# FORMICA<sup>®</sup> v.i.p.\*

vertical interior paneling

## FORMICA<sup>®</sup> V.I.P.

vertical interior paneling is everything an interior paneling should be. It has all the good qualities you associate with FORMICA laminated plastic for horizontal surfaces — and more:

- a complete panel installation system
- easy to handle
- quick and easy to put in place
- economically priced; economical to install
- unlimited decorative possibilities
- adapts to any commercial or institutional setting
- easy maintenance
- long wearing
