N. M. E. A. CLOSES SUCCESSFUL CONFERENCE

Albuquerque Once More Chosen to Be the Scene of Next Meeting, Which Speaks Well For This City.

The New Mexico Educational Association has again come to a close after the most enthusiastic meeting held in the history of that body. At least 1,200 teachers were present last week, and the city had the appearance of a regular bee hive, of industry and life.

Varsity on Deck.

As usual, the University was on hand to make things interesting for the visiting teachers. The two glee clubs were the center of attraction on several occasions, and on Tuesday afternoon gave a reception and inspection tour of the campus to the visiting glee clubs.

Oratorical Contest.

On Wednesday evening the oratorical contest was held, in which the University took second place. Fred Calkins, the Varsity representative, did excellent work in his oration, but lost out in delivery to Frank Landou, of Las Vegas.

Other Features of Meet.

Other features of the meet were the various decorated booths at the Armory, the Bohumir Kryl Concert, the Vitascope Entertainment, talks and addresses by noted speakers, and so on.

A Great Success.

All in all, the meet was a great success, and a very valuable thing for Albuquerque, and the University. Next year it is expected to have a still better attendance, and when the time comes around, Albuquerque, and the Varsity, will be on hand to make it worth while once more.

CHEMISTRY BULLETIN OUT BY U. N. M. GRADUATES

Work of Clyde Kelly and Eldred Anspach Meets With Approval and Varsity Issues It.

The graduating thesis of Clyde Kelly and Eldred ("Speck") Anspach, both of whom finished their science course last June at the U. N. M., has been judged to be of sufficient merit to be issued as a regular University Bulletin, and accordingly has just come out, as Volume 1, Number 1 of the Chemistry Series of the University.

The Bulletin, "A Preliminary Study of the Waters of the Jemez Plateau," treats accurately and scientifically, as far as the investigations were conducted, of the waters of this region, and will be an authority for those who desire to make any similar or further researches in this line.

The two young authors are to be congratulated on this work, and it is hoped that it is merely a fore-runner of further and greater achievements in the lines of Science for the University's two graduates.

To keep friends, let them keep your money.

ARIZONA DOWNS VARSITY IN CLOSE GAME THANKSGIVING

OUTPLAYED AND OUTGENERALLED BY THEIR LIGHTER OPPONENTS, THE TUCSON FOOTBALL TEAM, BY A CLEVER, ANCIENT TRICK, MANAGE TO PUT ONE OVER ON US.

SEVEN TO THREE IS THE FINAL, SAD, SAD SCORE

Everybody at the Varsity, However, Well Satisfied With the Good Showing Made by the Team This Year, and There is No Complaint to Be Found With Either the Coach or the Football Squad.

By the old trick of the delayed pass, the University of Arizona managed to secure its only touchdown against the University of New Mexico in their annual football game Thursday afternoon, and to win the game by the score of 7 to 3.

Up to this time it had looked like a "sure thing" for the Varsity, but like a good many other "sure things" it turned out different than expected. The trick was a clever one, well-executed, and has been the means of securing many a touchdown against other teams than the Varsity, so there is no use speculating as to why it happened.

Hard Fought Contest.

The game was hard fought and contested from beginning to end. The U. N. M. was determined to win this struggle, and from the moment the whistle blew, went at their heavier opponents with a vim and dash that seemed to anticipate certain victory. Our points were secured in the second quarter on a field goal by Hesselden and from that time until Arizona made her touchdown, the Varsity's stock went booming.

The Fatal Trick.

However, a few seconds after the beginning of the second half, Arizona worked the delayed pass to perfection. The Varsity players, expecting an end run, had their eyes turned in the wrong direction, and the first intimation of what was up became apparent when Luis, Arizona's left end was observed tearing down a clear field, with the ball snugly tucked under his arm. There was no stopping him, and to make matters worse, Arizona also kicked goal, making the score 7 to 3 in their favor.

No More Points.

No more points were scored by either team after the "accident" of Arizona's. Several times after that Arizona tried the delayed pass, but the Varsity was ready for it, and nothing was gained thereby. However, Varsity could not score either, and when the final whistle blew, the result was 7 to 3 in Arizona's favor.

Game by Quarters.

The game by quarters was as follows:

On the toss of the coin, Captain Calkins secured the kick-off, Varsity defending the south goal. Hesselden's kick was caught on Arizona's five-yard line and the ball was returned to the thirty-yard line. In scrimmage, Arizona was offside and failed to make downs, U. N. M. receiving the ball on the thirty-yard line. Varsity fumbled but recovered. LaPraik was forced to punt on fourth down and it was Arizona's ball on their ten-yard line. Arizona kicked. Jones, Arizona center and all-southwestern center last year so effectively broke through the Varsity line that LaPraik was forced to kick. Arizona fumbled for a

five-yard loss and kicked. Varsity made ten yards on three downs, but on first down lost the advantage by fumbling. An exchange of punts after failure to gain, resulted in the ball being in Arizona's possession on their forty-yard line. In a scrimmage, a U. N. M. forward picked up bodily Campbell, Arizona left half, after the whistle had blown and carried him up field ten yards. Both men fell to the ground and Campbell kicked viciously at the Varsity man. Campbell was removed from the game and Arizona was penalized half the distance to their goal, or about thirty yards, for the rough tactics. Arizona kicked, and, after missing forward pass and failing to gain through the line, Varsity kicked. The kick was blocked, Arizona running out of bounds with ball on Varsity thirty-five yard line. Arizona tried two passes and, failing, kicked. U. N. M. blocked the kick and secured the ball on their own twenty-yard line. Varsity made downs and immediately Hesselden opened up with a twenty-yard run. When time was called the ball was in Varsity's possession on Arizona's forty-two-yard line. The play was almost entirely in Arizona territory during this period. Score: U. N. M., 0; Arizona, 0.

Second Quarter.

The period opened with the ball in Varsity's possession on Arizona's forty-two-yard line. On an attempted forward pass by Calkins, Arizona man caught ball and was down in tracks. Arizona was forced to kick, LaPraik making good return. After scrimmage and incomplete forward pass, Varsity kicked. After exchange of kicks LaPraik made twenty-five-yard run. Hesselden followed with a gain of twelve yards. With the ball on the eight-yard line, Hesselden tried for a field goal, but the kick was blocked and Arizona secured the ball. Arizona man made fine run but Arizona was offside on play and was penalized. Arizona kicked. Varsity's ball on their own thirty-five-yard line. Again a march toward the Arizona goal began. Hesselden made ten yards on a line buck and Probert followed with twelve on end run. Hesselden went around left end for ten yards. With the ball on Arizona twenty-five-yard line again, Hesselden tried for field goal, this time succeeding. Standing on the thirty-five-yard line, he booted the oval squarely over the bar with lots of room to spare. Hesselden kicked off and Arizona made first down. The whistle blew for end of period with the ball in Arizona's possession in the middle of field. Period score: U. N. M., 3; Arizona, 0. Total: U. N. M., 3; Arizona, 0.

Third Quarter.

Campbell was allowed to return to the game, Piper being taken out. Ari-

SOCIAL EVENTS OF THE PAST FEW DAYS

Everybody at the Varsity Kept Busy With Some Kind of Entertainment During the Meet.

That the past week in social functions at the University was a busy one may be seen by noting some of the following events which took place during or immediately after the teachers' meet.

Dance for Arizona Boys.

Owing to some misunderstanding the dance given in honor of the members of the Arizona Football Team was very informal, and only attended by a small part of the student body. But those who were present report a most enjoyable evening.

Mrs. Boyd Entertains.

One of the most beautifully appointed luncheons of the past week was that of Mrs. David R. Boyd, given on Wednesday, in honor of the ladies who were actively interested in the Teachers' Association last week.

The color scheme of yellow and white was effectively carried out in the table decorations, and the place cards. The honorees were: Mesdames W. C. McDonald, Alvan N. White, J. R. McFie of Santa Fe, Frank H. H. Roberts, of Las Vegas, J. H. Wroth and Ada Bittner of Albuquerque.

Dinner by Faculty Ladies.

The five ladies of the Faculty of the University: Misses E. A. Hickey, J. S. Parsons, D. J. Sisler, Mary McFie and Nellie Dean, delightfully entertained the wives of the men of the Faculty and the Board of Regents, Friday evening, at the Alvarado Hotel, in Taft Hall. The dinner was most elaborate in appointment and decoration.

Sigma Tau Dinner.

The Sigma Tau Fraternity House had a most festive air Friday, and the evening brought further answer to all questions. A Thanksgiving dinner was held, followed by a smoker. All the members of the Fraternity, as well as Alumni, who were in the city, were present, and the fun lasted until a late hour.

Those present were the following: George Walker, Jack LaPraik, Kenneth Balcomb, Edward Ross, Robert Sewell, William Higgins, Matt Higgins, Howard Livingston, Charles Weber, D. R. Lane, Frank Shuffelbarger, Hastings Shields, Stanley Sedar, Hugh Bryan, Harry Frank, James Redfield, Will Arnot, Frank Gouin, Fred Calkins, Hugh Carlisle, H. S. Bateman, Emmet Hannum, Thornton Bright.

Glee Clubs Entertain.

The Boys' and Girls' Glee Clubs entertained the Raton "Scherzo Club," the New Mexico Normal University Glee Club and Orchestra of Las Vegas, and visiting teachers Tuesday afternoon in Rodey Hall, from two to four o'clock. The afternoon was spent in games and showing the visitors around the campus.

The Ounce of Detention.

Once a pound-keeper chanced to impound An ounce that was straying around. The pound-keeper straight Was fined for false weight, Since he'd only one ounce in his pound.

THE PAST SEASON.

Well, the football season is over, and the U. N. M. has no apologies or excuses to make. The team did the best it could under all circumstances and nobody will ever have even a suspicion that there was a "quitter" on it. Under a disadvantage in every big game, it put up an article of football that made its opponents buckle down to hard fighting every moment of play and no one but has respect and admiration for our little scrappy bunch of players.

After all, a football season is only one feature, a big one, maybe, but, nevertheless, only one feature of the University's activities. The memory of this season will soon be forgotten, and it is to be looked for and expected that soon, perhaps next year, we may have a team here that will be able to annex the coveted Southwestern football championship.

Meantime, let us turn our attention to the other phases of the Varsity's activities: Basketball, the debate with Cruce, etc. Here we have a good chance to show what is in us, and bring further honor to the old U. N. M.

WOOD'S ADDRESS.

The abstract of Honorable Francis E. Wood's speech at the Sunday Vesper services deserves every one's, Faculty as well as student body, serious attention. A little more knowledge of each other's beliefs and ideas would do a great deal to remove the suspicion and distrust, which, inflamed by ignorance and the reading of still more ignorant authorities (?), seems to prevail among so many otherwise intelligent persons of the present day.

Joke on the Doctor.

A farmer rushed up to the home of a country doctor in the village late one night and besought him to come at once to a distant farmhouse.

The medicine man hitched up his horse and they drove furiously to the farmer's home. Upon their arrival the farmer said:

"How much is your fee, Doc?"

"Three dollars," said the physician in surprise.

"Here you are," said the farmer, handing over the money; "that livery man wanted five dollars to drive me home."

Three more weeks to Christmas vacation.

DESCRIPTIVE GEOMETRY.

Graphics 1 begins the study of Descriptive Geometry on Tuesday, December 2, at 2:30 p. m. Text: Church and Bartlett, Elements of Descriptive Geometry. All students not now in Graphic 1 are requested to be present at the first exercise.

PLANE GEOMETRY.

The quiz on Book III will be held at the regular recitation period on Wednesday, December 3. Students are requested to bring with them Geometry paper for the quiz.

MATHEMATICS CLUB.

All students interested in forming a Mathematics club where opportunity for study of special topics in Mathematics and presentation of the same shall be the main object are requested to meet in the Mathematics room on Tuesday, December 2, at three o'clock.

RULES AND REGULATIONS FOR STUDENTS, READY

The rules and regulations for the guidance of the Varsity students have just been returned from the printers and are ready for distribution.

Anyone who has not a copy and desires one, can obtain same from President Boyd or Miss Parsons.

Every student is expected to get and keep one of these copies, so as to understand just what is expected of him, and exactly what he is up against.

The committee went to great pains to draw up these rules, which are so plainly written as to be perfectly understandable and no student will have an excuse for breaking any of the regulations of the institution hereafter.

Y. W. C. A. RUMMAGE SALE.

The rummage sale to be held under the auspices of the Y. W. C. A., on December 2, 3, 4, Tuesday, Wednesday and Thursday of this week, promises to be a large affair. It is hoped to make it as successful as possible. Dr. Evelyn Frisbie and Mrs. Butler are in charge of the sale, which will be conducted in a strictly sanitary manner. Any articles not as yet sent in will be gladly called for by telephoning the Y. W. C. A., phone 681. Articles of furniture, household utensils, all sorts of clothing for men, women or children; anything that is being discarded by the owners which might be of any possible use to others, will be gratefully received. No contribution is too slight or humble to be considered. Housekeepers are urged to be requested to keep the sale in mind. It will be held at 107 South Second street, next door to the Postal Telegraph.

The Best Joke Ever Perpetrated.
"Well, you played the best game even if you did get beaten." But where in h—s the point?

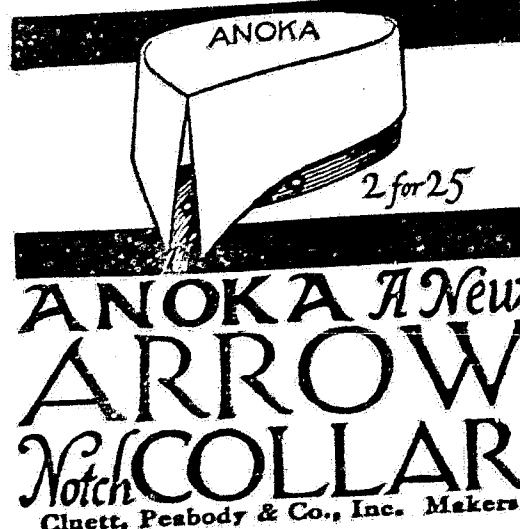

This is No. 13, The Weekly's Unlucky number. Watch somebody get mad at something in this effete little sheet.

Basketball season starts soon.

If you like The Weekly, say so: if you have a kick coming, for the love of Mike, tell the editor, and keep still.

The Freshman Number ought to be out soon.

But I swore that I would read no further.
When I learned that, instead of a dream,
The heroine, Getrock's daughter,
Used her eyes as she swept the room.

ARIZONA DOWNS VARSITY IN
CLOSE GAME THANKSGIVING

(Continued from Page One)

Arizona kicked off. Varsity was forced to kick. LaPrak sent the ball far down the field, but the Arizona man made a long runback. After scrimmages in center of field, Arizona got away with the fatal trick play, Luis carried the ball over for touchdown and Merritt kicked goal. Arizona kicked off to Probert. Varsity made downs but failed on an attempted pass. Hesselde kicked. The ball went back of the Arizona goal line and they elected to carry it out to their twenty-yard line. Arizona kicked to LaPrak. A fumble resulted in a big loss for Varsity and after two bucks, U. N. M. was forced to kick again. Probert made a great tackle. Arizona was penalized fifteen yards for holding. Arizona kicked. Hesselde made fifteen yards on end run. Varsity loses ball, failing to make distance. Arizona cannot gain and resorts to kick. Varsity made their only successful forward pass, Carlisle receiving the ball for a gain of eighteen yards. The period closed with the ball on Arizona's thirty-five-yard line. Period score: U. N. M., 0; Arizona, 7. Total: U. N. M., 3; Arizona, 7.

Balcomb went in at full for U. N. M., Probert being disabled. The period opened with Varsity holding the ball on Arizona thirty-five-yard line, second down, six yards to go. Campbell intercepted U. N. M. forward pass. Arizona forward pass was successful, Balcomb nailing Arizona man by pretty tackle. Again Arizona attempted unathomatic trick play and again Varsity was set on its ear, the play almost going through. Then Arizona began to tear holes through Varsity line, approaching darkness and big advantage in weight assisting tremendously. After being penalized and falling in forward pass, Arizona was held for downs. Hesselde tore off a beauty of a run through a broken field, gaining thirty-five yards. Attempting a forward pass Calkins was downed in his tracks before passing the ball. Varsity kicked. Arizona failed on pass, scrummaged and kicked. One Varsity pass failed and Lewis intercepted the next. Arizona forward passed successfully, bucked line and kicked, content to let well enough alone. Varsity had the ball on their own eighteen-yard line. A forward pass failed and after a scrum Hesselde, battered by constant hammering against the heavy opposing line and winded by long runs, limped off the field, replaced by Joe McCanna. Still Varsity rooters sustained hope for McCanna, fresh and eager, made a good gain on the first play. But hope died when Varsity was forced to kick. The game ended with Arizona in possession of the ball on the twenty-yard line.

ATTORNEY F. E. WOOD
ADDRESSES VESPER SERVICES

Splendid Plea for Better Mutual Understanding and Toleration Delivered.

The vesper services Sunday afternoon proved very interesting to the large audience present. The Reverend Herman P. Williams of the Christian Church presided, delivering an inspiring invocation and benediction. The musical feature of the program was a solo, "The Lord Is My Light" (Allitsen) by Miss Georgia Sherman of St. Paul, whose powerful and expressive voice found an acceptable vehicle in this well-known song.

The Assembly choir sang "Now the Sun Is in the West Descending," a four-part arrangement of a melody by Beethoven.

The speaker of the afternoon was Attorney Francis E. Wood, of Albuquerque, who chose as the foundation of his address the two comprehensive commandments of Jesus Christ: "Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind, and with all thy strength; and thy neighbor as thyself."

Mr. Wood spoke of the importance of a whole-hearted devotion to God and righteousness. There is a great tendency for college students to measure everything by scientific facts, and to discard what can not be literally proven. But there is something higher than scientific knowledge, and that is faith. Because Divinity can never wholly be understood by Humanity, because there are phases of the Christian religion which can not be apprehended by the finite mind—these are not reasons for rejecting that religion, but rather for exercising faith to lay hold of its spirit and teachings.

In speaking of love toward our neighbors, Mr. Wood emphasized the growth of the altruistic conception of life. People are beginning not only to avow kindly spirit toward their fellow men, but are putting that spirit into concrete form as social service.

One phase of this kindly spirit is an attitude of toleration toward the religious beliefs of others. In no other country has religious toleration reached the height it has here, and yet there are many even in this country who are inclined to look upon their particular sect as embracing the only true faith. Mr. Wood spoke with regret of the trial in Russia of a Hebrew for ritual murder as an example of intolerance entirely out of harmony with our interpretation of Christ's command to love one another.

Mr. Wood closed his address in an eloquent plea that we rise above the differences of sect and denomination to an appreciation of the good in all of them, for thus only will we love our neighbors as we should and thus only will we be able to love God with all the force and consecration of our beings.

The hesitation waltz will be taught the girls in a Washington (D. C.) high school at noon recesses between the tango, turkey trot and fish walk. This might be a suggestion for Hokona.

MORNING JOURNAL PICKS ALL-SOUTHWESTERN FOOTBALL TEAM

Four U. N. M. Boys on the Line-Up, and Choice of Other Men Is a Very Fair One Indeed.

The Albuquerque Morning Journal for today announces its pick of an "All Southwestern Football Team," which has been done after considerable study, and with the aid and advice of the various teams in question.

Four U. N. M. men, Carlisle, Brash-ear, Calkins and Hesselden, are on this line-up.

Every man on the team, as picked by the Journal sporting editor, undoubtedly deserves his place, and with such an aggregation on one team, there is not much question but that they could give an account of themselves worthy of the consideration of practically any football aggregation in the country.

The Morning Journal's choice is as follows:

Right End, Carlisle, U. N. M.; Right Tackle, Powers, N. M. A. C.; Right Guard, Brashear, U. N. M.; Center, Jones, U. of A.; Left Guard, Crile, N. M. M. I.; Left Tackle, J. Quesenberry, N. M. A. C.; Left End, Ham-ilton, N. M. A. C.; Quarterback, Lane, N. M. A. C.; Right Half Back, Hessel-den, U. N. M.; Left Half Back, Cal-kins, U. N. M.; Full Back, Lutz, N. M. M. I.

By the above line-up it will be seen that the U. N. M. and the Aggies share the honors, with four men from each institution, while the Military Institute has two, and Arizona one.

AGGIES WIN UNDISPUTED SOUTHWESTERN CHAMPIONSHIP

By Defeating Military Institute in Great Battle Thanksgiving Day Coveted Honor Is Theirs.

The New Mexico A. & M. College can now unquestionably call themselves the full and undisputed football champions of the Southwest, without any shadow of doubt as to the clear-ness of their claim. By their defeat of the N. M. M. I. by the score of 15 to 7 in the Thanksgiving Day struggle, the College has gone through the entire season without a defeat, and the much prized honor is theirs.

The Farmers have played a splendid game of football in every game, and it is no more than just that they should be given credit for their good work.

The U. N. M. Weekly extends its congratulations to the Aggies, but wishes to take occasion to warn them that next season there will be a different story to tell about the championship, at least as far as the U. N. M. is concerned, for things are now begin-ning to come our way, and by next year we are going to show the rest of the Southwestern teams a thing or two that will cause much aching hearts and sleepless nights.

However, for this season, congratula-tions to the Aggies and Coach Badenoch.

PRIZE OFFERED.

A prize of a year's subscription of the U. N. M. Weekly for the best poem, the rhyming words of which shall end in any three of the underly-ing nine words. The subject of the poem shall be on a recent Monday morning happening and the Editor of the Weekly shall be the judge of the best:

School—pool—fool.
