was one
of the coach's statements.

He illustrated his own case, when
he first played with Princeton; the
team was not a particularly all star
one, but they were determined to beat
Yale, and as a consequence, got to-
gether and practiced with every bit of
enthusiasm and spirit they could
muster, and when the game with Yale
came off, Princeton was the victor.

"The practice and confidence gained
beforehand was what won that game
for us," declared Mr. Hutchinson.
"Now we can do the same here. Let
everyone of you come out and cheer
the men along each afternoon. I am
going to put them through the hard-
est work they ever did here, and we
are going to win from Cruces. We
can not fail to do so, with your help
and enthusiasm."

The talk of Coach Hutchinson's was
one of the most enthusiastic and in-
spiring ever heard in Rodey Hall, and
at its conclusion, he was cheered vocif-
erously by the student body, nearly
all of whom were present, and who
fully coincided with his talk in all its
phases.

FRED M. CALKINS VARSITY'S
REPRESENTATIVE IN ORATORY

Captain of This Year's Football Team
Will Try to "Eat 'Em Up" in For-
ensic Art as Well.

Fred Myron Calkins will represent
the University in the Annual New
Mexico Intercollegiate Oratorical Con-
test, to be held on the evening of
Wednesday, November 26th, at the
close of the Teachers' Association.

The subject of Mr. Calkins' oration
is "By Right of Might," in which he
will endeavor to show the necessity for
the United States to increase her navy
in order to preserve peace at home
and abroad.

Mr. Calkins has done good work as
an orator in high school, and the Uni-
versity feels that in him she has a
worthy representative, and one who
will do his part to bring credit on the
U. N. M. in that line.

The Annual Intercollegiate, as well
as Interscholastic Oratorical Contest
has always been one of the most in-
teresting features of the program of
the Teachers' Association, and there
is no reason why this year's interest
should not be as good as former ones,
especially to the members of the
University, who have a particular in-
terest in the Intercollegiate Contest.

Two years ago the University won
first prize in this contest, first place
being taken by Mr. W. C. Cook, his
subject being, "An Objective Standard
of Social Control."

Last year, owing to an unfortunate
chain of circumstances, the Uni-
versity was not represented in the Con-
test, but this year, and hereafter, the
students are determined that this shall
not again occur, in which sentiment
they have the hearty backing and co-
operation of all the members of the
Faculty.

"LITTLE A. O. WEESE."

(With apologies to James Whitcomb
Riley and "Little Orphan Annie.")

I.
Little A. O. Weese has come to our
dorm to stay,
An' made the boys to study hard and
take some sense away.
He teaches 'em, and shows the boys
just how to act in lab,
An' how to get bugs and to the rest
be crab.

Oh! He works all day, an' he spoons
all night,
An' if Coyote is busy, he tries to give
'em a fright!
An' all us other fellers, when our
study time is done,
We walks around the campus an' has
the mostest fun
A-list-nin to the love-talks 'at Prof.
Weese tells about,
An' the Damsels 'at gits you
Ef you don't watch out!

II.

One't they was a nice young man 'at
went away to school,—
He took a girl to church one night,
which was against the rule,—
Then his Mammy got a letter an' his
Dad a telegram,
An' when they went to save their
son, they couldn't find their Sam!
An' they seeked him at the boardin'
house, an' neighbors fur an' wide,
They seeked the dormitory an' all the
country side;
But all Sam's teachers told 'em 'at
he'd gone the weddin' route:—
An' the Damsels'll git you
Ef you don't watch out!

III.

An' on't they was another boy, 'ud
allus laugh an' grin,
An' wouldn't heed the warnin's, of all
his blood an' kin;
An' on't, when in society, an' nice
young girls was there,
He flirted an' made eyes 'at 'em, an'
said he didn't care!
But when he got his hat to go, he
turned about an' spied
A great big black-eyed Damsel a
standin' by his side,
An' she snatched him to the 'Parson's'
'fore he knowed what he's about!
An' some Damsel'll git you,
Ef you don't watch out!

IV.

An' little A. O. Weese says 'at when
the lights are low,
An' the firelight flickers, an' yer girl
says Ooooh!
You feel yer heart a-beatin' as she
takes yer hand, an' sighs,
An' lays her head upon yer breast,
an' looks up in yer eyes,—
You better mind yer business an' git
yer hat, an' go!
An' swear by all 'at's holy that you'll
ne'er agin act so!
An' think of all the married folks
'at clusters all about,
Ef you'll be Damsel'd,
Ef You Don't Watch Out!

(Note: The above exquisite little
poetical gem has been especially
written for The U. N. M. Weekly by
one of the greatest epic poets of mod-
ern times, and The Weekly feels great
pride in publishing this).

We wandered o'er the land;

I gazed into her—lunch-basket.

Yes, I looked into her lunch-basket,
And I wished I had a taste;
