Honor Award: Renovation

**Victor's Ristorante
Santa Fe**

A restaurant remodeling project in Santa Fe completed in ninety days featuring Italian cuisine. The bar/lounge entry is designed to be a warm welcoming center. Interiors were enlarged by removing unnecessary partitions and simplifying forms. The patio was covered with a skylight to add more dining space.

Jury Comments

This project was done in a nice clean manner to have been completed in such a short time. It has the proper ambiance for a restaurant through the good use of materials and interesting volumes.
